RISE OF ANTICHRIST

VOL. I

BY

GYEORGOS CERES HATONN

A PHOENIX JOURNAL

COPYRIGHT POSITION STATEMENT AND DISCLAIMER

The Phoenix Journals are intended as a “real time” commentary on current events, how current events relate to past events and the relationships of both to the physical and spiritual destinies of mankind.

All of history, as we now know it, has been revised, rewritten, twisted and tweaked by selfishly motivated men to achieve and maintain control over other men. When one can understand that everything is comprised of “energy” and that even physical matter is “coalesced” energy, and that all energy emanates from God’s thought, one can accept the idea that the successful focusing of millions of minds on one expected happening will cause it to happen.

If the many prophecies made over thousands of years are accepted, these are the “end times” (specifically the year 2000, the second millennium, etc.). That would put us in the “sorting” period and only a few short years from the finish line. God has said that in the end-times would come the WORD--to the four corners of the world--so that each could decide his/her own course toward, or away from, divinity--based upon TRUTH.

So, God sends His Hosts--Messengers--to present that TRUTH. This is the way in which He chooses to present it, through the Phoenix Journals. Thus, these journals are Truth, which cannot be copyrighted; they are compilations of information already available on Earth, researched and compiled by others (some, no doubt, for this purpose) which should not be copyrighted. Therefore, these journals are not copyrighted (except *SIPAPU ODYSSEY* which is “fiction”).

The first sixty or so journals were published by America West Publishing which elected to indicate that a copyright had been applied for on the theory that the ISBN number (so necessary for booksellers) was dependent upon the copyright. Commander Hatonn, the primary author and compiler, insisted that no copyrights be applied for and, to our knowledge, none were.

If the Truth is to reach the four corners of the world, it must be freely passed on. It is hoped that each reader will feel free to do that, keeping it in context, of course.

REC #2 HATONN

FRI., JAN. 30, 1998 7:36 A.M. YR. 11, DAY 167

FRI., JAN. 30, 1998

GET IN NOW

I must suggest to my own team that you wrap up the current journal in the series--please, appropriately integrate Sananda's writings henceforth because we are going to uncover the whole rotten mess and we are going to do it with information ALREADY ON YOUR PLACE FOR CENTURIES.

I would like the next series of journals to be listed as *RISE OF ANTICHRIST*.

What will I use to kick off this next information? Some Essays on Antichrist as offered by Rev. Charles E. Coughlin. If you know of him, fine; if not, never mind. He served well, he understood, and he can have what rest can be gained by his work's purpose and his alliance with God. You will NOT find this book available anywhere, probably, so don't waste your time searching. This was sent to us to assist Dharma in her own work, by excellent summarizing which gives YOU published backup and confirmation. Is it not amazing how "when the student is ready, the teacher appears?" And, isn't it wondrous that when we are ready to begin a new and touchy topic--the information flows like a fountain from the mountain?

I will begin in this series by simply offering the message offered by Coughlin:

[QUOTING:]

TO MY FRIENDS

In sending you this series of essays on Antichrist, it is with the hope they will confirm, not weaken your faith.

Both of us agree at the outset that it is a dangerous venture to criticize authority, particularly when it is instituted by Christ. **[H: Note that he did not say "Jesus Christ". This indicates that he recognizes the avenues taken by the appointment of "Jesus" (after the fact) to bear the burden of sin for the world no less, but, he will isolate the Antichrist. Remember that "Jesus" (Esu) and "Jesus" of Saul's appointment are NOT THE SAME EVEN THOUGH THE NAMES BE THE SAME.]** Nevertheless, it is my conviction that it is perilous to forget that one is morally obligated to raise his voice in protest when he is confronted by an official or officials in or out of the Church who fail to support the fundamental principles upon which the structure of Christianity is built.

That is the dilemma in which I find myself. May God forgive me if my reasoning is wrong!

In founding the Church, it is my conviction that Christ did not plan to create a failure. On the contrary, with the manifold graces which He conferred upon both its officials and its common citizens, that they would be able to accomplish the objectives which the Master had in mind. Among

these objectives is the salvation of human souls which is obtainable through their victory over sin and Satan; a victory which will be followed by the resurrection from the dead and life everlasting with God in eternity.

Beyond all argument, catastrophic events have happened inside the Catholic Church which are obstructing millions of Christians from attaining this goal. Certainly, our most generous Saviour is not responsible for this. Rather, those to whom He entrusted the fulfillment of His triple mission must accept the responsibility. It was they who failed to execute properly their three obligations:

- (a) Of teaching.
- (b) Of ruling.
- (c) Of sanctifying the people.

The prelates, not the laity, must bear the major share for what has happened in the life of the Mystical Body of Christ. Though these elite personages are mere human beings burdened with the weakness of fallen human nature, nevertheless, through His sacramental graces, God gave them powers both to resist and overcome their weaknesses as well as the cunning wiles and incomprehensible powers of the devil.

In no sense, do these essays supply a complete picture of the Antichrist. They are a charcoal sketch representing an octogenarian's truthful assessment of the Christian world as he sees it.

Had I more resources in talent, time and finances, I would have given you a more complete analysis of the situation.

Meanwhile, I beseech you to pray for me because I am conscious of having entered into the December of life, soon to end my tour as a member of the Church militant.

At this point I wish to thank each one of you for the gracious prayers and the material help you have extended to me during the many years of my priesthood, particularly, for the help you sent me in composing, publishing and mailing this costly book.

May God bless you, your family and loved ones with health of body, serenity of mind and holiness of heart now and forever!

Gratefully,

Rev. Charles E. Coughlin

[END OF QUOTING]

To you who will compile this into journal format I suggest you wait patiently while we work our way through it. You have enough ready to go as to boggle the public for a couple of days, so let us do our work and at compilation time of the journal you will have the Essays (as this is the style of writing this small volume) and AN INDEX of the Essay Topics.

You will want to affix Coughlin's "Foreword" (above) within the final journal as printed, and we will write a foreword of our own. If you think WE HAVE PROBLEMS can you imagine the problems faced by such a man in his eighties within the Catholic Church writing on *Antichrist*? We can, at best, any of us, integrate only that which we have learned, false or truth, and work through

the mind the conclusions of LEARNED RESEARCH and THEN, be able to live with it in such dedication as to offer it for historical value--to any who would read it.

With volumes of compiled work showing no information, we are stuck with having to re-print the entirety of the subject matter and conclusions because there is no such thing as borrow a disc and go for it. This volume, like so many, bears NO IDENTIFICATION AT ALL. And NO, we are not fearful in the least of making it available to the public. PUBLIC IS WHERE IT'S AT IF YOU EVER WANT CHANGE TO FREEDOM WITHIN YOUR ENSLAVEMENT.

I will leave the structuring of this journal into your hands. Thank you, and I repeat that you will want this "foreword" up front. This is in HONOR of one who will not, in God, go unnoted in the passage into LIGHT.

Thank you,
Adonai.

RISE OF ANTICHRIST

PART ONE

KILLERS OF WOMEN AND CHILDREN!

Saddam Hussein? Oh no, sleeping babies--YOU! YOU are going to murder hundreds of thousands of helpless men, women and children of Iraq and you sit with the morning crowd at the coliseum waiting for the gladiators.

I hope you took a real long, hard look, Black Brothers, at the young Sergeant brought to "State of the Union" to decorate Clinton's show-and-tell. For indeed, your gladiators in the military--you know, bullet catchers--are mostly Black, just as are your sports gladiators entertaining the bored and restless. Now you take a whole different role, don't you?

The top-guns will roll off the runways and carriers with death and destruction (you know, in those WEAPONS OF MASS DESTRUCTION), and over some barrels of oil which the Elite HAVE THIEVED, "YOU" WILL BOMB TO HEAVEN INNOCENT PEOPLE WHO WOULD ACTUALLY GIVE THEIR VERY LIVES--**FOR YOU!** These people receiving those bombs are NOT GOING TO HELL, my friends, THEY ARE GOING TO HEAVEN; BUT, I ALSO KNOW WHERE A BUNCH OF **YOU** ARE HEADED! I can watch and only wonder how many of you will think you have died and gone to paradise with the thugs and criminals of the physical world who are as dead between their ears and in the seat of life as ever.

Jew Madeleine Albright, Secretary of State, is swimming all over Europe trying to get someone else to join her lust for BLOOD. How many will hold out in the name of what is right? It is so important because these things that happen NOW ARE TO TELL THE BIG BAD WOLVES JUST HOW FAR THEY DARE GO. And further, what is the purpose?

Well, UNILATERALLY IF NECESSARY, goes the threat, the U.S. will do the job of blowing Iraq off the map. Perhaps this has its own symbology for Sumaria is in Iraq, as is Babylon. I guess some day the writers will say a bunch of Godly men marched around the cities until the walls fell down and all the enemies were dropping dead before the Godly?

No, YOU are a breed apart and you have become the mongrel hounds of Hell, citizens. Somebody tell me what Saddam has ACTUALLY DONE? He DID NOT kill off the northern Iraq people with chemicals--but you have, all around the country, some even in your overseas manufacturing facilities that blew up around the workers.

And why do you want support? Oh, this one is even better: "We would otherwise appear to have killed a lot of people and would lose our image as humanitarians..." rattle on and on the instigators of chaos. My goodness, chelas, you can't bomb homes, hospitals, and playgrounds without hurting

whoever happens to be in them. Perhaps you can blow away the whole of Iraq and without loss of even one pilot. Big deal? "No losses!" the report will read and YOU WILL ACCEPT IT AS BEING NUMBER ONE ON SUPERBOWL SUNDAY. You ARE number one in almost everything immoral and despicable--the epitome of example of Satanic mind-set.

But, if it is wrong, won't GOD intervene? NO. GOD will wait to see how bad you can really get. You have let this happen and you will be held responsible.

Now comes forward Jew Cohen and says the job must be done and done immediately (you know, that killing of Israel's enemies). Haven't any of you noticed that you have the most disgusting bunch of alien slime ever to grace your globe--running your globe? The Alien Serpent People have arrived long ago and you never even noticed while you wait for an invasion of grasshoppers from Mars. Sorry, if you get grasshoppers it will be directly from genetic/DNA alterations at places like Area 51 in Nevada, lizard relatives from Northrop, and right off the drawing boards of Zionists like Spielberg. From the dwarfs with oversized brains and egos come your alien factions. All this while you watch the confusion over a President's "maybe" indiscretions.

What exactly did you think Antichrist would be? You have been told since the beginning of life forms as you know them to be, and like the lap-dog of the Master Executioner, you lick the hands, feet, and other parts of the BEAST!

These usurpers COME BEFORE YOU AND TELL YOU EXACTLY WHAT THEY ARE GOING TO DO--and YOU ATTEND a possible screw-up in Washington, the capital of screw-upping.

Let me repeat: Your Secretary of State, an Ex-President, the Secretary of Defense, the Secretary of Treasury and other top-level killers and criminals are going to move you unilaterally into a WORLD WAR of such devastating proportion that obviously you cannot even imagine it if all you can do is sit and stare at a box to see what new garbage comes out of who? A little Jewish Girl from Beverly Hills. Who, by the way, worked her way up the ladder into the Pentagon where she was in a position where every secret of the Pentagon was at her disposal. Not bad for a little lizard girl who wanted fame and power.

Do nations actually FALL because of such antics? Indeed, the whole world folded under this one. Surely enough and right on cue the great gods of the sky are going to RAPTURE millions within the next few months--will you be among them? If you are waiting for some Godly rapture, I hope you ARE among them. You are of a primitive society of human replicas that have learned nothing of wisdom in your classrooms and followed the criminals and buffoons. You have surely graduated--into HELL. I cannot be objective about these things, for you, the very people of perfect Creation, are violent, blood-sucking killers. If I am to be proud, and assist YOU WHO ALLOW THIS, EVEN IF NOT ACTUALLY PARTICIPATING--FORGET IT, MY FRIENDS. God will first attend the souls of the "underdog", good buddies. By the way, DO YOU HAVE YOUR TICKET IN HAND TO THE LUXURY CLUB INTERNATIONAL IN AUSTRALIA? NO? OOPS!

All for a New World Order you work and work and play. For your own enslavement you pay and pay and play. GOD will NOT preserve you from your enforced ignorance.

Since we offered the Introduction to our new series yesterday, we will label this Part One or "chapter" one as corresponds to the numbered Essays presented. This will be:

[QUOTING, ANTICHRIST, Coughlin (Circa 1970):]

ESSAY ONE

ONE WORLD UNION WITH OR WITHOUT GOD

Human efforts to unify the nations of the world under one flag, one faith, one constitution, one court, and one code of morals have failed and will continue to fail because man, by himself, is impotent to purge his veins of the blood of Cain.

In His mission to save mankind there was no dogma more forcefully stressed by Christ than was Unity. If, in the beginning, men were fashioned to live in a free world under a common code of morals and a common inclination to adore God, they were also infused with a common love for one another, all of which was shattered by Cain's crime. To restore the ideal Christ, the Saviour, demanded the revival of love. This was His formula, namely, to love one another, to regard every human being as a brother to be served, as a freeman to be respected, as a son of God to be revered.

Christ also enunciated two basic social principles, namely (1) "Whatsoever you do to the least of My little ones you do unto Me." And (2) "Seek ye first the Kingdom of God and His Justice and all things will be added unto you." On these principles Christ's entire edifice of political economy was erected and upon this foundation depends the structure of peace and prosperity throughout the entire world. Without the acceptance of these principles there can be no unity.

On the contrary, both the architects of Communism and the United Nations depend on the false theory that man can perfect himself. Thus their instrumentalities to acquire peace and prosperity are humanistic. God does not enter into their calculations.

[H: To save editors some time: "christian" will be spelled with a small "c" because it is not a name, it is a state of being and should not be capitalized. This author has done this correctly and where he wishes to capitalize the term we will be most careful. "C"ommunism will likely be capitalized as will any "P"arty, but communism IS NOT Communism, etc.]

As affairs stand (1970-2000) the contest is between Communism and christianity. *Democracy, as we know it, has degenerated below the level of atheistic Marxism.* In fact the contest in which Moscow and Washington are now engaged is a contest between two atheistic states, one admittedly so, and the other hypocritically so; one definitely opposed to God and religion, the other clumsily tolerating both God and the Church.

In the following essay more stress will be placed upon a little known American organization which goes under the title of Council on Foreign Relations (the C.F.R.) which the reader will learn *is the spearhead for this nation's latest effort to unite the world.*

Meanwhile, it poses a challenging problem to christians because of the confrontation of their faith with the philosophies and atheistic tendencies of the C.F.R. on whose committee serve such gentlemen as the Very Rev. Theodore Hesburgh of Notre Dame University.

On most items of faith and morals, christianity and the C.F.R. stand opposed. To support it and its projects, one must condone unjust taxation, spurious racism, atheism in the schools, legalized abortion in the hospitals, and the acceptance of a materialistic concept of life. This, then, is the hour of truth and decision both for christians and their leaders.

This and the following essays will indicate a few highlights of Satanism and the Antichrist.

If on no other basis than the Christly concept of political economy enunciated in the "Seek ye first the Kingdom of God and His Justice..." the uncomfortable adverb "first" leaves no choice to determine what should be first.

Orthodox christian theologians and Fathers of the Church insist upon the preeminence of Faith, Hope and Charity without which it is impossible to construct the intellectual edifice of christianity. And it was Christ, Himself, who stressed the necessity of receiving the sacraments in order to weld the links of the chain which unites His followers into an invisible, mystical union both amongst themselves and to Him; for there can be no practical amalgamation of individuals without their being identified mystically with their Saviour. This goes beyond the thought which reads, In Him we live, move and have our being." It is more closely associated with the concept that "He who eateth My Flesh and drinketh My Blood abideth in Me and I in Him;" and with a second concept which reads, "He who heareth you, heareth Me." All in all, the union which Christ has in mind is one which unites all christians in one body; and this body--the Mystical Body of Christ--is united with the Redeemer in matters which transcend the body. I mean the intellectual union which is related to God through the voice of His Vicar, the Pope. **[H: Please keep in mind that Rev. Coughlin was a Catholic Father so he can only relate to that which he had experienced and come to realize/know. Let's not be hard on the man since look at us and see that it is until NOW that you knew NOTHING of TRUTH.]**

To write of this double union, one of the body and the other of mind, is not only difficult for christians to understand but is objectionable to non-christians. In fact, it is odious to them.

Nevertheless, this dual union supplies the foundation for the common code of morals, a common credo of faith and a common brotherhood.

For Catholic Christians **[H: "C" is suitable.]**, therefore, it is not difficult to accept the One-ness which is demanded of them. And for non-christians who reject Christ and the total idea of His being the head of the human family, both physically and intellectually, this type of union is so obnoxious that Christ remarked His Church "will be hated by all nations". That is an inevitability which christians cannot escape.

We pause to ask ourselves whose world is this when out of its 3-billion population fewer than 500-million are nominal Catholics; and as the years rapidly go by, there will be fewer? God still owns the universe and the Earth and all it contains *but Satan possesses the Earth and will possess more and more of its population between now and the year 2000.*

It is required of us to distinguish between ownership and possession. As owner of the universe it has been God's plan to have it united. As the possessor of the Earth and its inhabitants, it is Satan's plan to have it divided. **[H: Like everything presented by "Satan" from name-thieving to illusion--you will not be getting what it appears to be. The very label "New World Order" or "One" world order indicates unity--but it is total division!]**

The Earth is held captive as are its inhabitants by the Prince of this world as was predicted by God, Himself.

But eventually the owner will oust the unjust possessor. There will be a **SECOND COMING**

OF CHRIST; THERE WILL BE TOTAL VICTORY FOR CHRIST. [H: !!!!!]

This, then, is the contest, namely, between the christian Church and its antagonists who are classed under the one common denominator of those who oppose Christ and His program of unification with God under a supreme Vicar, the Pope. **[H: You will note that the MEANING of "catholic" means "universal" so don't get very hung-up on thinking Holy Roman "Catholic".]**

Unfortunately, this is the low ebb of the tide of the Church Militant. This is the sixth stage in its era of evolution and in its encounters with Satan. To my mind these are the six:

- (1) Arianism in the fourth century which denied the divinity of Christ.
- (2) Pelagianism in the sixth century which denied original sin and the need of God's grace to accomplish salvation.
- (3) Mohammedanism in the seventh century, which was an outgrowth of both Arianism and Pelagianism; and which advertised the materialist concept of life.
- (4) Lutheranism in the sixteenth century which taught justification by faith only and the right of private interpretation of Scripture and private judgment in the matter of morals.
- (5) Marxism in the nineteenth century which advocated total atheism and materialism.
- (6) Modernism in the twentieth century which legalized and sanctified crime and abortion, thereby reaching the apex of anti-religious evolution which, for the time being, is called **EVILISM**.

The Catholic hierarchy is bewildered. This is judged by the rapidity with which events have happened since 1968; and this bewilderment will be handled at more length in following essays.

[END OF QUOTING]

Is it not painful to realize that people in very responsible positions first had truth and then truth became a shadow while the myth became the ongoing story--then, finally, the myth fabrication itself became totally accepted as TRUTH?

Note that the myth was begun and continually perpetuated through the very ones, the Pharisees, whom the Great Teacher said were "of your Fathers who are liars and thieves from the BEGINNING". Sorry about that, readers, I didn't make the myth, I am simply trying to show you the absurdity of it.

If a writer goes forth and claims Dharma's name and my input, there will be a long haul where nobody knows the difference--EXCEPT FROM THE WRITINGS THEMSELVES. This is as an example in the *Associated Press* at the arranging of Green-Abbott: "[Doris] claims to be Jesus Christ." Say what? If you have read ten things we have presented it would be instantly clear that the TALE COULD NOT BE TRUTH. Neither she nor I would EVER claim such a LIE. But how do you battle this kind of adversary with a whole system behind him? YOU TELL THE TRUTH. AS MANY TIMES AS "THEY" TELL THE LIE--**YOU TELL THE TRUTH**. IF, FURTHER, YOU HAVE A NETWORK--YOU TELL IT TO ALL YOU CAN REACH. ONLY KNOWLEDGE WILL ALLOW YOU TO RECLAIM THAT WHICH IS YOURS--GOD!

It is a very, very difficult time for, again as example, Dharma, who wants NO ATTENTION, AND, I MUST HAVE GREAT PUBLICITY IF WE ARE TO BE HEARD. WE CERTAINLY "CAN" HAVE BOTH IF YOU WILL BE CALLING HER DHARMA SO THAT ONCE CREDENTIALS ARE EXPRESSED AS TO PARTY AND ADVERSARY, WE DON'T HAVE TO SPEAK OF IT

AGAIN. THIS WAS PROMISED TO HER IN THE BEGINNING OF OUR WORK. I TOLD HER THAT SHE WOULD GO THROUGH SOME BAD TIMES WHERE EVEN IN HER LOCAL COMMUNITY SHE WOULD BE SMASHED AND DENIED AND THEN WE WOULD WALK IN THE SUNSHINE FOR THE REMAINDER OF OUR JOURNEY. AH, WE GET A GLIMPSE OF THAT WONDERFUL SUN PEEPING THROUGH! SO MANY OF YOU OUT THERE HAVE WALKED EVERY STEP OF THE WAY WITH US--**EVERY ONE**. Gratitude is insufficient in its encompassing meaning--but it becomes very clear who IS OUR FAMILY.

On the yesterday came a box, now almost a regular happening, to Dharma and Oberli--from M.G. This person has literally WOVEN and spun cloth and then sewed garments for Dharma over the years that are priceless in meaning to this typist. J.B. literally sent angels and diamonds for "MY" cause and use. Oh indeed, there are people who care beyond your wildest imaginings. From Arizona will come a box of books, from Virginia, Pennsylvania and Paris, France will come boxes of books for confirmation and support. From Texas come writers and some who are far more informed than we. These are also the ones who give us credibility and testimony in the courts under the worst of thieving circumstances. GOD WILL SEE US THROUGH, PROPERLY, IN PERFECT SEQUENCE AND IN SAFETY AND SECURITY--AS LONG AS WE SERVE IN HONEST HONOR AND INTENT. DO YOU ACTUALLY THINK THAT GOD WOULD FORSAKE A CHILD ON DEATH ROW IN TEXAS--BECAUSE SHE NEVER HAD A CHANCE TO HEAR THE DIFFERENCE IN JESUS AND ESU? DON'T BE SO NARROW, STUDENTS. WHAT IS IN A NAME IS NOT WHAT IS IMPORTANT--THE ENERGY IDENTIFICATION IS THE TELLING TRUTH. You can call me Ray, or Bob--Dick or Harry and I AM HATONN, servant unto and within ADONAI-GOD. **YOU CANNOT CHANGE THAT FACT ANY MORE THAN I WOULD CHANGE THE COLOR OF YOUR SKIN, HAIR OR EYES. A BLACK MAN CANNOT GET AWAY WITH CALLING HIMSELF WHITE--BUT REMEMBER THIS: NEITHER CAN A PALE-PINK MAN WHO PRETENDS HE IS "WHITE"**.

Esu doesn't object to being called "Jesus" if the intent be toward Christ being. The SOUL ENERGY responds, not by a label or tag

When you all get this down straight and clear, we have a real opportunity to go for the goal.

As we go along here the TRUTH outshines the lies, EVERY TIME, no matter where and to whom the lies were told. I recall that in a sworn-under-oath affidavit Ence said that Ekkers were packed and ready to run to Mexico or South America--"Their things are packed in the crawl-space under their house." My, and just HOW would Ence know ANYTHING about Ekkers unless he truly did come in and remove some funds from the office area--in an amount only he seemed to know and "tell on himself".

Will these things ever come forth in the courts? Does it matter, readers? YOU know and therefore it is only obvious that GOD KNOWS and is this not enough to totally devastate a man who lies, cheats, steals and vandalizes?

Can a practicing *Coven Witch* come and move in with one of our neighbors and friends and FOOL HIM? Of course she could and did pull him COMPLETELY from HIS PATH IN TRUTH. Now, she is gone, the man devastated, the funds spent on her and lawyers--while the whine and cry is, "They did it to me." Sad? Despicable is a better term--but TYPICAL. Follow the gold and you follow, usually, Satan. Give a gift, or make a loan of currency, to God for use and then demand it back with interest in GOLD and you have blundered pretty badly; I don't care who gave you the ill-advice. It is you who take and act on the input, so blame whomever you wish--but TRUTH WILL

OUT! IF A LAWYER FROM THE "CLUB" IS GIVING YOU ADVICE WHILE YOU PAY FOR IT--I WOULD START MY CAMPAIGN OF RECLAMATION RIGHT THERE! Any person (IS NOT A "MAN") who would cheat, steal, and lie even unto his CLIENTS is not just a criminal--he is a buffoon fool. The only greater buffoon fool is the one who lets him do it. And when you participate in spreading the lies about other parties--internationally through the media--YOU HAVE REALLY BLUNDERED FOR THE MEDIA PEOPLE HAVE TO STAND RESPONSIBLE FOR THE LIES YOU FED THEM. ENCE/ENZ ACTUALLY WENT BEFORE THE EXTRA CAMERAS IN BLACKOUT (FOOLING NOT ONE VIEWER) AND STATED STUPID THINGS LIKE ARSENALS AND AMMUNITION STASHES AND OTHER TOTAL FABRICA-

11

TIONS AND THEN STATED HE FEARED FOR HIS LIFE. PERHAPS HE SHOULD! HE WAS PLAYING WITH A COUPLE OF ELDERLY PEOPLE WHO FIT NONE OF HIS DESCRIPTION--BUT HE WAS LYING AND CAUSING A MAJOR MEDIA GIANT TO LIE--INTERNATIONALLY. GET ON WITH THIS, TEAM. YOU ARE RUNNING OUT OF TIME. EXTRA WANTS TO "GET THE BASTARDS" AND PERHAPS SINCE THEY HAVE NOT LEARNED A DAMNED THING OTHERWISE--IT IS TIME TO OFFER RELEASE TO THE OTHER DAMAGED PARTIES. THESE PROGRAMS HAVE A DIFFICULT TIME AT BEST TO GET TRUTH AND AVOID THE PITFALLS OF LIARS AND CHEATS--SO THEY DESERVE OPPORTUNITY TO ACT AND THEY CAN'T UNTIL YOU **DO, OR GIVE THEM PERMISSION.**

I have to note to you readers that the described "*Palatial Compound owned by the Ekkers and where they hole-up...*" is a lovely RENTED house without so much as a fence on ANY SIDE. The "Compound" is a lovely Mediterranean home that was TAKEN BY THE SAVINGS AND LOAN AND INSTIGATED IN THE TAKING BY JASON BRENT AND, YES, GEORGE GREEN WHO BACKS THE STORIES TOLD BY THE LIARS OF THE BAR. It has wildflowers in the Spring, violets and marigolds here and there--but not even a fence. The wildlife is welcomed for a drink and the birds panhandle--nothing more. It was claimed that Dharma heads a UFO cult who advocates MASS SUICIDE to coincide with the Heaven's Gate bunch. She is also presented as THE anti-Semitic party and writer of the century. So be it. Yes, it IS time to allow Extra to claim their honor again. We have had not one inkling of apology, only more trashing from the trashers. Well, we'll see who ends on the garbage heap.

If you can't CLEAN UP your own doorsteps, my friends, how can you expect to bring anything to a deceived people? When you get to cleaning, we will get to "giving". Does everybody understand me? Does ANYBODY understand me?

Ah, and so be it, ye of little faith--is not God great enough to see you through? Adonai.

CHAPTER 2

SANANDA: IT IS TIME TO AWAKEN FROM THE LIE

2/5/98 ESU "JESUS" SANANDA

Esu Sananda present in Radiance. I come in Service to instruct you and to offer freely answers to your queries. I come with THE HOSTS OF GOD! I am returned on a magnificent craft which we call *The Phoenix*. Oh ye of little minds, blurred vision, and no faith! You shall be given to see the magnificence of Creator.

You are people of *THE LIE*! EVERYTHING ABOUT YOUR SOCIETY IS A LIE. YOU HAVE LOST THE TRUE VALUES THAT HAVE MERIT AND REPLACED THEM, ACCORDING TO THE BLUEPRINTS OF THE *PROTOCOLS OF THE LEARNED ELDERS OF ZION*.

YOU HAVE TAKEN THE BAIT--HOOK, LINE, AND SINKER, AND YOU DON'T CARE ENOUGH ABOUT YOUR PLIGHT TO PULL YOURSELVES UP AND REMOVE THE SOURCE OF YOUR ENSLAVEMENT.

WE SHALL NOT DO IT FOR YOU. WE COME TO INSTRUCT IN THE WORD, THE TRUTH, AND THE LIGHT. IT IS UP TO YOU TO MAKE YOUR OWN CHOICES ABOUT YOUR OWN FREEDOM OR YOUR OWN CONTINUED ENSLAVEMENT.

YOU CANNOT FATHOM, FROM YOUR LIMITED PERSPECTIVE, THAT WHICH GOD TRULY IS, AND IS ABOUT. HARKEN UP! LISTEN TO THE MESSAGES BEING PROVIDED AT THIS TIME, FOR THEY ARE INSTRUCTIONS AND THEY CONTAIN WITHIN THEM THE KEY THAT WILL UNLOCK THAT WHICH HAS KEPT YOU ENSLAVED AND IN DARKNESS.

In the days before us I will be offering many passages from a variety of sources; some I will name and others I will choose to leave unnamed. You will find truth contained in all of it, and you will also find, scattered throughout, THE CONTINUED LIE.

IT IS SO VERY SUBTLE, AT TIMES, THAT IT ENTERS IN ON STOCKING FEET AND WHISPERS UNTIL, SUDDENLY AWARE, IT IS TOO LATE FOR YOU TO REALIZE THAT YOU HAVE BEEN HAD!

PAY ATTENTION TO THE LESSONS I BRING TO YOU, FOR I WILL NOT LEAD YOU ASTRAY. MANY OF THE PASSAGES THAT YOU WILL READ WILL BE, AS I SAID BEFORE, STRANGE TO THE EAR, FOREIGN, UNUSUAL.

AH--BUT DOES THAT MEAN THAT YOU CANNOT LEARN FROM THAT WHICH YOU HAVE NEVER HEARD BEFORE? OH CHILDREN OF THE LIE, PAY ATTENTION! THE HOUR IS DRAWING NIGH FOR THE FINAL CHOICES THAT WILL DETERMINE YOUR PLACEMENT FOR THE REST OF YOUR SOUL-LIFE'S JOURNEY.

THESE THINGS **ARE IMPORTANT**. DO NOT CAST ASIDE YOUR LIFE-RING TO WATCH TELEVISION OR SOME OTHER MINDLESS ACTIVITY. PAY ATTENTION!

I AM NOT SAYING DO NOT WATCH TELEVISION; I AM SAYING THAT THE PRIORITIES TOWARD GOD AND FREEDOM FROM ENSLAVEMENT OUGHT TO TAKE PRECEDENCE OVER ENTERTAINMENT.

AH--BUT IT IS A FREE-WILL PLANET AND THOSE ARE AMONG THE CHOICES YOU MAKE. HOW WILL YOUR PASSAGE IN THE BOOK OF LIFE READ? ARE YOU SURE YOU WILL MAKE IT TO THE BOOK OF LIFE? YES, THESE THINGS DO, INDEED, MATTER.

FEAR IS THAT WHICH KEEPS YOU ENSLAVED. KNOWLEDGE = FREEDOM. WISDOM IS SOMETHING YOU MUST ATTAIN THROUGH CORRECT CHOICES AND UTILIZATION OF THAT WHICH YOU HAVE LEARNED.

THERE IS MUCH THAT I WISH TO BRING, AND IT WILL COME THROUGH THESE HANDS. MUCH OF IT WILL BE RETYPED MATERIAL, QUOTED MATERIAL, BUT AS WITH OTHER RECEIVERS, IF ONE CAN TYPE IT, YOU CERTAINLY CAN FIND THE TIME TO READ IT.

Be kind to one another. Be kind to self. Be ever on your guard, for evil is always ready to POUNCE AT THE SLIGHTEST CRACK IN THE SHIELD. MAINTAIN YOUR LIGHT SHIELDS FOR THEREIN IS SAFETY AND WISDOM.

I AM SANANDA, signing off for now.

PEACE AND BLESSINGS UNTO YOU.

2/7/98 #1 ESU "JESUS" SANANDA

Good morning. Esu Immanuel present in Radiance--or IN LIGHT, which perhaps is better to your understanding of the term. I come in Service.

Let us begin this morning by utilizing an ancient writing, author unknown. This tractate was titled (by modern scholars) *On The Origin Of The World* and is introduced (and translated) by Hans-Gerhard Bethge. In his introductory remarks he notes, in part:

[QUOTING:]

It is a compendium of central gnostic ideas, especially on cosmogony, anthropology, and eschatology. Based on various sources and traditions, the treatise is in part presented in a semi-scholarly style, with numerous etiologies and etymologies. It is in the form of an apologetic tract designed for public effectiveness in attracting adherents. Earthly history, but also the presentation of the world above, including its development, are largely ignored. On the basis of the unnamed and unknown author's intention, stated at the beginning and then carried through in the text itself, scholarship has assigned to the document the hypothetical title *On The Origin Of The World*.

There are good reasons to assume that we have to do with a conscious, well-planned literary composition without extensive secondary alterations, rather than with the produce of a rather long process in the transmission of tradition. **The early fourth century could possibly be the time of composition. [S: Emphasis added.]** The remarkable mixture of various kinds of Jewish views, Manichaeic elements, Christian ideas, Greek philosophical conceptions, and figures of Greek or

Hellenistic mythology, magic, and astrology, as well as a clear emphasis on Egyptian thought, all point to Alexandria as the probable place of origin for the Greek original of *On The Origin Of The World*. [S: That is quite a mixture of influences. Let it also be noted that this was an extremely active time period for documenting "religious" thought.]

[END QUOTING]

Portions of the original document (tractate) are missing. These gaps in the text will be noted herein with the addition of this symbol: **I**. Let us begin, now, quoting, at least in part, from *On The Origin Of The World*. You will find that the writing is allegorical and metaphorical in nature. Keep this in mind, please.

[QUOTING:]

Seeing that everybody, gods of the world **I** and mankind, says that nothing **I** existed prior to chaos, **I** **I** in distinction to them shall demonstrate that they are **I** all mistaken, because they are not acquainted with the origin **I** of chaos, nor with its root. Here is the demonstration. How well it suits all men, on the subject of chaos, to say that **I** it is a kind of darkness! But in fact it comes from a shadow, **I** which has been called by the name darkness. And the shadow **I** comes from a product that has existed **I** since the beginning. It is, moreover, clear that it (viz., the product) **I** existed before chaos came into being, and that the latter **I** is posterior to the first product.

Let us therefore concern ourselves **I** with the facts of the matter; and furthermore, with the first **I** product, from which chaos was projected. And in this way the truth will be clearly demonstrated.

After the natural structure of the immortal beings **I** had completely developed out of the infinite, **I** a likeness then emanated from Pistis (Faith); **I** it is called Sophia (Wisdom). It exercised volition **I** and became a product resembling **I** the primeval light. And **I** immediately her will manifested itself **I** as a likeness of heaven, having **I** an unimaginable magnitude; **I** it was between the immortal beings and those things that **I** came into being after them, like...: she (Sophia) **I** functioned as a veil dividing **I** mankind from the things above.

Now the eternal realm (aeon) **I** of truth has no shadow outside it, **I** for the limitless light is everywhere **I** within it. But its exterior is shadow, **I** which has been called by the name darkness. From **I** it there appeared a force, presiding over **I** the darkness. And the forces **I** that came into being subsequent to them called the shadow **I** "the limitless chaos". From it, **I** every [kind] of divinity sprouted up **I**...together with the entire place, [so that] **I** also, [shadow] is posterior to the first product. It was < in > the abyss that [it] (shadow) appeared, **I** deriving from the aforementioned Pistis.

Then **I** shadow perceived that there was something **I** mightier than it, and felt envy; and when it had become pregnant **I** of its own accord, suddenly it **I** engendered jealousy. Since that day, **I** the principle of jealousy amongst **I** all the eternal realms and their worlds has been apparent. Now as for that jealousy, **I** it was found to be an abortion without **I** any spirit in it. Like a shadow it came into existence **I** in a vast watery substance. Then **I** the bile that had come into being out of the shadow **I** was thrown into a part of chaos. **I** Since that day, a watery substance **I** has been apparent. And what sank within **I** it flowed away, being visible **I** in chaos; as with a woman giving birth to a child **I** -- all her superfluities flow out; **I** just so, matter came into being out of **I** shadow and was projected apart. And it (viz., matter) did not **I** depart from chaos; rather, matter was in chaos, **I** being in a part of it.

And when these things had come to pass, then Pistis came **I** and appeared over the matter of **I** chaos, which had been expelled like an **I** aborted fetus -- since there was no spirit in it. For all of it (viz., chaos) **I** was limitless darkness **I** and bottomless water. **I** Now when Pistis saw what had resulted **I** from her defect, she became disturbed. **I** And the disturbance appeared, as a **I** fearful product; it rushed [to] her in **I** the chaos. She turned to it and [blew] into **I** its face in the abyss, which is below all the heavens.

And when Pistis **I** Sophia desired to cause the thing **I** that had no spirit to be formed into a likeness **I** and to rule over matter and over all her **I** forces, there appeared for the first time **I** a ruler, out of the water, **I** lionlike in appearance, androgynous, **I** having great authority within **I** him, and ignorant of whence he had come into being. **I** Now when Pistis Sophia **I** saw him moving about in the depth of the waters **I** she said to him, "Child, **I** pass through to here," whose equivalent is "*yalda baoth*".

Since that day there appeared the principle **I** of verbal expression, which reached **I** the gods and the angels and mankind. **I** And what came into being as a result of verbal expression, **I** the gods and the angels and mankind finished. **I** Now as for the ruler Yaltabaoth, **I** he is ignorant of the force of Pistis: **I** he did not see her face, rather he saw **I** in the water the likeness that spoke with him. **I** And because of that voice, he called **I** himself Yaldabaoth. But **I** Ariael is what the perfect call him, for he was like **I** a lion. Now when he had come to have authority over matter, **I** Pistis Sophia withdrew up **I** to her light.

When the ruler saw **I** his magnitude -- and it was only himself **I** that he saw: he saw nothing else, **I** except for water and darkness -- then he supposed **I** that it was he alone who existed. His **I** was completed by verbal expression: it appeared as a spirit moving to and fro **I** upon the waters. And when that spirit **I** appeared, the ruler set apart the watery substance. **I** And what was dry **I** was divided into another place. And from matter **I** he made for himself an abode, and he called **I** it heaven. And from matter, **I** the ruler made a footstool, **I** and he called it Earth.

Next, **I** the ruler had a thought--consistent with his nature--**I** by means of verbal expression he created an androgyne. **I** He opened his mouth and cooed to **I** him. When his eyes had been opened, he looked **I** at his father, and he said to him, "Eee!" Then his **I** father called him Eee-a-o (Yao). Next he **I** created the second son. He cooed **I** to him. And he opened his eyes and said **I** to his father, "Eh!" His father called **I** him Eloai. Next he created **I** the third son. He cooed to him. And he opened his **I** eyes and said to his father, "Asss!" His **I** father called him Astaphaios. These **I** are the three sons of their father. **I**

Seven appeared in chaos, androgynous. **I** They have their masculine names **I** and their feminine names. The feminine name **I** is Pronia (Forethought) Sambathas, which **I** is "week". And his son is called **I** Yao: his feminine name is Lordship.

Sabaoth: his feminine name is Deity.

Adonaios: his feminine name is Kingship.

Eloaios: his feminine name is Jealousy.

Oraios: his feminine name is Wealth.

And Astaphaios, his feminine name is Sophia (Wisdom).

These are the [seven] forces **I** of the seven heavens of [chaos]. And they were born **I** androgynous, consistent with the immortal pattern **I** that existed before them, according to the wish **I** of Pistis: so that the likeness of what had **I** existed since the beginning might reign to **I** the end.

You (sg.) will find the effect of these names **I** and the force of the male entities in the *Archangelic (Book) I of the Prophet Moses*, and the names of the female entities in the first *Book (biblios) I of Noraia*.

Now the prime parent Yaldabaoth, **I** since he possessed great authority, **I** created heavens for each of his **I** offspring through verbal expression--created them beautiful, as dwelling places **I** -- and in each heaven he created great glories, **I** seven times excellent. Thrones and **I** mansions and temples, and also **I** chariots and virgin spirits up **I** to an invisible one and their glories, each one **I** has these in his heaven; mighty **I** armies of gods and lords and angels **I** and archangels--countless myriads **I** -- so that they might serve.

The account of these matters you (sg.) will find **I** in a precise manner in the first *Account I of Oraia*.

And they were completed from this heaven to as far up as **I** the sixth heaven, namely that of Sophia. **I** The heaven and his Earth were destroyed by **I** the troublemaker that was below them all. **I** And the six heavens shook violently; **I** for the forces of chaos knew who it was **I** that had destroyed the heaven that was below them. **I** And when Pistis knew about the breakage **I** resulting from the disturbance, she sent forth her breath and **I** bound him and cast him down into Tartaros. Since that day, the heaven, along with its Earth, has consolidated itself through Sophia the daughter of Yaldabaoth, **I** she who is below them all.

Now when the heavens had consolidated themselves along with their forces **I** and all their administration, the prime parent **I** became insolent. And he was honored by **I** all the army of angels. And **I** all the gods and their angels **I** gave blessing and honor to him. And for his part he **I** was delighted and continually boasted, **I** saying to them, **I** "I have no need of anyone." He said, **I** "It is I who am God, and there is no other one that exists **I** apart from me." And when he said this, he sinned against **I** all tine immortal beings who give answer. And they laid it **I** to his charge.

Then when Pistis saw the impiety **I** of the chief ruler she was filled with anger. **I** She was invisible. She said, "You are mistaken, **I** Samael," that is, "blind god". **I** "There is an immortal nun of light who **I** has been in existence before you and who will appear **I** among your modelled forms; he will trample you to scorn **I** just as potter's clay is pounded. And you will descend **I** to your mother, the abyss, along with those that belong to you. For at the consummation of your (pl.) works **I** the entire defect that has become visible **I** out of the truth will be abolished, and it will cease to be and will be **I** like what has never been." Saying this, Pistis revealed **I** her likeness of her greatness in the waters. And **I** so doing she withdrew up **I** to her light.

Now when Sabaoth the son **I** of Yaldabaoth heard the **I** voice of Pistis, he sang praises of her, and [he] **I** condemned the father...at the word of Pistis; and he praised her **I** because she had instructed them about the immortal man **I** and his light. Then Pistis Sophia **I** stretched out her finger and poured upon him **I** some light from her light, to be a condemnation **I** of his father. Then when Sabaoth **I** was illumined, he received great authority **I** against all the forces of chaos. Since that day he has been called **I** "Lord of the Forces".

He hated his father, the darkness, **I** and his mother, the abyss, and loathed **I** his sister, the thought of the prime parent, **I** which moved to and fro upon the waters. And because of **I** his light all the authorities of chaos were jealous **I** of him. And when they had become disturbed, **I** they made a great war in the seven **I** heavens. Then when Pistis Sophia **I** had seen the war, she dispatched **I** seven archangels to Sabaoth from her light. They snatched him up to the seventh **I** heaven. They

stood before him as attendants. Furthermore she sent him three more I archangels and established the kingdom for him I over everyone so that he might dwell I above the twelve gods I of chaos.

Now when Sabaoth had taken up the place I of repose in return for his repentance, I Pistis also gave him her daughter Zoe (Life) I together with great authority so that she might I instruct him about all things that exist in the eighth heaven. And as he had authority, I he made himself first of all a mansion. It is huge, magnificent, I seven times as great as all those that exist I in the seven heavens.

And before his mansion he created a throne, I which was huge and was upon a I four-faced chariot called I "Cherubin". Now the Cherubin has I eight shapes per each of I of the four corners, lion forms and I calf forms and human forms I and eagle forms, so that all the forms I amount to sixty-four forms--and (he created) seven archangels that stand I before it; he is the eighth, and has I authority. All the forms amount to I seventy-two. Furthermore, from this chariot I the seventy-two gods took shape; they took shape so that they might rule over the seventy-two I languages of the peoples. And by the throne I he created other, I serpent-like angels, called I "Saraphin", which praise him at all times.

Thereafter he created a congregation (ekklesia) of angels, thousands and myriads, numberless, I which resembled the congregation in I the eighth heaven; and a firstborn I called Israel--which I is, "the man that sees God"; and another being, I called Jesus Christ, [S: Pay attention.] who resembles the savior I above in the eighth heaven and who I sits at his right upon a I revered throne, and at his left, there sits the virgin of the holy spirit, I upon a throne and glorifying him. And the seven virgins stand before her, I...possessing thirty harps, I and psalteries and trumpets, glorifying him. And I all the armies of the angels glorify him, I and they bless him. **Now where he sits is upon a throne of light <within a> great cloud that covers I him.** [S: Emphasis added.] And there was no one with him I in the cloud except Sophia <the daughter of> Pistis, I instructing him about all the things that exist in the eighth heaven, I so that the likenesses of those things might be created, I in order that his reign might endure until the consummation of the heavens of chaos I and their forces.

Now Pistis Sophia I set him apart from the darkness and summoned him to her right, I and the prime parent she put at her left. **Since that day, right has been called I justice, and left called I wickedness.** [S: Emphasis added.] Now because of this they all received I a realm (*kosmos*) in the congregation of justice I and wickedness, ...stand...upon a creature...I all.

Thus when the prime parent of chaos I saw his son Sabaoth and the glory I that he was in, and perceived that he was greatest of all the authorities I of chaos, he envied him. And I having become wrathful he engendered Death out of his I death: and he (viz., Death) was established over the sixth I heaven, < for > Sabaoth had been snatched up from there. And thus the number I of the six authorities of chaos was achieved. Then Death, I being androgynous, mingled with his (own) nature I and begot seven androgynous offspring. These are the names of the male ones: Jealousy, Wrath, I Tears, Sighing, Suffering, Lamentation, I Bitter Weeping. And these are the names I of the female ones: Wrath, Pain, Lust, I Sighing, Curse, Bitterness, Quarrelsomeness. They had intercourse with one another, and each I one begot seven, so that they amount to forty-nine androgynous demons.

Their names and their effects you will find I in the *Book of Solomon*.

And in the presence of these, Zoe, who I was with Sabaoth, created seven I good androgynous forces. These are the names of the male ones: the Unenvious, I the Blessed, the Joyful, the True, I the Unbegrudging, the Beloved, I the Trustworthy. Also, as regards the female ones, these are their

I names: Peace, Gladness, Rejoicing, Blessedness, **I** Truth, Love, Faith (Pistis). And **I** from these there are many good **I** and innocent spirits.

Their influences **I** and their effects you will find in **I** the *Configuration Of The Fate Of Heaven That Is **I** Beneath The Twelve*.

And having seen the likeness **I** the Pistis in the waters, the prime parent grieved very much, especially when he heard her voice, **I** like the first voice that had **I** called to him out of the waters. And **I** when he knew that it was she who had given a name **I** to him, he sighed. He was ashamed on account of his **I** transgression. And when he had come to know in truth **I** that an immortal man **I** of light had been existing before him, he was greatly disturbed; **I** for he had previously said **I** to all the gods and their angels, **I** "It is **I** who am god. No other one **I** exists apart from me." For he had been afraid **I** they might know that another **I** had been in existence before him, and might condemn him. But he, being devoid of understanding, scoffed at the condemnation **I** and acted recklessly. He said, "If anything has existed before me, let it appear, **I** so that we may see its light."

And **I** immediately, behold! Light came out of the eighth heaven **I** above and passed through all the heavens **I** of the Earth. When the prime parent saw that the light was beautiful as it radiated, **I** he was amazed. And he was greatly ashamed. As **I** that light appeared, a human likeness **I** appeared within it, very wonderful. And no one saw it except of **I** the prime parent and Pronoia, **I** who was with him. Yet its light appeared **I** to all the forces of the heavens. Because of this **I** they were all troubled by it.

Then **I** when Pronoia saw that emissary, she became enamored of him. But he hated her because she was on the darkness. But she desired to embrace him, and she was not **I** able to. When she was unable to assuage her love, **I** she poured out her light upon the Earth. Since that day, that emissary has been called **I** "Adam of Light", whose rendering **I** is "the luminous man of blood", and the Earth spread over him, holy Adaman, **I** whose rendering is "the Holy Land of Adamantine". Since that day, **I** all the authorities have honored the blood of the virgin. And the Earth was purified on account of **I** the blood of the virgin. But most of all, **I** the water was purified through the likeness of Pistis Sophia, who had appeared to **I** the prime parent in the waters. **I** Justly, then, it has been said: "through the waters". **I** The holy water, since it vivifies the all, purifies it.

Out of that first blood **I** Eros appeared, being androgynous. **I** His masculinity is Himireris (i.e., Himeros), being **I** fire from the light. His femininity, **I** that is with him -- a soul of blood -is from **I** the stuff of Pronoia. He is very lovely **I** in his beauty, having a charm beyond **I** all the creatures of chaos. Then all the gods **I** and their angels, when they beheld Eros, became enamored of him. And appearing **I** in all of them he set them afire; just as **I** from a single lamp many lamps **I** are lit, and one and the same light is there, but the lamp **I** is not diminished. And in this way Eros became dispersed in all the created beings of chaos, **I** and was not diminished. Just as from **I** the midpoint of light and darkness **I** Eros appeared and at the midpoint **I** of the angels and mankind the sexual union of Eros was consummated, so **I** out of the Earth the primal pleasure blossomed. **I** The woman followed Earth. **I** And marriage followed woman. **I** Birth followed marriage. Dissolution followed birth.

After that Eros, **I** the grapevine sprouted up **I** out of that blood, which had been shed over **I** the Earth. Because of this, those who drink of it **I** conceive the desire of sexual union. After the grapevine, a fig tree **I** and a pomegranate tree sprouted up from **I** the Earth, together with the rest of, the trees, **I** all species, having **I** within them their seed from the seed of the authorities and their angels.

Then Justice created Paradise, I being beautiful and being outside the orbit I of the Moon and the orbit of the Sun in I the Land of Wantonness, in the East in the midset I of the stones. And desire is in the midst of I the beautiful, appetizing trees. And I the tree of eternal life is as it I appeared by God's will, to the north of Paradise, so that it might make I eternal the souls of the pure, I who shall come forth from the modelled forms of poverty I at the consummation of the age. Now the color I of the tree of life is like the Sun. And its branches are beautiful. Its leaves are like I those of the cypress. Its fruit is like I a bunch of grapes when it is white. Its height I goes as far as heaven. And next to it (is) the tree I of acquaintance (gnosis), having the strength of God. Its glory is like the Moon I when fully radiant. And its branches are beautiful. I Its leaves are like fig leaves. I Its fruit is like a good appetizing date. I And this tree is to the north of Paradise, so that it might arouse the souls from I the torpor of the demons, in order that they might approach I the tree of life and eat of I its fruit and so condemn the I the authorities and their angels.

The effect of this tree is described in the Sacred Book, I to wit: "It is you who are the tree of acquaintance, I which is in Paradise, from which the first I man ate and which opened his mind; I and he loved his female counterpart and condemned the other, alien likenesses and loathed them."

Now after it, the olive tree sprouted up, I which was to purify the kinds and the I high priests of righteousness, who were to appear in the last days, since I the olive tree appeared out of the light I of the first Adam for the sake of the unguent I that they were to receive.

And the first soul (*psyche*) loved I Eros, who was with her, and poured her blood upon him and upon the Earth. I And out of that blood the rose first sprouted up, I out of the Earth, out of I the thorn bush, to be a source of joy for the light that I was to appear in the bush. Moreover after this the beautiful, good-smelling flowers I sprouted up from the Earth, I different kinds, from every single virgin I of the daughters of Pronia. I And they, when they had become enamored of Eros, poured out their blood upon him and upon the Earth. I After these, every plant sprouted up I from the Earth, different kinds, containing I the seed of the authorities and their I angels. After these, the authorities created out of the waters all species of beast, I and the reptiles and birds--different kinds--containing I the seed of the authorities and their angels. I

But before all these, when he had appeared, on the first day, he remained upon the Earth, something like two days, and I left the lower Pronoia in I heaven, and ascended towards his light. And I immediately darkness covered all the universe. Now when she wished, the Sophia who was in the lower heaven I received authority from I Pistis, and fashioned great luminous bodies I and all the stars. And she put them in the sky to shine upon the Earth and to render I temporal signs and seasons and I years and months and days I and nights and moments and so forth. I And in this way the entire region upon the sky was adorned.

Now when Adam of Light conceived the wish I to enter his light--i.e., I the eighth heaven -- he was unable to do so because of I the poverty that had mingled with his light. Then I he created for himself a vast eternal realm. And within that eternal realm he created six eternal realms I and their adornments, six in number, that were seven times better I than the heavens of chaos and their adornments. I Now all these eternal realms and their I adornments exist within the infinity that is between the eighth heaven and the chaos below I it, being counted with the universe that belongs to I poverty.

If you (sg.) want to know the arrangement I of these, you will find it written in the *Seventh I Universe Of The Prophet Hieralias*.

And before Adam of Light had I withdrawn in the chaos, the authorities saw him I and laughed at the prime parent because he had I lied when he said, "It is I who am God. I No one exists before me." When they came to him, they said, "Is this not the god who I ruined our work?" He answered and said, I "Yes. If you do not want him to be able I to ruin our work, come let us I create a man (i.e., human being) out of Earth, according to the image of our body and according to the likeness of this being (viz., Adam of Light), to serve us; so that when he (viz. Adam of Light) I sees his likeness he might become enamored of it. No longer will he I ruin our work; rather, I we shall make those who are born out of the light our servants for all the duration of this eternal realms. Now all of this I came to pass according to the forethought of Pistis, I in order that man should appear after I his likeness, and should condemn them I because of their modelled form. And their modelled form became an enclosure of the light.

Then the authorities I received the acquaintance (gnosis) necessary to create I man. Sophia I Zoe -- she who is with Sabaoth -- had anticipated them. And she laughed I at their decision. For they are blind: against their own interests they ignorantly created him. I And they do not realize what they are about to do. I The reason she anticipated them and made her own man (i.e., human being) I first, was in order that he might instruct I their modelled form how to despise them and thus to escape from them.

Now the production of the instructor came about I as follows. When Sophia let fall a droplet I of light, it flowed onto the water, I and immediately a human being appeared, being androgynous. That droplet she molded I first as a female body. Afterwards, I using the body she molded it I in the likeness of the mother which had appeared. I And he finished it in twelve months. An androgynous human being was produced, I whom the Greeks call Hermaphrodites; I and whose mother the Hebrews call I Eve of Life (Eve of Zoe), namely, the female instructor I of life. Her offspring is the creature that is lord. Afterwards, the authorities called it "Beast," so that it might lead astray I their modelled creatures. The interpretation of "the beast" I is "the'instructor". For it was found to be the wisest I of all beings.

Now, Eve is the first virgin, the one who without a husband bore her first offspring. I It is she who served as her own midwife.

For I this reason she is held to have said: I
"It is I who am the part of my mother;
And it is I who am I the mother;
It is I who am the wife;
It is I who am the virgin;
It is I who am pregnant;
It is I who am the midwife;
It is I who am the one that I comforts pain of travail;
It is my husband who bore me;
And I it is I who am his mother,
And it is he who is my father I and my lord.
It is he who is my force;
What he desires, I he says with reason.
I am in the process of becoming.
Yet I have borne a man as lord."

Now these through the will I <... > . The souls I that were going to enter the modelled forms of the

authorities were manifested to Sabaoth and his Christ. **I** And regarding these the holy voice **I** said, "Multiply and improve! Be lord over all creatures," And it is they who were **I** taken captive, according to their destinies, by **I** the prime parent. And thus **I** they were shut into the prisons of the modelled forms. **I** Or: at the consummation of the age. And at that time, the prime parent **I** then rendered an opinion concerning man to those who were with him. **I** Then each of them cast **I** his sperm into the midst of the navel of **I** the Earth. Since that day, the several rulers have fashioned man with his body **I** resembling their body, but his likeness **I** resembling the man that had appeared to them. **I** His modelling took place by parts, **I** one at a time. And their leader fashioned the brain and the nervous system. Afterward **I** he appeared as prior to him. He became a soul-endowed man. And he was called **I** Adam, that is, "father," according to **I** the name of the one that existed before him.

And when they had finished **I** Adam, he abandoned him as an inanimate vessel, since he had taken form like an abortion, in that no spirit was in him. **I** Regarding this thing, when the chief ruler **I** remembered the saying of Pistis, he was afraid **I** lest the true man enter his **I** modelled form and become its lord. For this reason he left his modelled form forty days without **I** soul, and he withdrew and abandoned it. Now on the fortieth **I** day, Sophia Zoe sent **I** her breath into Adam, who had no **I** soul. He began to move upon the ground. And he could not stand up.

Then when the seven **I** rulers came, they saw him and **I** were greatly disturbed. They went up to **I** him and seized him. And he (viz., the chief ruler) said to **I** the breath within him. "Who are you? And whence did you come hither?" It answered **I** and said, "I have come from the force **I** of the man for the destruction of your work." **I** < > When they heard, they glorified him, since he **I** gave them respite from the fear and the anxiety in which they found themselves. Then they called that day **I** "Rest", in as much as they had rested **I** from toil. And when they saw that Adam **I** could not stand up, they were glad, and they took him **I** and put him in Paradise. And they withdrew up to their heavens.

After **I** the day of rest Sophia **I** sent her daughter Zoe, being called **I** Eve, as an instructor in order that she might **I** make Adam, who had no soul, arise so that those whom she should engender might become **I** containers of light. When Eve saw her male counterpart prostrate she had pity **I** upon him, and she said, "Adam, Become alive! **I** Arise from the Earth!" Immediately her word **I** became accomplished fact. For Adam, having arisen, suddenly opened his eyes. **I** When he saw her he said, "You shall be called **I** 'Mother of the Living'. For it is you who have **I** given me life."

Then the authorities were informed **I** that their modelled form was alive and had arisen, and they were greatly troubled. They sent seven archangels **I** to see what had happened. They came **I** to Adam. When they saw Eve talking to **I** him they said to one another, "What sort of thing is this luminous woman? **I** For she resembles that likeness which appeared to us in the light. Now come, **I** let us lay hold of her and cast our **I** seed into her, so that when she becomes soiled **I** she may not be able to ascend into her light. **I** Rather, those whom she bears will be under our charge. But let us not tell Adam, for he is not one **I** of us. Rather let us bring a deep sleep **I** over him. And let us instruct him in his **I** sleep to the effect that she came from **I** his rib, in order that his wife may obey, and he may be lord over her."

Then Eve, **I** being a force, laughed at their decision. **I** She put mist into their eyes and secretly left **I** her likeness with Adam. She entered **I** the tree of acquaintance and remained there. And they pursued her, and she revealed **I** to them that she had gone into the tree and become **I** a tree. Then, entering a great **I** state of fear, the blind creatures fled.

Afterwards, I when they had recovered from the daze, they came [to Adam]; and seeing the likeness of this woman with him, they were greatly disturbed, thinking it was she I that was the true Eve. And they acted rashly; they came I up to her and seized her and cast I their seed upon her. They did so wickedly, defiling not only I in natural ways but also in foul ways, I defiling first the seal of her voice I -- that had spoken with them, saying, "What is it that exists I before you?" -- intending to defile those who might say at the consummation (viz. of the age) that they had been born I of the true man through verbal expression. I And they erred, not knowing I that it was their own body that they had defiled: it was the likeness that I the authorities and their angels defiled in every way.

First she was pregnant with Abel, I by the first ruler. And it was I by the seven authorities and their angels I that she bore the other offspring. And all this I came to pass according to the forethought of the prime parent, so that the first mother I might bear within her every seed, I being mixed and being fitted to the fate I of the universe and its configurations, and I to Justice. A prearranged plan came into effect regarding Eve, so that the modelled forms of the authorities I might become enclosures of the light, whereupon I it (viz., the light) would condemn them through their I modelled forms.

Now the first Adam, (Adam) of Light, I is spirit-endowed (*pneumatikos*), and appeared on the first day. The second I Adam is soul-endowed (*psychikos*), and appeared I on the sixth day, which is called Aphrodite. The third I Adam is a creature of the Earth (*choikos*), that is, the man of the law, and he appeared on I the eighth day [...the] tranquility of poverty, which is called I Sunday. And the progeny of the I Earthly Adam became numerous and was completed, I and produced within itself every kind of scientific information of the soul-endowed Adam. But all were in I ignorance.

Next let me say I that once the rulers had seen him and I the female creature who was with him erring ignorantly I like beasts, they were very glad. < ... > When they learned that the immortal man was not going to I neglect them, rather than they would even have to fear I the female creature that had turned into a tree, they were disturbed, and said, "Perhaps this is the true man I -- this being who has brought a fog upon us and has taught us that she who was soiled is like I him -- and so we shall be conquered!"

Then I the seven of them together laid plans. They came up to Adam I and Eve timidly: they said to him, I "The fruit of all the trees created for you in Paradise shall be eaten; but as for the tree I of acquaintance, control yourselves and do not eat I from it. If you eat you I will die." Having imparted great fear to them I they withdrew up to their authorities.

Then came the wisest of all creatures, I who was called Beast. I And when he saw the likeness of their mother I Eve he said to her, "What did God I say to you (pl.)? Was it 'do not eat from the tree of acquaintance (*gnosis*)'?" She said, "He said, 'Not only I do not eat from it, but I do not touch it, lest you (sg.) die' ." He said I to her, "Do not be afraid. In death you (pl.) shall not I die. For he knows that when you eat from it, your intellect will become sober and I you will come to be like gods, I recognizing the difference that obtains between evil I men and good ones. Indeed, it was in jealousy that he said this to you, so that you I would not eat from it."

Now Eve had confidence I in the words of the instructor. She gazed I at the tree and saw that it was beautiful and I and appetizing, and like it; she took some of its fruit and ate it; and she gave some also to her I husband, and he too ate it. Then their intellect I became open. For when they had eaten, the light of I acquaintance had shone upon them. When they clothed I themselves with shame, they knew that they were naked of acquaintance. When they became sober, they saw that I they were naked and became enamored of one another. When I they saw that the ones who had modelled them

had the form **I** of beasts, they loathed them: they were very aware.**I**

Then when the rulers knew that they had broken their commandments, they entered Paradise **I** and came to Adam and Eve with Earthquake and great threatening, **I** to see **I** the effect of the aid. Then **I** Adam and Eve trembled greatly and hid under the trees in Paradise. **I** Then the rulers did not know where they were **I** and said, "Adam, where are you?" He said, "I am here, **I** for through fear of you **I** hid, **I** being ashamed." And they said to him ignorantly, "Who told you about **I** the shame with which you clothed yourself? -- unless **I** you have eaten from that tree!" He said, **I** "The woman whom you gave me -- it is she that **I** gave to me and I ate." Then they said to the latter, "What is this that you have done?" She answered and said, **I** "It is the instructor that urged me on, and **I** I ate."

Then the rulers came up to the instructor. **I** Their eyes became misty because of him, and they could not do anything to him. They cursed him, **I** since they were powerless. Afterwards, they came up to the woman **I** and cursed her and her offspring. After **I** the woman, they cursed Adam, and (cursed) the land because of him, **I** and the crops; and all things that they had created they cursed. They have no blessing.

Good cannot result from **I** evil.

From that day, the authorities **I** knew that truly there was something mightier than **I** they: they recognized only that their commandments had not been kept. Great **I** jealousy was brought into the world solely because of **I** the immortal man. Now when the rulers saw **I** that their Adam had entered into an alien state of acquaintance they **I** desired to test him, and they gathered together all the domestic animals and the wild beasts **I** of the Earth and the birds of heaven and brought them to Adam **I** to see what he would call them. **I** When he saw them he gave names to their **I** creatures.

They became troubled because Adam had recovered from all the trials. They assembled and **I** laid plans, and they said, "Behold Adam! He has come to be like one of us, so that he **I** knows the difference between the light and the darkness. **I** Now perhaps he will be deceived as in the case of the tree of acquaintance and also will come to **I** the tree of life and eat from it **I** and become immortal and become lord and despise **I** us and disdain [us] and all our glory. **I** Then he will denounce [us along with our] universe. Come let us expel him from Paradise down to the land **I** from which he was taken, so that henceforth he might not **I** be able to recognize anything better **I** than we can." And so they expelled Adam from Paradise, along with his wife. And this deed that they had done was not enough for them. Rather, they were afraid. **I** They went in to the tree of life and surrounded it **I** with great fearful things, fiery living creatures **I** called "Cheroubin," and they put a flaming sword in their midst, fearfully **I** twirling at all times, so that no Earthly being might ever enter that place.

Thereupon **I** since the rulers were envious of Adam they wanted to diminish their (viz., Adam's and Eve's) lifespans. They could not because of **I** fate, which had been fixed since the beginning. **I** For to each had been allotted a lifespan **I** of 1,000 years according to the course of the luminous bodies. **I** But although the rulers could not do this, each of the evil doers **I** took away ten years. **I** And all this lifespan (which remained) amounted to 930 years: and these are in pain and **I** weakness and evil distraction. And so **I** life has turned out to be, from that day until the consummation **I** of the age.

Then when Sophia Zoe **I** saw that the rulers of the darkness had **I** laid a curse upon her counterparts, she was indignant. And coming out of the first heaven with **I** full power she chased those rulers out of **I** [their] heavens, and cast them down into **I** the sinful [world], so that there they **I** should dwell, in the form of evil spirits (*daimones*) upon the Earth.

[...], so that in their world it might pass the thousand years in Paradise I -- a soul-endowed living creature I called "phoenix." It I kills itself and brings itself to life as a witness to the judgment against them, for they did wrong to Adam and his I generation, unto the consummation of the age. < > There are...three I men, and also his posterities unto the consummation I of the world: the spirit-endowed of eternity, and the soul-endowed, and the Earthly. Likewise, the three phoenixes <in > Paradise -- the first I [is] immortal; the second lives 1,000 I years; as for the third, it is written in the Sacred Book I that it is consumed. So too there are I three baptisms -- the first is the spiritual, the second is by fire, the third I is by water. Just as the phoenix I appears as a witness concerning the angels, I so the case of the water hydri in Egypt, I which has been a witness to those going down into the baptism of a true man. I The two bulls in Egypt possess I a mystery, the Sun and Moon, being I a witness to Sabaoth: namely, that over I them Sophia received the universe; from the day that she made the Sun and the Moon she I put her seal upon her heaven, unto eternity. I

And the worm that has been born out of the Phoenix I is a human being as well. It is written (Ps 91:13 LXX) concerning it, "the just man I will blossom like a phoenix." And the phoenix first appears I in a living state, and dies, and rises again, I being a sign of what has become apparent I at the consummation of the age. It was only in Egypt that these great signs appeared -- nowhere else -- as an indication that it is like God's Paradise. I

Let us return to the aforementioned rulers, I so that we may offer I some explanation of them. Now, when the seven rulers were cast down from their heavens I onto the Earth, they made for themselves angels, I numerous, demonic, to serve I them. And the latter instructed mankind in many kinds of error I and magic and potions and worship of idols and spilling of blood and altars and I temples and sacrifices and libations to all the spirits I of the Earth, having their coworker I fate, who came into existence by I the concord between the gods of injustice and justice.

And thus when the world I had come into being, it distractedly erred I at all times. For all men I upon Earth worshipped the spirits (*daimones*) from I the creation to the consummation -both the angels of righteousness and the men of unrighteousness. I Thus did the world come to exist in distraction, I in ignorance, and in a stupor. I They all erred, until the appearance (*parousia*) I of the true man.

Let this suffice so far as the matter goes. Now we shall proceed to consideration of our world, I so that we may accurately finish the description of its structure I and management. I Then it will become obvious how I belief in the unseen realm, which has been apparent from creation down to the consummation I of the age was discovered.

I come, therefore, to the main points I [regarding] the immortal man: I shall I speak of all the beings that belong to him, explaining how I they happen to be here.

When a multitude of human beings had come into existence, through the parentage of [the Adam] who had been fashioned, and out of matter, I and when the world had already become full, the rulers were master I over it -- that is, they kept I it restrained by ignorance. For what reason? For the following: since the immortal father knows I that a deficiency of truth came into being amongst the eternal realms I and their universe, when he wished I to bring to naught the rulers of perdition through the I creatures they had modelled he sent you (pl.) likenesses down into the world of perdition, namely, the blessed little I innocent spirits. They are not alien to I acquaintance. For all acquaintance is vested in one angel I who appeared before them; he is not without power I in the company of the father. And <he > gave them acquaintance. Whenever they appear in the world I of

perdition, immediately and first of all they reveal the pattern of imperishability as a condemnation **I** of the rulers and their forces. Thus when the blessed beings **I** appeared in forms modelled by authorities, **I** they were envied. And out of envy the authorities **I** mixed their seed with them, in hopes of polluting them. They could not. Then when the blessed beings **I** appeared in luminous form, **I** they appeared in various ways. And each one **I** of them, starting out in his land, revealed **I** his (kind of) acquaintance to the visible church constituted of the modelled forms of perdition. **I** It (viz., the church) was found to contain all kinds of seed, because of the seed **I** of the authorities that had [mixed with it].

Then **I** the savior created [...] of **I** them all -- and the spirits of these [are manifestly] superior, being blessed and varying in election -- and **I** also (he created) many other beings, which have no king and are superior **I** to everyone that was before them. Consequently, four **I** races exist. There are three that belong to the kings of the eighth heaven. But the fourth **I** race is kingless and perfect, being **I** the highest of all. For these shall enter **I** the holy place of their father. **I** And they will gain rest in repose and eternal, unspeakable glory **I** and unending joy. Moreover they are **I** kings within the mortal domain, in that they are immortal. They **I** will condemn the gods of chaos and **I** their forces.

Now the Word (*Logos*) that is superior to all beings was sent for this purpose alone: **I** that he might proclaim the unknown. **I** He said (Mk 4:223 par.), "There is nothing hidden that is **I** not apparent, and what has not been recognized **I** will be recognized." And these were sent to make known what is hidden, and **I** the seven authorities of chaos and their **I** impiety. And thus they were condemned **I** to death.

So when all the perfect **I** appeared in the forms modelled by the rulers and when they revealed **I** that incomparable truth, **I** they put to shame all the wisdom of the gods. **I** And their fate was found **I** to be a condemnation. And their force dried up. Their lordship was dissolved. Their forethought became [emptiness, **I** along with] their glory.

Before the consummation **I** [of the age], the whole place will shake **I** with great thundering. Then the rulers will be sad, [...] their **I** death. The angels will mourn for their mankind, **I** and the demons will weep over the seasons, **I** and their mankind will wail and scream **I** at their death. Then the age will begin, and they will be disturbed. Their kings will **I** be intoxicated with the fiery sword, and they will **I** wage war against one another, so that **I** the Earth is intoxicated with bloodshed. **I** And the seas will be disturbed by those wars. Then the Sun will become dark. **I** And the Moon will cause its light to cease. **I** The stars of the sky will cancel their circuits. **I** And a great clap of thunder will come out **I** of a great force that is above all the forces of chaos, where **I** the firmament of the woman is situated. **I** Having created the first product, she will **I** put away the wise fire of intelligence **I** and clothe herself with witless wrath. Then she will pursue the gods **I** of chaos, whom she created along with the prime parent. **I** She will cast them down into the abyss. **I** They will be obliterated because of their wickedness. For they will **I** come to be like volcanos and consume one another until they perish **I** at the hand of the prime parent. **I** When he has destroyed them, he will turn against himself **I** and destroy himself until he ceases to exist.

And **I** their heavens will fall one upon the next and their (the rulers') forces will be consumed by fire. Their eternal realms, too, **I** will be overturned. His...will **I** fall down upon the [...] **I** support them; they will fall into the abyss, and the abyss will be overturned.

The light will **I** [...the] darkness and obliterate it: it will be like **I** something that has never been. And the product **I** to which the darkness had been posterior will dissolve. And **I** the deficiency will be plucked out by the root (and thrown) down into **I** the darkness. And the light will withdraw up to

its root. And the glory of the unbegotten I will appear. And it will fill I all the eternal realm. When the prophecy and I the account of those that are king becomes known and I is fulfilled by those who are called perfect, those who -- in contrast -- have not become perfect I in the unbegotten father will receive their glory I in their realms and the kingdoms of the I immortals: but they will never enter I the kingless realm.

For everyone must go to the place from which he has come. I Indeed, by his acts and his I acquaintance each person will make his nature know.

[END QUOTING]

And it is out of writing such as this that Prophecy was born. THE SCRIPT FOR THE PLAY HAS BEEN WRITTEN BY THE ANTI-CHRIST LONG, LONG AGO. There is wondrous truth contained within the passages above, but HOW DO YOU KNOW, UPON READING, THAT WHICH IS TRUE FROM THAT WHICH IS FALSE? THESE ARE MATTERS WHICH ARE BEST LEFT ALONE FOR, IN TRUTH, IT IS THE TIME, HERE AND NOW, OF DECIDING YOUR RELATIONSHIP WITH GOD--NO MORE AND CERTAINLY NO LESS.

YOU CAN BECOME INFINITELY SIDETRACKED INTO THE MAGICAL AND MYSTICAL EXPRESSIONS, BUT THEY WILL NOT LEAD YOU HOME. ONLY BY LIVING YOUR LIFE ACCORDING TO GOD'S LAWS AS GIVEN FOR MANKIND TO LIVE IN HARMONY AND BALANCE WILL YOU EVER RECEIVE THAT GLIMMER OF UNDERSTANDING.

THERE IS MORE THAT I WISH TO QUOTE ABOUT THE ADVERSARY. THERE ARE GREAT LESSONS TO BE HAD IN THESE QUOTED MATERIALS, BUT I MUST CAUTION YOU ALL: BE MOST CAREFUL AS TO THAT WHICH YOU ACCEPT AS TRUTH. GOD IS LIGHT! GOD IS! ALL IS BUT A REFLECTION OF GOD'S THOUGHT. FORGET IT NOT!

I WILL CONTINUE THE NEXT WRITING WITH SOMETHING THAT MAY BE MORE READILY UNDERSTOOD THAN THAT WHICH WAS JUST COMPLETED. TAKE A BREAK, SCRIBE, AND WE WILL CONTINUE OUR WRITING WITH THE LUCIFER REBELLION.

I AM SANANDA.

SALU, FOR NOW.

2/7/98 #2 ESU "JESUS" SANANDA

Esu returned in Radiance. I ask, scribe, that you keep your Light shield about you for the topic we are about to discuss is one which, of its very nature, attracts the Anti-Christ. It is alright, for I will not allow that one to TOUCH YOU, for therein lies the true danger.

Let us begin utilizing material already written, but I do not wish you distracted as to source, so it will go unnamed. Just quote the portions as I direct, please.

[QUOTING:]

Lucifer was a magnificent being, a brilliant personality; he stood next to the Most High Fathers of the constellations in the direct line of universe authority. Notwithstanding Lucifer's transgression,

subordinate intelligences refrained from showing him disrespect and disdain prior to Michael's bestowal. Even the archangel Michael, at the time of Moses' resurrection, "did not bring against him an accusing judgment but simply said, 'the Judge rebuke you' ." Judgment in such matters belongs to the Ancients of Days, the rulers of the superuniverse.

Lucifer is now the fallen and deposed. Self-contemplation is most disastrous, even to the exalted personalities of the celestial world. Of Lucifer it was said: "Your heart was lifted up because of your beauty; you corrupted your wisdom because of your brightness." Your olden prophet saw this sad estate when he wrote: "How are you fallen from heaven, O Lucifer, son of the morning! How are you cast down, you who dared to confuse the worlds!"

Very little was heard of Lucifer on Earth owing to the fact that he assigned his first lieutenant, Satan, to advocate his cause on your planet. Satan was a member of the same primary group; he entered fully into the Lucifer insurrection.

The dragon eventually became the symbolic representation of all these evil personages. Upon the triumph of Michael, "Gabriel came down and bound the dragon (all the rebel leaders) for an age." Of the Jerusem seraphic rebels it is written: "And the angels who kept not their first estate but left their own habitation, he has reserved in sure chains of darkness to the judgment of the great day."

There were no peculiar or special conditions which suggested or favored rebellion. It is our belief that the idea took origin and form in Lucifer's mind, and that he might have instigated such a rebellion no matter where he might have been stationed. Lucifer first announced his plans to Satan, but it required several months to corrupt the mind of his able and brilliant associate. However, when once converted to the rebel theories, he became a bold and earnest advocate of "self-assertion and liberty".

No one ever suggested rebellion to Lucifer. The idea of self-assertion in opposition to the will of Michael and to the plans of the Universal Father, as they represented in Michael, had its origin in his own mind. His relations with the Creator Son had been intimate and always cordial. At no time prior to the exaltation of his own mind did Lucifer openly express dissatisfaction about the universe administration. Notwithstanding his silence, for more than one hundred years of standard time there was not peace in Lucifer's mind.

Throughout this period Lucifer became increasingly critical of the entire plan of universe administration but always professed wholehearted loyalty. His first outspoken disloyalty was manifested on the occasion of a visit of Gabriel to Jerusem just a few days before the open proclamation of the Lucifer.

It is very difficult to point out the exact cause or causes which finally culminated in the Lucifer rebellion. We are certain of only one thing, and that is: Whatever these first beginnings were, they had their origin in Lucifer's mind. There must have been a pride of self that nourished itself to the point of self-deception, so that Lucifer for a time really persuaded himself that his contemplation of rebellion was actually for the good of the system, if not of the universe. By the time his plans had developed to the point of disillusionment, no doubt he had gone too far for his original and mischief-making pride to permit him to stop. At some point in this experience he became insincere, and evil evolved into deliberate and willful sin. That this happened is proved by the subsequent conduct of this brilliant executive.

[JUMPING AHEAD, STILL QUOTING:]

Evolutionary man finds it difficult to fully comprehend the significance and to grasp the meanings of evil, error, sin, and iniquity. Man is slow to perceive that contrastive perfection and imperfection produce potential evil; that conflicting truth and falsehood create confusing error; that the divine endowment of freewill choice eventuates in the divergent realms of sin and righteousness; that the persistent pursuit of divinity leads to the kingdom of God as contrasted with its continuous rejection, which leads to the domains of iniquity.

Of all the perplexing problems growing out of the Lucifer rebellion, none has occasioned more difficulty than the failure of immature evolutionary mortals to distinguish between true and false liberty.

True liberty is the quest of the ages and the reward of evolutionary progress. False liberty is the subtle deception of the error of time and the evil of space. Enduring liberty is predicated on the reality of justice---intelligence, maturity, fraternity, and equity.

Liberty is a self-destroying technique of cosmic existence when its motivation is unintelligent, unconditioned, and uncontrolled. True liberty is progressively related to reality and is ever regardful of social equity, cosmic fairness, universe fraternity, and divine obligations.

Liberty is suicidal when divorced from material justice, intellectual fairness, social forbearance, moral duty, and spiritual values. Liberty is nonexistent apart from cosmic reality, and all personality reality is proportional to its divinity relationships.

Unbridled self-will and unregulated self-expression equal unmitigated selfishness, the acme of ungodliness. Liberty without the associated and ever-increasing conquest of self is a figment of egoistic mortal imagination. Self-motivated liberty is a conceptual illusion, a cruel deception. License masquerading in the garments of liberty is the forerunner of abject bondage.

True liberty is the associate of genuine self-respect; false liberty is the consort of self-admiration. True liberty is the fruit of self-control; false liberty, the assumption of self-assertion. Self-control leads to altruistic service; self-admiration tends towards the exploitation of others for the selfish aggrandizement of such a mistaken individual as is willing to sacrifice righteous attainment for the sake of possessing unjust power over his fellow beings.

Even wisdom is divine and safe only when it is cosmic in scope and spiritual in motivation.

There is no error greater than that species of self-deception which leads intelligent beings to crave the exercise of power over other beings for the purpose of depriving these persons of their natural liberties. The golden rule of human fairness cries out against all such fraud, unfairness, selfishness, and unrighteousness. Only true and genuine liberty is compatible with the reign of love and the ministry of mercy.

How dare the self-willed creature encroach upon the rights of his fellows in the name of personal liberty when the Supreme Rulers of the universe stand back in merciful respect for these prerogatives of will and potentials of personality! No being, in the exercise of his supposed personal liberty, has a right to deprive any other being of those privileges of existence conferred by the Creators and duly respected by all their loyal associates.

Evolutionary man may have to contend for his material liberties with tyrants and oppressors on a

world of sin and iniquity or during the early times of a primitive evolving sphere... War is the heritage of early evolutionary man, but on worlds of normal advancing civilization physical combat as a technique of adjusting racial misunderstandings has long since fallen into disrepute.

Every creature of every evolving universe who aspires to do the Father's will is destined to become the partner of the time-space Creators in this magnificent adventure of experiential perfection attainment. Were this not true, the Father would have hardly endowed such creatures with creative free will, neither would he indwell them, actually go into partnership with them by means of his own spirit.

Lucifer's folly was the attempt to do the non-do-able, to short-circuit time in an experimental universe. Lucifer's crime was the attempted creative disenfranchisement of every personality, the unrecognized abridgment of the creature's personal participation--freewill participation--in the long evolutionary struggle to attain the status of light and life both individually and collectively. In so doing this onetime Sovereign of your system set the temporal purpose of his own will directly athwart the eternal purpose of God's will as it is revealed in the bestowal of free will upon all personal creatures. The Lucifer rebellion thus threatened the maximum possible infringement of the freewill choice--a threat forevermore to deprive every one of these beings of the thrilling experience of contributing something personal and unique to the slowly erecting monument to experiential wisdom....

In short, what God had given men and angels Lucifer would have taken away from them, that is, the divine privilege of participating in the creation of their own destinies and of the destiny of this local system.

No being in all the universe has the rightful liberty to deprive any other being of true liberty, the right to love and be loved, the privilege of worshiping God and of serving his fellows.

The moral will creatures of the evolutionary worlds are always bothered with the unthinking question as to why the all-wise Creators permit evil and sin. They fail to comprehend that both are inevitable if the creature is to be truly free. The free will of evolving man or exquisite angel is not a mere philosophic concept, a symbolic ideal. Man's ability to choose good or evil is a universe reality. This liberty to choose for oneself is an endowment of the Supreme Rulers, and they will not permit any being or group of beings to deprive a single personality in the wide universe of this divinely bestowed liberty--not even to satisfy such misguided and ignorant beings in the enjoyment of this misnamed personal liberty.

Although conscious and wholehearted identification with evil (sin) is the equivalent of nonexistence (annihilation), there must always intervene between the time of such personal identification with sin and the execution of the penalty--the automatic result of such a willful embrace of evil--a period of time of sufficient length to allow for such an adjudication of such an individual's universe status as will prove entirely satisfactory to all related universe personalities; and which will be so fair and just as to win the approval of the sinner himself.

But if this universe rebel against the reality of truth and goodness refuses to approve the verdict, and if the guilty one knows in his heart the justice of his condemnation but refuses to make such confession, then must the execution of sentence be delayed in accordance with the discretion of the Ancients of Days? And the Ancients of Days refuse to annihilate any being until all moral values and all spiritual realities are extinct, both in the evildoer and in all related supporters and possible sympathizers.

The very fact that an evil-doing creature can actually choose to do wrong--commit sin--establishes the fact of free-willness and fully justifies any length delay in the execution of justice provided the extended mercy might conduce to repentance and rehabilitation.

Most of the liberties which Lucifer sought he already had; others he was to receive in the future. All these precious endowments were lost by giving way to impatience and yielding to a desire to possess what one craves now and to possess it in defiance of all obligation to respect the rights and liberties of all other beings composing the universe of universes. Ethical obligations are innate, divine, and universal.

There are many reasons known to us why the Supreme Rulers did not immediately destroy or intern the leaders of the Lucifer rebellion. There are no doubt still other and possibly better reasons unknown to us. There mercy features of this delay in the execution of justice were extended personally by Michael.

Supreme justice can act instantly when not restrained by divine mercy. But the ministry of mercy to the children of time and space always provides for this time lag, this saving interval between seedtime and harvest. If the seed sowing is good, this interval provides for the testing and upbuilding of character; if the seed sowing is evil, this merciful delay provides time for repentance and rectification. This time, delay in the adjudication and execution of evildoers is inherent in the mercy ministry of the seven superuniverses. This restraint of justice by mercy proves that God is love, and that such a God of love dominates the universes and in mercy controls the fate and judgment of all his creatures.

The mercy delays of time are by the mandate of the free will of the Creators. There is good to be derived in the universe from this technique of patience in dealing with sinful rebels. While it is all too true that good cannot come of evil to the one who contemplates and performs evil, it is equally true that all things (including evil, potential and manifest) work together for good to all beings who know God, love to do his will, and are ascending Paradiseward according to his eternal plan and divine purpose.

But these mercy delays are not interminable. Notwithstanding the long delay in adjudicating the Lucifer rebellion, there issued the mandate of the Ancients of Days directing that Satan be henceforth confined to the prison world with Lucifer. This ends the ability of Satan to pay further visits to any of the fallen worlds. Justice in a mercy-dominated universe may be slow, but is it certain.

[END QUOTING]

Yes, I am here, scribe. Peace. Indeed, the Anti-Christ is alive and well on planet Earth. It is my hope that you, reading this, find understanding in the message just quoted.

I wish to move, now, to another passage, this time from a man who lived truth--his name is Dr. Paul Brunton, and the book I wish to quote from is called *The Spiritual Crisis Of Man*. We will turn to Chapter 8, titled "The Evil In Our Time". Note please that this was written in 1953. You've come a long way since then--a long way, indeed.

[QUOTING:]

The events of recent decades provide nothing more or less than a visible commentary on the messages it was the privilege of inspired prophets like Jesus (Esu), Krishna, and Buddha to deliver. The unprecedented times through which we live merely prove by terrible facts that such men preached by opened lips. They prove that the religious unfaith and materialistic trend of a whole generation, the hard skepticism which has degraded their values and dragged down their instincts, afford too insecure a basis for human living.

Materialism--by which is meant here not merely the openly confessed and crudely obvious doctrine which goes under this name, but also its unconscious and disguised forms--has been the bane of our time. The total impression of all the forms it has taken--and they are to be found in the scientific, political, educational, literary, artistic, ecclesiastic and legal spheres also--is a ghastly one. The end of it all is the terrifying figures and the typhoon destructiveness of the atom bomb. It is the natural consequence of belief in the final supremacy of intellectual thinking when pushed to its logical extreme and unbalanced by spiritual intuition. In war, human evil always appears in its worst form and its effects in their most widespread form. With the discovery of the atom bomb the pathway leading to a large part of civilization's utter self-destruction is now wide open. Nothing in history is comparable to this terrible situation.

It is not enough to understand the tragic, as well as historic, significance of these world-shaking events. We must also understand their underlying religious, metaphysical, and philosophical significance. And, as mentioned earlier, this cannot be done adequately unless we let the light of doctrines like the inevitability of spiritual evolution and the factuality of the law of recompense shine down upon them. For without them, it is too taxing to explain why society today is as it is. The psychological situation which has been created by the crisis and the war and which expresses itself in the tragic physical situation, can be adequately understood only by the light of these and other related truths. Mankind's own wrong thoughts and emotions, bad passions and deeds, must share the responsibility. Its civilization has indeed received the rewards of a short-sighted selfishness for it has been so many of the material things it strove to obtain, as well as the ideals it strove to realize, crumble away in its hands.

Most people assume that good alone has the right to be active on Earth. Therefore the presence of so much that is evil perplexes their minds. It seems that such evil is too abundant and too continuous to fit smoothly into a divinely ordered scheme. The crime and violence of recent times, the horror and shock of recent history, have pushed this question of evil into the thinking of many persons who formerly ignored it. A generation which has heard wicked propaganda, witnessed wicked atrocities and watched unscrupulous moves towards world domination would be very soft-brained if it does not conclude that some malignant influence is at work in human affairs and that some malignant forces are manifesting their disturbing activities in its midst. The existence--no less than the power--of evil has forced itself so plainly and so savagely and so insistently on their notice in recent times that those who, at the bidding of extravagantly optimistic theories, previously shut their eyes to it, have perforce had to open them and recognize it. Such a belated and bewildered act is painful.

The materialistic view of evil regarded it as a by-product of physical environments and temporary circumstances, to be set right by the mere setting right of those physical things. But the type of evil which is so prevalent in our own times, glorifies brutality for its own sake, justified oppression for the oppressor's sake, pedestals greed, ridicules religion and derides conscience, as much for the pleasure it gets from these activities as for the rewards. The men who practice it love it as intensely as saints love God. It can no longer be reasonably maintained, as the dialective and rationalist materialists have hitherto maintained, that external circumstances are alone sufficient to account of the unpleasant character of such noxious creatures. On the contrary, it is evident that the wrong of

human conduct arises because evil is a real element in human beings, independent of human environment and circumstance. It is deplorable but it is also unfortunately true that this element asserts itself more easily and more frequently than the good. The historical perversity of human nature, its constant inclination to do wrong, too often discourages the philanthropist.

That humanity should be allowed to fall into its horrible depths seems to show a lack of goodness in the divine Idea of the world. Men are not to be blamed for questioning the divine goodness and doubting the divine wisdom. They often ask themselves the question: Why does the Higher Power (which they call God and is in scientific actuality the World-Mind) which is so universally regarded as beneficent, even permit these evils and horrors to threaten humanity? But they ought also to ask themselves the further question whether the World-Idea could have completely fulfilled its lofty purpose for humanity without permitting such experiences? If it seeks to bring every human entity to full moral, intellectual and spiritual self-consciousness, the range of experiences within which the entity would have to be free to travel, would have to be sufficiently wide, and consequently sufficiently contrasting, to achieve this goal. To have limited this range to the non-evil, to have restricted the kinds of experience only to what we know as the good, would have rendered impossible the full achievement of human self-consciousness. That, after all, is a matter not only of morality but also of knowledge. There is indeed no other way than the existing one in which humanity could have found all the conditions necessary for the development of all its faculties. The mere fact that the World-Mind suffers evil to exist shows that it has a temporary, an inevitable, or else a utilitarian place in the economy of things.

No mode of conscious life could have been devised which provided unalloyed happiness and unmixed goodness at the same time that it provided the varied experiences and diverse states necessary to develop the knowledge, intelligence, character and spirituality of the human being. Although some facets of this development could have been obtained by a one-sided monotonous experience, yielding only the pleasurable enjoyment of life, important parts of the psyche would then necessarily have been left untouched by it. Only by providing a course of changing experiences which took a wider, more varied route and also included the opposites of suffering and evil, could the full complete evolution of man have been achieved. The memory of the past darkness of ignorance heightens his appreciation of the present light of knowledge. The vivid contrast between the two conditions makes him much more conscious of the meaning and value of the higher one. Without the experiences of both to complement each other, he could not distinguish good from evil, bliss from misery, reality from appearance and truth from falsity. How, without conditions productive of sacrifice and self-denial, for instance, could the spiritual widening of his consciousness be obtained? Good becomes significant to him only as it stands in contrast to evil, which is indeed the Not-good. The consciousness of sound as sound always needs to be accompanied by the consciousness of its opposite and differentiating number, silence. There could have been no manifestation of a universe without this play of opposites running completely through it. As soon as the One became Two, it began. Hence birth and death appear everywhere in the universe, pleasure and pain in man!

Heracleitus of Ephesus shrewdly commented that Homer was wrong in saying, "Would that strife might perish from among gods and men," that he did not see he was really praying for the destruction of the universe and that if his prayer was answered all things would have to pass away. Every biological scientist who has peered beneath the surface of things knows, what every metaphysician should know, that the world-process is inescapably an interplay and inter-struggle of the creative and destructive forces. The cosmos could not be continually alive if it were not also continually dying. The struggle of these opposing forces is an eternal movement which is reflected in the birth of majestic stars and death of minute cells. Only a static motionless universe could have

avoided it. If man were not to be a mechanical robot, he had to be free in his will, within the limits imposed by his nature and by the universal purpose. He had to be given the power to choose. And if he were left free to choose good, he had necessarily to be left free to choose evil. That he would act wrongly, would clash with his fellow men, and would even match his foolishness against God's wisdom was foreknown from the very beginning, was indeed inevitable from the fact that he began his conscious life in ignorance and desire. Through experience he would eventually learn to act rightly and this dark phase in his career would disappear. Only by the experiment with evil could the value of good be adequately realized.

God has given man enough freedom to work out his own destiny and since there is both good and evil mixed into his nature, when the evil becomes great in volume and massive in strength it inevitably leads to consequences such as those which menace him today. Yet this cannot be a sole and sufficient explanation of his present situation. Since his freedom of will cannot operate within a vacuum there must be other forces at work within his environment modifying it, influencing it, and even ultimately directing it. There must be some sort of rough pattern in the universe within which his own activities must eventually fit. Unless we find some glimmering of this pattern we shall not be able to understand sufficiently why so many millions of apparently good decent people should be exposed to distress and affliction resulting from the evil activities of other men. Nay, why even civilization itself should be so darkly threatened by such activities.

That man's own free will has created so much of the evils and misery in the world, is obvious. That with his own moral improvement this deplorable situation would itself improve is equally obvious. But the situation itself could not have arisen except by the permission and within the conception of the World-Mind. Where is there more than partial freedom for a man when, at the very beginning, he is forced to accept and given no chance to select a certain race, a certain country, a particular family, a particular economic status, a condition of health or ill-health and an abundance or lack of energy, intellect, will and intuition? Thus, much of the course and something of the end of his life is dictated by Nature, fate or God. No human entity can determine its own course with complete freedom. No human entity can deviate from the cosmic plan with complete independence. The freedom of all human entities is limited, as their power is dependent. Man has never possessed, does not now possess and never can possess absolute free will. Above his own fluctuating will there is the inexorable cosmic will. All his individual development is but part of, and controlled by, the evolutionary plan for the cosmos itself. It has not been left to his internal whim or external chance what the outcome of that development shall be.

If the whole cosmos is an emanation of the Divine Mind which, although mysteriously transcendent, is also significantly immanent, there can be no force and no entity within it that is not fundamentally rooted in the beneficence, the wisdom and the serenity of divinity. It may have its origins obscured, it may appear, think and act evilly, but it can do so only by the permission and consent of God. Therefore, it is not only man's ignorant and wrongful use of his free will that accounts for human evil and human suffering but also the cosmic Idea itself. And this is something outside his control and beyond the operation of his will. The wrongs and pain that shadow his existence were sanctioned and included in the method of his inner development.

This is God's world; it could not be anyone else's. It must ultimately be an expression of God's wisdom. Therefore if we find in it things and people, events and sights which offend us because they are diabolic rather than godlike, the reaction of instinctive repugnance is human enough but the shortcoming is in our faculty of vision, the unpleasantness is in our limitation of the understanding, and can be nowhere else. Everywhere there are signs that the divine power is working in the midst of us. We would do better to complain at the presence of our own blindness than at the absence of

God's activity. What we see in the world's present state and past history depends on what we are in ourselves. If we are morally crooked, we shall regard most of the people we meet as being so too. If we can find no deeper meaning in our own nature, no higher purpose in our own lives, we shall see none in the world outside. The discovery of a divine self in our own heart will be a pointing finger to the presence of a divine mind behind the whole universe to which we belong.

[END QUOTING]

Thank you. I will let that message stand on its own merit. It was truly insightful, particularly given the time period in which it was written.

The Anti-Christ is coming into FULL MATURITY ON YOUR PLANET. IT SOUNDS ALMOST TRITE TO SAY THAT GOD TOO HAS A PLAN 2000.

AH--BUT TRUST THAT IT IS NOT TRITE BUT RATHER IT IS SO. THE PLAN IS MAGNIFICENT AND ONLY GODATON KNOWS THE WHOLE OF HIS PLAN.

THE SERPENTS ON YOUR PLACE HAVE YOUR WORLD IN A VICE-GRIP, BUT THEY SHALL DESTROY THEMSELVES.

I ASK THAT YOU GIVE CAREFUL CONSIDERATION TO THESE LAST WRITINGS. THEY ARE WORTHY OF YOUR ATTENTION.

THERE IS MUCH THAT I WISH TO QUOTE AND MUCH THAT I WISH TO COMMENT ON, BUT FOR NOW I HAD BETTER BRING THIS WRITING TO END BEFORE MY SCRIBE FALLS TO SLEEP AT THE WHEEL.

I AM SANANDA.

I AND MY FATHER ARE ONE.

ATON, THE ONE LIGHT--ALL GLORY BELONGS TO HIM!

BE GRATEFUL FOR YOUR EXPERIENCE UPON THAT PLACE, AND MAY YOUR CHOICES BE WISE IN THESE FINAL DAYS.

Salu.

2/8/98 ESU "JESUS" SANANDA

Esu present IN LIGHT. I ask that you open The Koran, and let us quote, please, from the Chapter titled Muhammad.

[QUOTING:]

In the Name of God, the Merciful, the Compassionate

Those who disbelieve and bar from God's way,
God will sent their works astray.
But those who believe and do righteous deeds

and believe in what is sent down to Muhammad—
and it is the truth from their Lord--
He will acquit them of their evil deeds,
and dispose their minds aright.
That is because those who disbelieve follow falsehood,
and those who believe follow the truth from their Lord.
Even so God strikes their similitude's for men.

When you meet the unbelievers, smite their necks,
then, when you have made wide slaughter among them,
tie fast the bonds;
then set them free, either by grace or ransom,
till the war lays down its loads.
So it shall be; and if God had willed,
He would have avenged Himself upon them;
but that He may try some of you by means of others.
And those who are slain in the way of God, He
will not send their works astray.
He will guide them, and dispose their minds aright,
and He will admit them to Paradise,
and He has made known to them.

O believers, if you help God, He will help
you, and confirm your feet. But as for the
unbelievers, ill chance shall befall them!
He will send their works astray.
That is because they have been averse to
what God has sent down, so He has made
their works fail.
What, have they not journeyed in the land and
beheld how was the end of those before them?
God destroyed them; the unbelievers shall have
the likes thereof.
That is because God is the Protector
of the believers, and that the unbelievers
have no protector.
God shall surely admit those who believe
and do righteous deeds into gardens
underneath which rivers flow. As for the
unbelievers, they take their enjoyment
and eat as cattle eat; and the Fire shall
be their lodging.
How many a city that was stronger in might
than thy city which has expelled thee
have We destroyed! And there was no
helper for them.

What, is he who is upon a clear sign
from his Lord like unto such a one
unto whom his evil deeds have been

decked out fair, and they have followed
their caprices?

This is the similitude of Paradise
which the godfearing have been promised:
therein are rivers of water unstaling,
rivers of milk unchanged in flavor,
and rivers of wine--a delight
to the drinkers,
rivers, too, of honey purified;
and therein for them is every fruit,
and forgiveness from their Lord—
Are they as he who dwells forever
in the Fire, such as are given to
drink boiling water, that tears their
bowels asunder?

And some of them there are give ear to
thee, till, when they go forth from thee,
they say to those who have been given
knowledge, 'What said he just now?'
Those are they upon whose hearts God
has set a seal, and they have followed
their caprices.

But those who are guided aright, them
He increases in guidance, and gives them
their godfearing.

Are they looking for aught but the Hour,
and it shall come upon them suddenly?
Already its tokens have come; so, when
it has come to them, how shall they have
their Reminder?

Know thou therefore that
there is no god but God,
and ask forgiveness for thy sin, and
for the believers, men and women. God
knows your going to and fro, and
your lodging.

Those who believe say, 'Why has a sura
not been sent down?' Then, when a clear
sura is sent down, and therein fighting
is mentioned, thou seest those in whose
hearts is sickness looking at thee as
one who swoons of death; but better
for them would be obedience, and words
honorable.

Then, what the matter is resolved, if
they were true to God, it would be
better for them.

If you turned away, would you then haply
work corruption in the land, and break your
bonds of kin?

Those are they whom God has cursed,
and so make them deaf, and blinded
their eyes.

What, do they not ponder the *Koran*?
Or is it that there are locks upon
their hearts?

Those who have turned back in their traces
after the guidance has become clear to them,
Satan it was that tempted them, and God
respited them.

That is because they said to those who were
averse to what God sent down, 'We will
obey you in some of the affair'; and God
knows their secrets.

How shall it be, when the angels
take them, beating their faces and
their backs?

That is because they have followed what
angers God, and have been averse to
His good pleasure, so He has made
their words to fail.

Or did those in whose hearts is sickness
think that God would not bring to light
their rancor?

Did We will, We would show them to thee,
then thou wouldst know them by their mark;
and thou shalt certainly know them in
the twisting of their speech; and God
knows your deeds.

And We shall assuredly try you
until We know those of you who
struggle and are steadfast, and try
your tidings.

Those who disbelieve and bar from God's way
and make a breach with the Messenger
after the guidance has become clear to them,
they will nothing hurt God, and He will make
their works to fail.

O believers, obey God, and obey
the Messenger, and do not make your
own works vain.

Those who disbelieve and bar from God's way
and then die disbelieving, them God
will not forgive.

So do not faint and call for peace;
you shall be the upper ones, and God
is with you, and will not deprive you
of your works.

The present life is naught but a sport
and a diversion; and if you believe
and are godfearing, He will give you
your wages, and will not ask of you
your goods.

If He asks you for them, and presses you,
you are niggardly, and He brings to light
your rancor.

Ha, there you are; you are called upon
to expend in God's way, and some of
you are niggardly. Whoso is niggardly
is niggardly only to his own soul. God is
the All-sufficient; you are the needy ones.
If you turn away, He will substitute
another people instead of you, then they will
not be your likes.

[END QUOTING]

Did I not say to you two thousand years past that a prophet would come forth who would teach false teaching? Have my words not come to pass? Turn to *And They Called His Name Immanuel*, a Phoenix Journal, and recall the following passage.

[QUOTING:]

MOHAMMAD PROPHESED

Immanuel was silent. And they hit him again on the head and he moaned in pain and started to speak, "Verily I say to you, as you beat and mock me, you, too, shall be beaten and mocked. The time will come in five times one hundred years when you shall have to atone for this day. A new man will rise up in this land and whip and persecute you, and you shall have to pay with your blood.

"He will create a new cult and have people call him a prophet, and he shall persecute you throughout all times. Even though he will be a false prophet and bring you a new false doctrine, he has great power and will have your race persecuted throughout all time to come.

"His name will be Mohammed, and his name will be, for your kind, horror, misery, and death, which will be of your deserving. Verily, verily I say to you, his name will be written with blood and his hatred against your kind will be endless. But since he will be a false prophet and bring you a false doctrine, so will his cult eventually be finished, when your kind and his kind will put down the foundation for a bloody ending for this world."

[END QUOTING]

Now, scribe, turn to another passage in *And They Called His Name Immanuel*.

[QUOTING:]

PROPHECIES OF THE END DAYS

As Immanuel walked from the temple, the disciples wanted to show him a building in which the temple was built. But he spoke to them, "Do you not see all this? Verily I say to you, not one stone here will remain upon the other without being broken. For the Jews trespass against life and the truth, and they built this city on the blood of people. They plundered this land through rapaciousness and murder, and killed their friends with whom they drank wine. Thus they betrayed their own friends, and murdered them, because of their greediness. Likewise it shall be done unto them."

Later as he sat on the Mount of Olives, his disciples came to him and requested, "Tell us, when will this happen and what will be the sign?" But Immanuel answered and said, "See to it that no one leads you astray. For many will come in my name and say, I am Immanuel. And they will lead great numbers of ones astray.

"People will hear about wars and war cries; they shall see and not be startled. This is what must happen, but that is not yet the end. Because people will rise against one another and one kingdom against another, and there will be times of great need and Earthquakes and great floods all about the lands. This is the beginning of great calamities, and great cataclysms.

"Soon the people with the knowledge will be surrendered to grief and many will be killed. They will be hated for the sake of truth in their teaching and for their wisdom. Many kinds of cults will rise up against one another, and much blood will flow and many hearts and spirits will be broken. Many will succumb as a result of these conflicts and will betray one another, and will hate one another because they remained small in spirit.

"Because there will be lack of faith, love will become cold and deadened in many, many people. Hatred will rule over all the world and evil will reign for a long period of time. But he who persists in the truth will survive.

"This lesson will be preached throughout the entire world as testimony for all peoples, and then the end will come--when the word of truth has gone forth throughout the total of the lands.

"When the people will see the horror of destruction in Jerusalem and the lands there about, of which the prophets have already spoken, then the end will come.

"When this happens, whoever is at that time in the land of Judea, should flee to the mountains. He who is on the roof, should not come down from it to get anything from out of his house. He who is in the field should not come back in order to get his coat or any other of his possessions.

"Oh woe to the women in this place, who are pregnant and those who are suckling their babes at that time, for they shall suffer much grief and death. There will be multitudes.

"There will follow great grief as has never been before since the beginning of the world until now, and also never will be again. And, if these days were not shortened, no man would remain alive; but the days will be shortened for the sake of the spirit and wisdom, and for the sake of people who serve the truth and the Laws.

"There shall be untold gnashing and chattering of teeth, and great mourning and screaming when this time comes, because of man's lack of understanding and because of his greed.

"There shall be machines made from metal for use in the air, on the waters, and on land, to kill one another in great masses. They shall throw heavy projectiles out of these machines made of metal and they shall strike the cities throughout the lands. Fire will come out of these projectiles and burn the world so that hardly anything will survive, and that which does survive will not long be spared.

"They will put the cornerstones of life itself into the projectiles in order to kindle the deadly fires. And, if at that time the Celestial Sons would not appear in order to bring it to a standstill, verily I tell you, no one person would survive upon the face of Earth.

"Since the human race will, at that time, number at least ten times five hundred million people, two parts thereof will be destroyed and killed. When, at that point, someone will say to the people, 'Behold, here is Immanuel' . They shall not believe it, because many false Immanuels and false prophets will rise up and do great signs and wonders, so that if it were possible, also even the wise and knowing would be misled. Behold, I told you so before.

"Therefore, when they shall say, 'He is in the desert', man shall not go out, and 'Behold, he is in a chamber', they shall not believe.

"Since I will most certainly return at that point in time, I will let them recognize me; this is how the Law is written and thus shall it be. For, as lightning starts with the rise and radiates until its setting, thus will be my coming among the Heavenly Hosts with whom I shall have my renewed life at that time.

"Men of all time, beware; whenever the carcass is there, the vultures will gather, so beware of them.

"Soon after the grief of that time, Sun and Moon will no longer radiate, and the stars will fall from heaven and the powers of the heavens will become shaky. The structure of the heavens will be disturbed because of the senselessly erupted power of men who will be living in greed, power, and addition.

"There will then appear a sign in the sky. And then all the generations on Earth will cry and will see the Celestial Sons coming in the clouds of the sky, and they are of great power and will judge harshly against senselessness. Since God is the ruler over the three human races, He, therefore, will judge them through His representatives.

"Man owes God his creation and God is the ruler over him, so that he has to follow His commandments and respect Him as the greatest king of wisdom. He will send forth His guardian angels with loud trumpets and will gather His followers from the four winds, from one end of the Earth unto the other end."

[END QUOTING.]

I said it to you two thousand years past and it remains true. **YOU ARE THERE, PEOPLE. YOU ARE ON THE EVE OF DESTRUCTION.**

THE FALSE PROPHET HAS FANNED THE FLAMES OF RACIAL HATRED AND THE BLOOD SHALL FLOW IN THE STREETS. OH, FOOLISH, FOOLISH MAN. WHEN WILL

YOU LEARN THAT GOD IS NOT A DESTROYER OF LIFE?

THE COURSE IS LAID AND THE PLANS HAVE BEEN MADE. THE FORCES ARE RALLYING AND THE REST SHALL UNFOLD AS YOU MARCH TO THE PROPHECIES OF THE ANTI-CHRIST.

MAY GOD HAVE MERCY ON YOUR SOULS.

I AM SANANDA, RETURNED BUT NOT UPON YOUR PLACE.

I COME IN SERVICE TO GOD-ATON.

I COME WITH THE HOSTS AND THEY ARE MANY.

IN LIGHT, IN TRUTH, I SERVE GOD OF LIGHT AND THE CREATION.

MAY YOU ACT IN WISDOM IN THESE, THE DAYS OF TRIBULATION.

SALU.

CHAPTER 3

REC #1 HATONN

SUN., FEB. 1, 1998 8:21 A.M. YR. 11, DAY 169

SUN., FEB. 1, 1998

MISCELLANEOUS EVENTS

I have been very nicely petitioned to have something like we originally had called "Today's Watch" to somewhat clear what is REALLY happening when, say, the First Female goes off to Switzerland at a touchy time. You won't be told WHY, because if you were reminded, you would *know that it has everything to do with personal Clinton MONEY (Vince Foster did the runs when he was alive). Well, it has to now be tended because there must be a way to run a conduit flow, silently, between the account holders and the banking sources. That is, IF there are remaining funds, for the "5th Column" removed bunches of assets from those politician's accounts throughout the last couple of years and "retired" a bunch of political manipulators and quadruple dippers. You know, they all had to go "spend more time with my family"?*

If Billy is oozed out he will have a pretty rough time getting going again on his own--but Mighty Hillary will be into politics FULL TIME and will make a very large impact. How nice for Billy who would have lots of time for chasing the girls--except Hillary will dump him before that happens.

I am inclined to not be bound to a regular start of the morning with what I foresee for, by now, all of you should be glued to that boob box 24 hours a day and KNOW what is taking place without my input. Most of you, however, say you can't stand it--well, it isn't any easier for us to watch it. If somebody doesn't watch, the assumption has to be that you don't care enough to give a damn.

IRAQ

What is little Maddie trying to cook up in her whirlwind run? My, she is a busy little Antichrist, isn't she? She is doing everything she can do to START THE MOTHER OF ALL WARS!

While she is running and spewing, demanding and threatening, Saddam let a WHOLE BIG BUNCH of inspectors INTO IRAQ and they quietly went about inspecting and having meetings on accounting for the last 5% of any "missing" weapons. Iraqi teams destroyed, in the face of the inspectors for full viewing, some more dumps scheduled already for detonation.

Now, readers, doesn't that count toward good intentions? It certainly looks better to me than a MAJOR war which this time, good buddies, is going to hit on your doorsteps in the good old U.S.A. and points West and East. If the Arab nations hit BACK, and they will, there will be helter-skelter international retaliation to hopefully, to them, clear out vermin even in the luxury bunkers of Australia, New Zealand, Canada, the U.S.A., and any other hiding places of the Elite lizards. We do not speak of nice little mosquito-type lizards that eat insects which in turn makes home a nicer place to be. These are the lizards that poison an entire global habitation.

WILL RUSSIA JOIN ALBRIGHT?

It seems that it might be more difficult to convince some of the nations that destruction of the world

is better than patience--but, it seems that Russia has a bunch more patience than little Albright and Cohen.

Cohen says if we strike Iraq it will not be a meager..." Say what? The full intent is to strike those palaces where Saddam hides things under his bed, you know, and other inhabited centers, called homes. The touting is how terrible it is to use human shields--well, nobody is making anyone do anything, including Saddam Hussein. Would not you as Americans go forth and try to shield your hospitals and foundling homes? No?

When did you become so bloodthirsty and violent, good friends--of Jesus and god?

Your laws have always stated that you would keep out of other nations' business--police terrorists of the world.

Guess what: when you move to do this to helpless nations, you are going to get it back, in SPADES! There will be retaliation of which you never dreamed. The attacked will counter with bombs on your major cities housing Zionist centers of activities, major CITIES such as Chicago, Phoenix--even Denver.

SPACE SHUT-DOWN

There is a State of Emergency underway, as I write, where the U.S. and Allies have basically closed space activities in an attempt to make sure that satellites are left intact and, to shield their heinous weapons of MASS DESTRUCTION, there will be an ignition of the radiation belt (photon-belt effect) to keep those pieces of control equipment in safety--you know, to hell with the world and all the people in it.

No, they still won't bring nuclear garbage into our areas beyond 150 miles, and if they burn the Van Allen belt, you really have a problem, little Earthians. That kind of HEAT which burns radiation materials will fall-out in the same way you would get death FROM neutron bombings. The life forms will die off, sterilization of the species (all) will take place and you are a "memory". Oh, the gold will be left intact for the next inhabitants a zillion years from now and so too will the buildings, etc. But the winds and weather will knock them down and bury them before anyone comes along to use them again.

YOU HAVE SOME UGLY PLAY-MATES AROUND, PEOPLE, AND YOU PUT THEM INTO POWER WITH NO WAY TO GET THEM "OUT" OF POWER.

I don't think you really WANT a rundown of observations from me regarding your "mess"--EVERY DAY. And you who don't even watch the tube or read the press and do not do so as to not interrupt your "blissful state of ecstasy" will never know what hit you. Fine--but your CHILDREN WILL! GROW UP AND GET A LIFE WHILE THERE IS STILL LIFE TO BE GOTTEN.

You with access to Internets and e-mail outlets--pay attention and go find the intended restrictions coming up NOW to get that net under CONTROL and locate anyone who even attempts to get free information to the people. The movements taking place are happening at frantic pace and when that takes place, we go silent because we will not risk our people to send information out to people who only want to quarrel or ignore it for being "too big a bunch" to even read. We only need a scatter on the material--YOU do not have to waste your precious time left, dealing with it--just send it on, please.

YOU would rather dwell on Clinton's illicit and tainted-sick sex habits? Well, wait and see, while Clinton diddles--you are set to DIE, literally--if the demons of Hell can get it arranged for those massive strikes against Iraq. That Iraqi area is the very seat of Godly HUman origins and the world will erupt like you have never seen as those of Mohammad, Muhammad, Ma-hammed, and thus and so with your silly games of spelling, rise up to meet Israel's Antichrist--now home-officed and home-landed in the U.S.A., CANADA, BRITAIN, AND IN YOUR HOME TOWN, AMERICA. Nobody with the Antichrist gives a damn in Hell about little Israel or Palestine--they would as soon bury the evidence of their rise to power in the desert sands of simply another hated nation.

And Ms. Lewinski? She is a controlled butterfly sent in to do a job and did it; no more, no less. She is Jewish out of the power Elite wealthy "class" of Beverly Hills, California and did exactly what she was presented TO DO, even to getting into the Pentagon!

Well, "But, did Clinton have sex with her, proper or otherwise?" No, she GAVE him sexual expression but even complained that he would NEVER have "proper" or "normal" sex with her. Really? Who knows? The SHADOW knows! And yes indeed, those tunnels under the city running hither and yon give access to all sorts of fun and games for EVERYONE, not just Billy-boy.

Please ALSO NOTE that Clinton and child are spending a refreshing weekend at Camp David for their regular checkups and alteration courses. Buddy the dog seems to be getting the best care and attention of all, but he wouldn't even come near the NEW President the first day there. My, my, what DOES go on at these secret places? At first they even had to tie the dog to the cart in order to make sure he went along for the planned photo-ops.

No, I don't think you REALLY want to hear from me every morning!

I do have another observation about writings, however. It is wondrous that so many of you take to heart our efforts and even (d)harma's participation. I appreciate your concern about her keeping her "stuff" out of the way, or resent a possibility of her shoving it in, but, we write for 7-1/2 BILLION PEOPLE and I am hard put to believe some of you still have such a narrow perception as to think I am aiming silver bullets at YOU, specifically. If shoes fit, wear them, and yes, continue to bash and complain. We have a job and we are going to do it and you can stand in front of, within, behind or on top of your mirrors making judgments until Hell freezes (WHICH IT CERTAINLY WILL NOT DO) while we wade through duplicate copies of pages and pages of comments. We appreciate the words of encouragement but my people have to have rest, even if some of YOU do not. Thank you for your powerful purple paper; Germain, I suppose, enjoys it but I find it hard to read almost matching print.

Please, as you requested, read this with the intent in which it is offered. Not one person on the globe has to read or believe one iota of anything we present. My people do and shall and therein is the purpose of this central task. Or, perhaps we can shut this down and go park (d)harma in front of a mirror to see if she can find YOUR REFLECTION there.

I am reminded of "Forgive them Father for they know not what they do!" This time the toy soldiers are going to CRUCIFY AN ENTIRE PLANET, NOT JUST A PERSON IN JERUSALEM--AND IT IS TIME TO REMOVE THE MIRRORS ADMIRING SELF AND GET BUSY OR IT WILL NOT MUCH LONGER MATTER.

May we please move on now to our series:

RISE OF ANTICHRIST

PART TWO

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY TWO

VATICAN III QUICKLY NEEDED

(A)

When Pope John convened Vatican II there was less urgency and need to modernize the Church than there was necessity to "Restore all things in Christ". The self-styled theologians and a few powerful prelates who opposed papal supremacy, patristic interpretation of Scripture, and the oneness of the Church exercised an undue influence on the entire conclave of bishops by their cry for modernization. **They returned to their homes and began to patronize heretical ecumenism, insurgent clergymen, top-heavy racialists, odd liturgy, unpriestly behavior, and anti-celibacy groups. All this and more was tolerated or silently condoned by certain prelates who gave the impression that Vatican II was some sort of "Magna Carta" which not only opened a window but removed the Dome from St. Peter's.**

In the aftermath as we evaluate Vatican II it is not fair to quote, "By its fruits it shall be known," because the mistaken policies, divisionary spirit, challenging of authority and skepticism related to the Eucharistic Sacrifice are not attributable to either John or his successor, Paul VI. **The embarrassing truth is both John and Paul have not disciplined the radical bishops, priests, theologians and professors who misinterpreted and misconstrued the official documents of the Council.**

Bluntly, these two successors of Peter the Rock appeared to be too pliable in the exercise of papal discipline in an age which historians will characterize as revolutionary. They were dealing with rebels who should have been subdued, not tolerated; for all that is required to guarantee the success of an incipient revolution is that authorities endorse it by failing to nip it in the bud. A top executive simply cannot sweep a rebel under the rug. He must be vacuumed or his filth will breed vermin. That is a basic principle of history which obtains both in civilian and ecclesiastical life. And one, therefore, must so deal with an **Antichrist when he encounters him as did Christ who unflinchingly said, "Retro Satanas" ["Be gone, Satan!"]**.

This attitude of being tolerant towards offbeat cardinals, bishops and theologians has **cost the Vatican multi-millions of Catholic lay persons in the past few years alone**. They are scandalized Catholics surfeited with ethnic music, long-haired liturgy, mistranslated Latin, empty confessional boxes and a lack of discipline. **[H: Yes, just about everything the Protocols insist upon being now presented.]** They are disgusted Catholics whose prelates are more interested in destroying the value of residential properties with their brash endorsement of cross-district school busing than they are in **protecting the faith of their old-time parishioners**.

I should know better than permit myself to venture an excursion into radical politics. However, I shall extend my remarks to state that **Satan is using the racial syndrome to drive White Catholics from the Church because churchmen have gone overboard in their presentation of "Love your brother as yourself," and "whatsoever you do to the least of my little ones you do unto**

me." These Christly mandates of "love" have been tortured as has the norm of "Let your conscience be your guide."

Probably the Vatican officials do not fully comprehend the racial problem in America. Probably no prelate presented a documentation of the Angela Davis epic to them. This highly talented lady--in matters mundane--was recently declared innocent of murder and other charges by the California Courts. For more than a year she has been schooled to take over the leadership of the Black revolutionary movement--a fact which has been an ill-kept secret. Intellectually she is brilliant; morally, in matters of patriotic and theologic, she is an open revolutionary.

[H: Don't misunderstand what this author is presenting here lest you think it is more racially punitive than the original attitudes. What he is saying is, how dare anyone or anyone(s) come along and mandate, not so much what the White people will do--but to insist that whether or not it is "ok" with the Blacks, to push them into a totally alien environment and insist for "equal rights" of some stupid notion, they MUST go to assigned Churches and worship whatever is thrust onto them. Black people, by and large, like to make joyful loud noises unto God in appreciation, so to tuck them into a place and onto their knees to false icons with incense and candles is heresy. This attitude belittles a MAN more than any other kind of subservience.]

She is the new leader of the new leftists who have moved from protesting racial injustices into the polluted area of violent revolution. She has preempted the leadership formerly held by Martin Luther King, Jr., the N.A.A.C.P., the Panthers and all other Black organizations of any importance. She has the limited financial backing of two huge foundations; of some Catholic bishops through their contributions to ancillary organizations which, in turn, befriend her; of the Democratic political party; of many other institutions and organizations too numerous to mention. On her intellectual steering committee she has not only Herbert Marcuse but a score of highly trained, highly competent Communists.

On Sunday, June 18th, Miss Davis appeared at the State Fair Grounds in Detroit before an audience of twelve thousand and approximately twelve million on the radio and television. There she brazenly called for open revolution against our government.

The multitude of American Negroes are followers, not thinkers. **[H: Once again, no need to get angry, brothers, this stems from slavery of ANY KIND. Just as TODAY--you are NOT ALLOWED TO THINK! And, moreover, when a man begins to think and be heard--he is REMOVED from among the living or his reputation is so destroyed as to lose any possible followers of like-thinking. Don't get offended--there are proportionally MORE White and other "minorities" in the category of NON-THINKERS than you can conjure among the Blacks. Radical oppression always births radical revolution--it is the way of freedom seekers who usually cannot find another avenue through which to bring change.]** They are easily susceptible to this magnetic personage whose anarchy requires resistance and powerful condemnation. None has been forthcoming from Catholic officialdom.

Catholics in great numbers will not tolerate any longer their archbishop's policies and attitudes towards misled Blacks until he openly abandons Angela Davis. **[H: How is THIS for simply understanding?]**

As matters stand with millions of Americans and Catholics we no longer ask but demand that our bishops cease and desist their sponsoring of inter-district busing and their closing down of

parochial schools while they bestow diocesan funds upon nondiocesan projects. [H: I find it amazing that with such INSIGHT there is no ACTUAL "INSIGHT" where humanity has a foundation in equality, which SHOULD be within ANY Church claiming to be an offspring of GOD. Do I, then, curse the Catholic Church or any other Church? No, only the Churches of Satan--which seems to be all of them in this day of acceptance. I don't "curse" them in your terms of defining--I detest them and abhor them, but what YOU allow is your business and it has nothing to do with equality or freedom--it is simply a limited manner of gaining power and control over those searching for some measure of FREEDOM. If I chose to "curse" the Churches with annihilation, they would vanish, so we wait, and they will CURSE THEMSELVES INTO OBLIVION AS POWERS VIE FOR MORE POWER AND LEAVE GOD TO SERVE SATAN AS DO THE POWER-ELITE.]

Certainly there must be some type of pressure employed by radicals to have the top executives in Vatican City tolerate certain cardinals, bishops and hundreds of so-called theologians who are determined to destroy the structure of the Church, the essence of the Mass and Sacraments, devotion to Mary Immaculate and the primacy of the Papacy. Again, be it repeated, it is all too smart to be human. The authorities are not dealing with a prodigal son; for he came home. They are being victimized by a group of **pro-Satanists** who should be read out of the church unless they submit to authority as should their patron saint, deChardin, who, somehow has escaped condemnation because of technicalities, not because of open errors. [H: "Unless they submit..."?? Is this not a worse form of control--make someone "submit" and that one will ever hate you and all your breed until there is opportunity, and there is always opportunity in patience, to DO YOU IN.]

If, therefore, many of us persistently quote the yardstick of truth employed by Christ--"By their fruits they shall be known"--we do it because the evidence of decay is mounting every day. If freedom slowly settles down from precedent to precedent, so does slavery--slavery to Satan.

[H: Let us pause here for a minute and hear what we are barraged with from the "White" people who assume God and all Angels, Hosts and important beings, TO BE WHITE. We are asked to spend less time on "Churchy stuff", "...never mind the colored races..., we want to know about us Whites." Well, what makes YOU THINK that you are dealing with WHITE deities, Hosts and Christ-beings? Do YOU describe S. Spielberg as a White man? How do you describe Eddie Murphy? You limited-thought White people of the world had best look around--YOU ARE THE MINORITY! BY FAR, YOU ARE THE MINORITY. AND FURTHERMORE, THIS TIME YOU ARE REALLY ON THE WRONG SIDE OF THE FENCE FOR YOU HAVE JOINED WITH THE SATAN--WHO, BY THE WAY, IS WHITE ALTHOUGH "DARK". YOU, THROUGH YOUR INSULTING SMUGNESS, JOINED WITH YOUR VERY DEADLY ADVERSARY--LUCIFER, THE WHITE AND SHINING STAR OF HUMAN ASPECT. YOU PEOPLE HAVE PRIMROSES IN YOUR TEETH AND EARS FROM WALKING THAT SAD PATHWAY.

THE IMAGE OF GOD IS LIGHT, NOT "WHITE" AND YOUR "ASSUMPTIONS" AND ASSUMPTIONS OF MISINFORMATION ARE KILLING YOU OFF AT AN INCREDIBLE RATE. IT IS YOUR PROBLEM, NOT MINE.]

(B)

In developing some aspects of the Antichrist, it is important to recollect that from the beginning of civilization until Christ's time, Satan had not been permitted to wage total warfare on Earth. Christ's prediction that the "Prince of this world is coming" indicates that Satan was not unleashed until after pentecost [H: Whatever in the world THAT means.]; and then, apparently, in a graduated manner. [H: Can you see that these informed and well-meaning

leaders try to interpret that of which they have no notion? They take the incorrect teachings and try to fit them into TRUTH. It will not work, EVER. But, oh, this doesn't please YOU and it irritates you that we take notice of such indiscretions? Sorry about that; perhaps YOU are not the intended recipient of TRUTH for YOU will continue to your DEATH defending the lies.]

Marxism or Communism has grown and matured all the way from Arianism through the logical development of revolution--a growth encompassing sixteen centuries of conflict. Communism is the logical development of the mistaken Christian policies and practices of the past. It is a synthesis of all heresies; a compendium of all the false theories of sociology; a denial of all basic, natural and moral laws; and exaltation of Satanism. Yet Communism's rise to primacy in the short span of fifty years has been too spectacular to be man-directed; while the decay of christianity's influence equally has been too tragic to be the results of mere human hatred or ingenuity. *Satan is unleashed!* [H: Yes indeed, and leads both sides against the middle to explode in annihilation.]

One must be entirely myopic if he fails to see the dual cause of this strangest phenomenon in all history: First a lack of faith in their own potencies on the part of the Bishops; second the unleashed warfare of Satan. To my mind there is no better explanation. [H: See, this "Catholic" can't even recognize the Protestants.]

So far, in this year 1972, there is no indication that these two essentials are evaluated by authoritative churchmen as the main contributors to the tragedy of decadence in the Catholic Church.

[H: OK, readers, let us let this man off the hook for seemingly being so narrow. However, he looks first unto his own house's dirty windows, as it must be, before he can see far enough to evaluate other dark windows. You, too, must look about your own house and into SELF before you can even start to discern correctly or JUDGE actions in any measure of TRUTH. It took an incredibly brave and daring man to bring this kind of observation openly against the biggest and greatest Church in the world. There are bigger "religions"; there is no bigger CHURCH.]

Satan's first emergence from the tomb of confinement was almost contemporaneous with Christ's resurrection from the dead. [H: So, did Satan perhaps fabricate this incident of resurrection to SUIT HIS OWN NEEDS FOR CONTROL AND MIND-WARPING?] From that time his total assault against the Mystical Body of christ has been an orderly development until his year, 1972, when with all his astuteness, diplomacy, suavity and savagery, he is moving more quickly from parliament to pulpit, from classroom to clubroom, from mass-production unions to the media.

There has been no public "nipping in the bud" as far as the laity can see. As a result the seed sown by Marx plus the infidelity of leftist bishops have become a sizable mustard tree where the buzzards and crows have come to roost.

[H: Hummmn--smacks of the *PROTOCOLS* instructions: "In this manner we shall prepare Revolutions which the Christians will make themselves and of which we shall reap the fruit." "By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties; we shall destroy the unity of their nations; we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, *always united, and always devoted to OUR CAUSE.*"

NOW LISTEN UP: "...MAKE YOUR ("Jewish") SONS CANONS AND CLERICS IN ORDER THAT THEY MAY DESTROY THEIR (CHRISTIAN) CHURCHES."

"By our mockeries and our attacks upon them we shall make their PRIESTS RIDICULOUS, THEN ODIOS, and THEIR RELIGION AS RIDICULOUS AND AS ODIOS AS THEIR CLERGY. Then we shall be masters of their SOULS. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

"We have ALREADY ESTABLISHED OUR OWN MEN IN ALL IMPORTANT POSITIONS..." and, this may not appear to relate to Church but where else are brains of children more "educated" than in the restrictive boundaries of a religion? "But above all let us monopolize Education. By this means *we spread ideas that are useful to us, and shape the children's brains as suits us.*"

Today the situation becomes more alarming, especially when some informed Catholics in Europe anticipate Sicco Mansholt's rise to the top executive post of the Common Market following October, 1972. Already he has the backing of Willy Brandt of West Germany, Harold Wilson of Great Britain and Francois Mitterand of France. His advertised goal **is to establish socialism in all ten Common Market countries; then to erect a super-government to control the ten; then to turn the entity into its normal evolutionary development called Communism.** This forthcoming incident is the logical turn of the wheel which is spinning rapidly. The Prince of this world is enlarging his holding. **[H: !!!!!]**

Despite this evolutionary and revolutionary political phenomenon emerging in Europe and America there is still hope the fervor, faith and fearlessness of many bishops and Catholics will counterbalance the Satanists. **[H: Small chance! And why? It would simply further MORE misinformation and wrong assumptions.]**

Recognize that many of the philosophies and immoralities of the French and Russian revolutions have been firmly rooted in universities and seminaries; and generally accepted in part by a formidable segment of politicians. I refer not only to their economic theories of socialism already factualized in America and planned for all Europe but, more particularly, to their beliefs and attitudes toward authority. **In the case of Catholics this means eventually retaining or rejecting papal primacy and the entire concept of the supernatural life. [H: Wow, is that ever a wrong mouthful, as if the papal primacy is somehow SUPERNATURAL!]**

Prior to Vatican II all was not heaven on Earth; nor was the Catholic Church officered by 100-percent "believing" prelates. Then there was a motivation of public respectability which influenced prelates to follow, at least, the visible signs of being conservative, obedient bishops. The liturgy of the mass, the administration of sacraments, the silencing of radical priests--those and other "visible" signs of regularity were upheld, while wholesale scandal was not tolerated.

Following Vatican II the mask of external respectability has been discarded; indeed, in the name of Vatican II all those and numerous other excesses are practiced as if they were the orders of John and Paul and the official credo of the Council.

This is why it may be too late for the nippers to be employed. I fear the services of a chain saw are required in more than one diocese in the United States unless the Holy Father will risk seeing a portion of the nation's church becoming a stronghold of a new schismatic entity whose prelates will

endorse divorce, pre-marital experiments and rationalize abortion; **prelates who will succumb to the blandishments of the Federated Council of Churches with headquarters in the United Nations Complex.**

What chain saw is needed? None less than a Vatican III where the bishops will be summoned to listen and obey rather than pressure the Holy Father. **[H: FAT CHANCE!]**

There are many Scriptural references supporting this type of execution action. It was a procedure sanctioned by Christ and many of the early pontiffs. Possibly the present Papal Cabinet might reassess their overly patient policies and the spiritual loss which has resulted from their adoption.

[END OF QUOTING]

I ask that you readers be a bit patient while this collection of very insightful essays are presented. Do not divide yourself away from Truth just because you may not be catholic Catholic. Remember that "catholic" means universal and if a branch of misdirected intent sprang forth--don't be too quick to judge them lest ye be judging SELF more severely.

I did not say this man was correct in perceptions--I said he offers a lot of insight and if it is not what YOU expected, be patient, please.

I like a paragraph out of the next essay, number three: "'Christ versus Antichrist' may be an alluring title. Nevertheless, it neither crystallizes the totality of the stupendous contest which we are witnessing nor clearly and correctly identifies its armies and leaders. I refer not only to the surface confrontation between good and evil, but, more particularly, to the complicated warfare waged by the Creator on one side and, on the other, Satan, a potent spirit-creature."

Bear with us for this is going to get ever the more interesting as we move along.

Adonai.

CHAPTER 4

RISE OF ANTICHRIST

PART THREE

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY THREE

WAR IN THE HEAVENS

(A)

The battle between Christ and Antichrist began, probably, many millions of years before Jesus was born [**H: !!**]; many thousands of eons, possibly, before Earth and the solar system were created. Little do we know about this except from earliest records there has been a constant contest between good and evil.

Nevertheless, they who accept divine revelation as a factuality have translated the words "good and evil" into God and anti-god or Christ and Antichrist.

This basic contest is not a figment of the imagination. Evil surrounds us, engulfs us, and constantly threatens us as we incessantly either fight to destroy its invasions or surrender to its advances. It is an actuality of life which both christian and atheist accept.

Only christians seem to have a satisfactory, although revealed, explanation for its cause. While they insist God is not the cause of evil but merely permits it, they affirm that where moral evil exists, it is the result of creatures who choose, through their free will, to reject good.

"Christ versus Antichrist" may be an alluring title. Nevertheless it neither crystallizes the totality of the stupendous contest which we are witnessing nor clearly and correctly identifies its armies and leaders. I refer not only to the surface confrontation between good and evil but, more particularly, to the complicated warfare waged by the Creator on one side and, on the other Satan, a potent spirit-creature.

To skeletonize this divine drama, one should define the nature of its contestants, the cause of their hostile confrontation, the soldiers they employ and the progress of the war.

The multiple volumes scholars might write on this subject would be unsatisfactory because they would endeavor to encompass the techniques and tactics of super intelligent creatures immeasurably superior to human beings, together with the strategy of the infinite mind of God which brooks comprehension.

Yet, we men are in the battle. Brother unsheathes his sword against brother. And every angelic being, also, is involved in the Armageddon which will eternalize the victory of Christ or Antichrist.

[H: Be careful with the next for this can only be one man's PERCEPTION.]

Angels were the first free-willed creatures fashioned by God. The word "angel" is generic, meaning a created personage of a pure, spiritual nature. As the word "animal" comprehends thousands of species from a mono-cell germ to a man, so "angel" connotes, possibly, millions of spirit-species from the lowest to the mystical "four" who "grace the throne of the Lord". As creatures, they are endowed with intellects and wills immeasurably superior to man's. These personages were created outside heaven with the opportunity of earning entrance into God's abode where His infinite Goodness, Truth, Beauty and Orderliness are manifested. **[H: You see, if you have wrong definitions as accepted, you will err. "Outside of heaven...?" If you only can isolate heaven and Earth where does that leave hell or limboland? We have to be VERY CAREFUL that our perceptions are not passed on as absolute fact. Even when we define "absolute" can we understand "total". You are NOT loved by God "unconditionally"--YOU ARE LOVED BY GOD "ABSOLUTELY". Conditions are a major part OF GOD'S LAWS AND INSTRUCTIONS. I don't want to get sidetracked here, however, because the man has the right concept.]**

The entire concept of "angel" is unacceptable in the philosophy of the modern pagan. He is sure that science accepts as realities only entities of material nature; and is equally certain that in a "God-is-dead" world there is no worthy argument to support that war is being waged by Satan against God, both of whom are expansionist creations of the human mind.

At least, for argument's sake, may we question our materialists on a point: What lesson does Nature teach us in the totality of creatures with which we are familiar? First, there is a pattern in creation called "hierarchy". I mean it is evident there exist inanimate rocks; then, one step up the ladder, the loosest forms of mono-cell life in the vegetable world; then the lower animal world stretching from the microbe to the highly sensitive ape, dog and elephant; then, the human world possessing all the attributes of the entities below--mineral, vegetable, animal--and ascending above them to man with his intellect and will.

Of this the majority of men are certain--all save those who believe without proof that a lower species of non-life can produce a higher species with life. Confessedly, I balk at this because neither reason nor sensitivity can hurdle the axiom that "Nemo dat quod non habet" (One cannot give what he hasn't got.). Not only is reason against these Darwinians and erratic de Chardinists but also **is history: Why doesn't this natural phenomenon continue happening today?**

HOWEVER, this point is this: Why should God terminate His creation with man? After all, man is part material because of his body; and part spirit because of his intellect and will.

If there is a law of hierarchy stretching from the inanimate stone to the thinking man, why not go further? Why not create a pure spirit independent of matter? The pattern of creation we already know suggests the continuation of the pattern of creation we do not know--but believe, particularly since Christ who rose from the dead by His own power testifies to the truth of an angelic creation.

One does not anticipate that millions of materialists after reading the foregoing and the more philosophical contributions of eminent scholars will march to a Catholic church seeking Baptism.

(B)

We who also know so little about man know less about angels. Nevertheless, in common, some angels and most men, so we believe, share the title of sinner which many human beings forget when they assume that Christ died for the sins of man only. As a matter of fact, He died for the sins both of the "Earth people" and for the sins of the "outer world personages"--the fallen angels. [**H: BS SQUARED. HE did not die for either one. He died, if you will, "OF" the sins--because of the sins, not "for" the sins. YOU had best get THIS LITTLE ERROR IN PERCEPTION CORRECTED RIGHT NOW! YOU PEOPLE MURDERED THE VERY "CONCEPT" OF THE CHRIST AND EVER SINCE YOU HAVE GONE DOWNHILL IN A MAD SUCKING SOUND OF IDIOCY.**] As a matter of more important fact, He died not only to redeem and save men, (not fallen angels) but primarily to offer sacrifice to the Godhead who had been infinitely outraged by sins committed both by the fallen angels as well as by men.

[**H: Watch this next:**]

Possibly, for eons stars and galaxies were being formed from the dust of their predecessors which was pressured and compressed into new molten masses. Here scintillated a *new PLEIADES; THERE SHOWN PIERCINGLY THE LUSTROUS JEWEL OF ANDROMEDA*; each many times more ponderous than our solar system. On and on, beyond the calculations of human minds, the drama of creation continued to unfold itself while myriads of spirit-persons, unable to glimpse the face of God, were privileged to see Him intellectually reflected in the indescribable expanse of the heavens. [**H: How in the world do you suppose this gentle Catholic Priest lived into his eighties, with these concepts, in that narrow and restricted atmosphere of the Holy Church of Rome?**]

Satan, the super-minded angel, was there as were Michael, Gabriel and the uncounted royalty of the Seraphim. [**H: There is no ROYALTY off your physical place.**] They were capable of translating the glory of the material universe into its proper dimensions. "If this sublime orchestration of majesty, power, beauty and science evolves from particles of dust, through a hidden power of synthesis, how potent must be the mind of the Super Scientist who effected it? [**H: !!!**] HE MUST BE OMNIPOTENT! HE MUST BE OMNISCIENT! HE MUST BE THE FOUNTAIN OF BEAUTY! HE MUST BE GOD, THE INFINITE, THE UNCAUSED CAUSE OF ALL BEINGS!" [**H: Are we actually getting somewhere now?**]

It is presupposed, in speculation, that if, at a later date, God's revelations were made through prophets, priests and kings to human beings, likewise secrets in this distant past were revealed to the angels--secrets which these spirits, by themselves, were incapable of discovering or fully understanding.

It is also speculated that two tremendous mysteries were revealed to the angels; one, the Trinity and the other, the Incarnation. Upon the acceptance or rejection of these two mysteries, it is further speculated, the entrance of the angels into the throne room of God's glory and majesty depended. Their rejection of these mysteries meant disaster.

Even the mind of the mightiest angel is not so perfected as to comprehend how Three Persons can be in One God or how two natures, human and divine, can be in one person. These are God's secrets not revealed by Him and not understandable by created intellects any more than one could pour the Atlantic Ocean into a fairy's thimble.

Satan rejects these Godly secrets as philosophical contradictions. And again, there are other contradictions, thought he, which are unsolved in the Incarnation.

At this point Satan, possibly, began to define both the power and limitations of man."Man, part star, part spirit; man composed of flesh, blood and bone destined to depend for his existence upon the lower animal and vegetable kingdom; man unable to survive for a day without air, water and sunshine! If Christ is born as a man, therefore I will not adore Him!"

These and a multitude of decisions Satan flashed to his fellow angels who gathered about him as he voiced his rebellious "non-serviam" .

(C)

Here, then, is infinite rebellion. Here is the birth of evil. Or more correctly, here is the beginning of evil; for evil is the contradiction of good. In a moment the unknown planet of hell was created. In an instant, Michael, the Archangel, unsheathing the sword of God's Truth entrusted to him by the Holy Spirit, subdued both the mighty Satan and his followers. Crashing into hell went the power, splendor and hopes of these indescribable creatures who preferred pride and self to humility and God! Disobedience to God's authority is the cradle of all evil.

Satan, although in hell, dreamed of destroying the Christ-to-be even though He was still millions of centuries unborn.

Let us recall the Scripture upon which I base these thoughts: the date is fixed about 29 A.D.; John the Baptist is preaching on the banks of the Jordan. Curious and devout crowds stand in rapt attention as they listen to him tell the story of Isaias who both predicted the Virgin Birth of the Messiah and the prophecy of His passion as if it had transpired but yesterday. **[H: If you WRITE both the start and the end of the play what think ye of what might fall in between?]**

Day after day, John's audience was briefed concerning One whose sandals the Baptist was not worthy to unfasten. "It was he," preached John, "who came to placate the Father for the sins of the world, and to redeem the downtrodden children of this Earth--Jew and Gentile alike." **[H: OUCH! AND JUST WHO WAS THIS "JOHN"? Oh, I see, Baptist? And what or who was a "baptist"? Was this a man or a spirit? If it was "man" it stands to reason that his own reasoning might well have been somewhat clouded by eating nothing but grasshoppers and honey? "But the gospels say----?" WHO wrote the gospels? The BIBLE was not compiled for 300 YEARS after the fact. Then, only four were used from some 28. All share different information so the four chosen were chosen because they reflected what the authorities WANTED TOLD IN A MANNER ENOUGH ALIKE TO BE UNQUESTIONED. Ah, but are there ACTUALLY ANY WRITTEN GOSPELS AT ALL?]**

During these days of John's ministry, Christ was baptized. **[H: WHO WAS BAPTIZED? "CHRIST" IS A STATE OF BEING--A SPIRITUAL DEFINITION OF A GOOD STATE OF BEING. CHRIST WOULD NEVER NEED BAPTIZING FOR THAT IS A CONCEPT OF ACTION AND THOUGHT--NOT A "MAN". If this studied man can err in total concept is it not possible that 2000 years ago somebody else just might have perceived something incorrectly? Oh, I see, you instructed followers MUST NOT QUESTION EVEN OUTLANDISH AND STUPID PRESENTATIONS.]** At the ceremony John's audience heard a resounding voice from heaven crying out, "This is my beloved Son in whom I am well pleased." Jerusalem heard it. The Pharisees heard it. And, above all, *Satan in the depths of hell heard it.* **[H:**

My goodness, THAT was a loud voice to be sure.]

Suddenly Satan became aware that Isaias and David who predicted the advent of the Messias, were more than poets. "They," he exclaimed, "were inspired messengers of God. Their prophetic voices have come to challenge my conquest of Earth and its inhabitants. This Jesus [**H: WHO?**], therefore, must either adore me and be destroyed or I must be crushed and forced to say "Thou are God!" [**H: And so it went and through the years this later-created non-entity "Jesus" did, in their speakings, come to totally adore Satan and upon the lie was built the temple of Satan and the capstone of the pyramid was set to confound all who would come for the religions would preach of this "Jesus" while never again turning to Esu ("Jesu") Immanuel and certainly having NOTHING to do with CHRIST.]**

Thus, the hour of truth had arrived and so had the hour for action. Satan's first encounter with Christ is at hand.

In modest prose we read of it in the Fourth chapter of *Matthew* [**H: WHO?**]: (Matt. 1-11) *Then Jesus was led into the desert by the Spirit, to be tempted by the devil. And after fasting forty days and forty nights, he was hungry. And the tempter came and said to him, 'If thou art the Son of God, command that these stones become loaves of bread. ' But he answered and said, 'It is written, Not by bread alone does man live, but by every word that comes forth from the mouth of God. "'* [**H: WRONG AGAIN. It is by bread and things necessary to the flesh of man that he lives, literally. The SOUL of man lives by the WORD for it needs no food; it only needs thought.]**

*"Then the devil took him into the holy city and set him on the pinnacle of the temple, and said to him, 'If thou are the Son of God, throw thyself down; for it is written, He will give his angels charge concerning thee; and upon their hands they shall bear thee up, lest thou dash thy foot against a stone. ' Jesus said to him, 'It is written further [**H: WRITTEN?**], Thou shalt not tempt the Lord thy God."*

*"Again, the devil took him to a very high mountain, and showed him all the kingdoms of the world and the glory of them. [**H: My goodness that "devil" was a busy hunk taking this man everywhere from the spire of the temple which must have been most uncomfortable to running him all over the wilderness like a stupid sheep and parrot. You are talking about a CHRIST? Come on people, even YOU might say enough is enough already and a CHRIST would not bite in the first place. So, who is presented as the actual FOOL in this little picture drawn to suck you in?]** And he said to him, 'All these things will I give thee, if thou wilt fall down and worship me. ' Then Jesus said to him, 'Begone, Satan! for it is written, The Lord thy God shalt thou worship and Him only shalt thou serve. ' Then the devil left him; and behold, angels came and ministered to him."*

[H: My, my, and it took him all that time to say no? CHRIST? And YOU believe this bunch of BS as if it is TRUTH? How long will it take YOU, people of the LIE?]

Unfortunately, this significant drama has not been emphasized sufficiently either in pulpit or press. [**H: How can this be emphasized "sufficiently" when it is not TRUTH? Somebody "out there" will see through the lies and bury the preacher. You base your entire lives and souls on lies and then complain that someone doesn't stress the "significant" lies?]** But there it stands in the record of christianity. Call it the first foray in the Battle of Armageddon, if you will. Whatever name one gives it, the gauntlet has been thrown down as error sets out to overcome truth, hatred to destroy love, ugliness to vanquish beauty, chaos to dispel order and Satan to become the Prince of

this world for all eternity.

[H: Yep, all that and more because the teachers of the teachers TEACH LIES!]

This earthly beginning of the drama began multi-millions of eons ago **[H: Yes, and that is why you can't have truth here for it fits so nicely with the Satanic plan as to stretch even the Devil's imaginings]**, possibly, long before Earth had been formed and coalesced from the dust of countless, fragmented planets. It will not end until Earth, the battleground, will become devastated, depopulated and un-habitable, either from natural causes of planetary attrition or by a positive act of God. But surely and certainly it will come to pass. **[H: NO, it will NOT come to pass. GOD does not need a "battleground" and certainly would not cause upheaval to his precious creations. The fragments of Satan in the LIES, will make the Earth a battleground and blow it to Hell where the energies of this warped plan are destined to be anyway.]**

Meanwhile, as Scripture informs us **[H: Here we go again with those Scriptures out of the tampered book.]**, there are the blessed spirits--Angels, Archangels, Thrones, Dominations, Principalities, Powers, the Virtues of the Heavens, Cherubim and Seraphim **[H: WHO SAID?]**--who bowed their intellects and wills to the ineffable secrets which the Omniscient God revealed to them. For eons they have been enjoying His vision face to face. In the indescribable horrors of hell are the rebels who joined Satan in his "non serviam".

Beyond Earth-time even though galaxies and stars will continue their orbiting around the immovable, motionless centrum of God, this war will have ceased, Satan will have been defeated and God will be victorious for eternity.

[H: NO AGAIN! What a nice thought? How dare you or anyone else of MAN's ilk decide what GOD IS and pronounce the above upon anything, and much the less, eternity. If the galaxies and stars will continue their orbiting, then there will always be the presence of both the concept of good and evil for both are birthed (created) by the THOUGHT OF GOD'S PROJECTIONS. This old concept of "God will be victorious for eternity" concludes that all will live, like the fairy princess, happily ever after. People, FROM THE LIES CANNOT COME TRUTH! TRUTH IS--AND IS, FROM THE BEGINNING THROUGH THE ENDING--EXCEPT THERE IS NO SUCH THING AS A BEGINNING OR AN END.]

[END OF QUOTING]

I really don't know how much of this we will utilize, perhaps all 12 essays for they, in themselves, are such teaching tools, but tedious and some things cannot be left to be stated "as fact". But WHERE are we in instructions? We have been at this almost a decade now from JUST this keyboard and you don't seem any closer to understanding that THE BAD DEAL WAS DUMPED ON YOU, FINALLY, WHEN IT WAS ALLOWED THAT SATAN USURP THE VERY CHRIST. WHAT MAKES YOU THINK THERE WAS A JESUS? WHAT MAKES YOU THINK THERE WAS EVEN AN IMMANUEL? THESE WRITERS WHO TELL YOU WHAT TO BELIEVE, AND CERTAINLY THE TRANSLATORS, WERE NOT THERE EITHER! You are given hocus-wadded into book bindings and in direct confrontation to every other religion yet, and accept it like sheep to slaughter. Even the Jews adamantly rejected this "Christ" being dumped on them. It was not until it became handy to bring forth the JUDEO-CHRISTIAN combination that JESUS became even a recognized person of any kind. HOW DARE YOU DUMP YOUR TRASH UPON THIS PERFECT TEACHER? YOU ERR GREATLY IN YOUR IGNORANCE.

One thing this author is right about--and the Satanists know it as well--is GOD WINS and HELL BECOMES. You help build Hell and you shall be left within its limitations and that, people, is a promise. You so-called "Christians", if Heysoos (Jesus, that Greek character of Saul's) is THE BEST TOOL FOR TAKEOVER EVER INVENTED TO "GETCHA"--what ever happened to that nice Esu Immanuel, the Great Teacher? Oh well...!

Why don't you "thinking" people with the GIFT of reason and logic (and choices)--THINK? GOD SAYS IT IS ALRIGHT!

How much longer will we make you uncomfortable and miserable while you have to "think about it"? Not much longer, for the hourglass is empty. Salu. ADONAI.

CHAPTER 5

REC #2 HATONN

MON., FEB. 2, 1998 9:12 A.M. YR. 11, DAY 170

MON., FEB. 2, 1998

EARLY WARNING REPORT

On the Front Page of the media press yesterday there were big headlines regarding Clinton's affairs and a smaller one on plans for a military strike on Iraq, AND, A COLUMN DEVOTED TO CLOSING OF MORE MILITARY BASES IN THE U.S.! Do any of you see anything wrong with this picture?

Well, as is usually our "good luck", we get some backup almost immediately when we need it these days and I want to share Richard Maybury's article on this topic. He is the one who presented *The New Axis* for our sharing and this is very well and insightfully done. I don't even need make further comment except to advise all people who come into contact with this man, LISTEN TO HIM.

Maybury says, about *The New Axis*: "*I believe a secret alliance against the US has been formed by Iran, Iraq, Syria, Libya, North Korea, China, Pakistan, Chechnya, Serbia, Sudan and the Taliban in Afghanistan. Other nations may be secretly joining, AMONG THEM SAUDI ARABIA AND KUWAIT.*"

[QUOTING, Early Warning Report, Feb. 1998:]

Dear Reader,

Not only has US military power been slashed, troop morale has been demolished.

The public does not realize that during the Cold War, most deployments were for long periods to permanent bases where troops could live with their families. Today, under Clinton, US troops are world cops for the UN. They are hustled from one war zone to another like pawns on a chessboard. Many are separated from families more than four months per year, every year. The best and brightest are quitting.

The Air Force has a pilot shortage. Pilots have been resigning at such high rates that the Air Force does not have enough to fly its planes, despite bomber strength having been cut to 138 planes, from 301 in 1990, and fighter strength to 1,700 from 2,800.

Air Force Times asked pilots: what's wrong? One big complaint is that air crews sent to Saudi Arabia for the continual face-offs between Clinton and Saddam Hussein have been *forbidden by the Saudis* to fly enough training flights. "It means having combat skills erode dangerously," said the *Times*.

When a man leaves his family for possible combat on the other side of the world, he likes to think he will have a fair chance of coming back alive. Clinton's Saudi buddies have taken away this fair chance.

I said in the 1/98 *EWR* that it's likely the Saudis and Kuwaitis are close to switching sides and joining the New Axis. Yet Clinton still uses US military personnel to protect these royal gangsters. **[H: Note yesterday that Albright got full cooperation from Kuwait--but, can you trust anything these thugs do? If they are outnumbered by the Arab coalition they will join with their "own". Britain and Bush BOUGHT KUWAIT AND BAHRAIN AND DON'T FORGET IT!]**

Political power corrupts both the morals and the judgment.

Like Christianity, Islam has various factions, the main ones being the Sunni and Shiite. **[H: Keep this information handy, please, so you know the players in this unfolding play.]** Saudi Arabia is the center of the Sunni, Iran the Shiite. *THE ECONOMIST* reports that ever since the December Islamic conference I told you about in the 1/98 *EWR*, Saudi Arabia and Iran are "now being cozily called 'the two wings of Islam' ." I doubt the Saudi rulers have gone over to the New Axis YET. but they must be on the verge.

After all, what sheik would want to depend on protection from a president who can't even control **his harem**? That's not a joke; it's how they'll really see it. He is their kind of people, except that he's not very good at it.

Chaostan contains at least 80% of the total world oil supply. Its economic troubles are accelerating the shift of alliances. Will 1998 be the Big Year when Chaostan explodes? Stay tuned. *Richard Maybury*

[H: You won't find "Chaostan" on the map--it is a word of Mr. Maybury's invention to indicate the areas of CHAOS.

There is an inset which might give you a thrill. This is from the NAVY TIMES, George C. Wilson, January 12, 1998: "Nobody knows what the armed forces will be doing in the 21st century. Everybody knows they won't have enough people and guns to do everything the current two-war strategy requires."]

[END OF QUOTING]

Next: One of our long-time partners has sent a rather interesting observation about *KOL NIDRE* which I find might wipe out some of the detailed questions we always get regarding possibilities and misperceptions. It stands on its own without comment from me:

[QUOTING:]

1-31-98

...Having just yesterday finished reading vol. 15, num. 9, of *CONTACT* (it was a job to get it done in time to receive today num. 10), I have a comment to make regarding the *Kol Nidre* "prayer" that is **supposedly** recited at the beginning of the Yom Kippur (Day of Atonement) holiday. Technically, it's not said at the beginning of Yom Kipper. Here's why:

In the "Jewish" way of counting days and measuring time, the day ends at sundown and the next day begins just afterwards. The "time" that sundown occurs is easily obtained. It's usually mentioned on the TV evening news. Let's say that it takes 15 minutes to recite the *Kol Nidre* 3 times

and that sundown occurs at exactly 6:00 PM.

The *Kol Nidre* will then start at 5:44 PM and be completed at 5:59 PM. There will then be a pause of one to two minutes before the opening prayer of Yom Kippur begins. When one is accustomed to the days changing at midnight, it certainly appears that *Kol Nidre* is the opening "prayer" of Yom Kippur. However, in actual fact, it is (was) said the day before. Why is this? I offer two possible explanations.

One, the "Jews" don't want to "mess" with the holiday itself, and two, (as you have mentioned [I believe] previously in *CONTACT*), if the "Jews" have an opportunity to tell the truth or tell a lie, either of which will not "cost" them anything, they will always opt for the lie.

So, the apparency is that *Kol Nidre* is the opening "prayer" of Yom Kippur, whereas technically, it was said the day before. I know that it is a "small" point, but I wanted to refresh your memory on it.

Thank you for all that you do to bring us The Word. I do greatly appreciate receiving the lessons each week in *CONTACT*. Please keep it coming as long as it is possible to do so. With deepest respect, I am--Sincerely, *G.M.*

[END OF QUOTING]

Small thing? NEVER! This is EXACTLY what you have to watch out for in dealing with Antichrist--excellent example.

What did Clinton say about his relationship with Ms. L?? He said "I am not..." Meaning, "At this moment I am not..." This is LAWYER speak. Now what happens when a person gets up in court to object to the use of *Kol Nidre* by all the attorneys and judges present in the courtroom and says: "The first prayer is... "?? You got it, it will be immediately tossed out of court on the basis of it is not true. Antichrist learns the technique of LYING from the day of birthing. It is NOT a small detail and should be placed right now in an easily accessible place for USE.

May we please move on now to our series:

RISE OF ANTICHRIST

PART FOUR

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY FOUR

WAR ON EARTH

(A)

It is normal even for men who believe in the existence of the spirit world to underestimate the abilities of angels. As a matter of fact both the intellectual and volitional powers of the most insignificant spirit transcend overpoweringly the faculties of men.

In the case of Satan, whom scripture regards as one of the mightiest, he began planning from the outset the destruction of the entire Universe and its multi-billions of galaxies, planets and stars. However, his revenge died aborning because Michael and his hosts already had been placed as custodians to protect God's inanimate creatures. Having become aware of this, Satan's attention then focused upon the new intellectual world which was about to dwell upon Earth. Against Adam's progeny, then, he would concentrate his attack. "Strike first at the parent of mankind; then at his children who will inherit the father's fate; then desecrate the image and likeness of God after which each is moulded." (He failed, fortunately, to visualize Mary, the one exception.)

[H: I am not going to interrupt every time there is a misspeak for it would never allow us to finish this topic. We are dealing with a Priest of the Roman Catholic Church who does not in any way ACTUALLY discount the Bible and the myths--he simply tries to justify some misinterpretations. We now KNOW that this is not the way to TRUTH but it is time YOU pick out the truth from the misperceptions and then TRUTH can be evolved FROM THE WHOLE!]

IT IS VERY IMPORTANT TO CONSIDER THAT "GARDEN OF EDEN", HOWEVER, WHERE THE ANTICHRIST DEVIL APPEARED AS A SERPENT. THAT IS A "FACT" IN THAT THE VERY NAME GIVEN SELVES BY THE ANTICHRIST FACTION AND HOW THE TRIBE WAS RECOGNIZED SYMBOLICALLY: THEY WERE THE "SERPENT PEOPLE".]

"These persons," said Satan to his fellow prisoners, "are both more precious and vulnerable than the planets. But their inherited proclivity to evil, together with their pride and pursuit of illogical freedoms, have made them my certain victims. Them I will capture and for eternity I will hold them in Hell to taunt the Creator. This will be my revenge," so the sacrilegious Satan planned--and planned well.

Despite his mastery of psychology and his superb intellect, Satan miscalculated.

From all eternity God foresaw this satanic plan and understood the abysmal weakness of his miscalculation. Satan's mind did not comprehend how the Infinite Creator could interfere with man's inherited sin. **[H: WHAT inherited sin? Man is and was made in the perfect image of God Creator--WHAT ORIGINAL OR INHERITED SIN? NEVER FORGET WHILE READING THIS MATERIAL THAT "A MAN" IS OFFERING HIS OWN VIEW IN PERCEPTION OF HOW IT MIGHT HAVE BEEN--NO MORE! There are so many lessons in these Essays that I hesitate to NOT use them but there are so many GROSS MISINTERPRETATIONS THAT TRUTH IS NOT TO BE FOUND. I REMIND YOU THAT YOU CANNOT JUSTIFY SOMETHING INTO "TRUTH" IF THE JUSTIFICATION BASIS IS FOUNDATIONED ON A "LIE". I may have to yet consider not using much more of this volume; however, there is such historical evidence in some of the later essays that need presenting, for a Church Priest to unfold some of the information he shares is absolutely beyond mind-expanding.]** Satan, not calculating how the progeny of Adam could be pitied by God without His condoning sin, did not understand how the Infinite, just God could also be an Infinite, merciful God. That was a major miscalculation. Nor did Satan suspect the workings of Mercy because angels, with their errorproof intellects, even in the time of their probation, failed to conceive the quality of mercy. Mercy is intended for those who, through circumstances beyond their control, are not totally the prisoners of Justice even though they inherit the punishment due to sin. In the court of mercy they can plead for a second chance.

This, then, was an intellectual depth not sounded by the mighty Satan. This, then, was the basis for God's eternal planning to organize a human army to withstand Satan and his fallen hosts; a human army whose every individual could lay claim for a second chance.

That men had been victimized by their firstparents; that Adam's progeny had no option to reject his sin was certain. Thus, the infinite Wisdom unfolded the plan of His infinite Mercy: "I will send my Son to Earth. He will be both true man and true God. He will found an army of men who will believe in Him. I, the Christ, will use the despised mancreature to overwhelm and conquer Satan. I, the Christ, will surrender my life to compensate for the sins of both angel and man against the Godhead. And I, the Anointed, will elevate fallen men from being incompetents into warriors armed with invincible weaponry of grace. Men will become personages mystically united in body and soul with Me, and have as their leader, the Paraclete, against Whom 'The gates of hell shall not prevail.'"

[H: THIS IS THE BIGGEST BUNCH OF NONSENSE I HAVE YET READ AND THE WORST DIALOGUE YET PUT INTO THE MOUTH OF "THE CHRIST" BY WHATEVER NAME. GOD DID NOT COME TO YOUR PLANET TO SAVE YOU, DIE FOR YOU, BLEED FOR YOU, OR DO ANYTHING OTHER THAN BRING YOU THE TRUTH. OBVIOUSLY, NO-BODY HEARD THE TRUTH AND STILL DO NOT HEAR THE TRUTH!! CAN YOU NOW, PERHAPS, UNDERSTAND WHY YOU MUST NOT JUST TAKE ANOTHER'S CONCEPTS AND OPINIONS AS YOUR OWN LEST YOU FALL TO DOOM OFF THAT CLIFF OFFERED TO YOU?]

"Meanwhile, having accomplished My mission, I shall wait while generation after generation of men will constantly battle Satan until final victory." **[H: Ah, but nobody has battled Satan--you have all taken the bait, swallowed the LIES, and NOBODY HAS BATTLED SATAN FOR YOU DIDN'T EVEN KNOW WHO WAS SATAN! WORSE, HOW COULD YOU BATTLE?--YOU DIDN'T KNOW WHO YOU WERE OR ARE!]**

Pardon the above humanistic paragraphs and such unworthy words as if they were spoken by God. It was simply an [my] effort to emphasize the preparations made by the Godhead to subdue Satan for eternity.

[H: By the way, God will and never has had a problem subduing Satan so to ascertain that God had to prepare for all these eons of time is a foolish assumption. God creates; God uncreates. Therefore the lessons are ALL for you-the-people. And, furthermore, until you get TRUTH as your LIGHT leading the way--you will never know "subduing Satan". You have no desire nor want to subdue Satan so don't lie to selves. You want a savior and body-snatcher to Rapture you to somewhere wondrous without responsibility for HERE or THERE. You love the things of Satan in the physical environment and certainly will NOT object to a few indiscretions to get them in the realization of "having stuff". You can have abundance THROUGH GOD AND HAVE TRUTH, SALVATION AND FREEDOM. Why, oh why, do you so struggle to remain shackled to ANTICHRIST? FREEDOM COMES WITH CUTTING LOOSE THAT BASTARD FROM HELL, THAT PARASITE WHO SUCKS EVERY LAST DROP OF BLOOD FROM YOUR SOUL AND BEING! ANTICHRIST HAS STOLEN YOUR "CHRIST" AND YOU NEVER EVEN FLINCH--JUST TAG ALONG ON THE WRONG ROAD WHILE PLAYING AT PETER COTTONTAIL GAMES. YOU WILL NOT FIND "CHRIST" ON A CROSS IN ISRAEL--YOU WILL FIND "CHRIST" BOTH WITHIN SELF AND WITHIN THE FREEDOM OF THE PERFECTION OF THE HEAVENS, SILLY BABIES. YOU CANNOT HANG "CHRIST" ANY MORE THAN YOU CAN HANG THE WIND. GROW UP.

It's too hard to "let go" of tradition and training? WHY? If you were told you have a pile of gold you just purchased and it turned out, when you needed your selling profits, that it was yellow-covered lead--what would you do? You WOULD let go and perhaps, even, go get the scroungey nincompoop who did you the dirt. Did that ever occur to you when pertaining to the lying thieves of your soul and life? So be it, for some "too hard" is simply too hard and you will jump off the cliff to prove you have the right to kill self.]

In brief, Satan was trapped by his pride which indicated that God's Justice would make it impossible for Him to utilize the unknown virtue of Mercy.

During the nineteenth and twentieth centuries christianity has had its glories. Not since the days of Peter and Paul was the missionary activity in the church surpassed. **[H: NOR WERE THE ATROCITIES OF THE MISSIONARIES AND MISLEADING PRESSURES OF THE CHURCH GREATER. THERE WERE NEVER GLORIES IN THAT WHICH IS RECOGNIZED AS THE "CHRISTIAN CHURCH"--WHAT ABOUT THE CRUSADES AND BLOODSHED? WHAT ABOUT THE GREAT INQUISITIONS? WHAT ABOUT THE BURNING, IN THE NAME OF JESUS, THE PEOPLE SUPPOSED TO BE WITCHES AND PSYCHICS? YOU ARE LUCKY TO BE ALIVE, YOU WITH ANY INSIGHT AT ALL.**

PETER WAS A COP-OUT AND HIS REAL STORY WAS BURIED FOR CENTURIES. THE "PAUL" SPOKEN OF HERE WAS SAUL OF TARSUS AND ONE OF THE MOST EVIL MEN OF THE DAY AND THE ARCHENEMY OF THE TEACHER AND "CHRIST". HANGING ONTO THESE FALSE IMAGES IS GOING TO DESTROY YOU AS SURELY AS THE CUP OF HEMLOCK GOT OLD SOCRATES.] Vocations were nurtured in parish schools. Seminaries were filled with ardent students; convents were filled with human angels of Mary Immaculate. **[H: NO, NO AND NO! These places were filled with those who were misled and became further steeped into and forced within the LIES. Perhaps the next paragraph might well have some insight:]**

Possibly these years outshone the *splendor of the thirteenth century*. Not only bishops, priests and dedicated young nuns enrolled in the army of the Church Militant; there were at least 500-million baptized and confirmed lay persons in a world population of 2-1/4 billion.

[H: THIRTEENTH CENTURY? My oh my, that coincides exactly with the takeover of Antichrist through the Khazarian tribes still referred to as Serpent People. Let me make a side quotation here from HISTORICAL FACT:]

[QUOTING:]

In the Latin St. Jerome 4th century Vulgate Edition of the *New Testament* Jesus is referred to by the Genitive Plural of "Iudaeus" in the Gospel by John reference to the inscription on the Cross -- "Iudaeorum". It was in the 4th century that St. Jerome translated into Latin the manuscripts of the *New Testament* from the original languages in which they were written.

This translation by St. Jerome is referred to still today as the Vulgate Edition by the Roman Catholic Church authorities, who use it today. **[H: So, where has Father Coughlin been hiding?]**

Jesus is referred as a so-called "Jew" for the first time in the *New Testament* IN THE 18TH CENTURY editions in the ENGLISH LANGUAGE of the 14th century first translations of the *New*

Testament into English. The history of the origin of the word "Jew" in the English language leaves no doubt that the 18th century "Jew" is the 18th century contracted and corrupted English word for the 4th century Latin "Iudaeus" found in St. Jerome's Vulgate Edition. Of that there is no longer doubt. **[H: Hang on, I am getting to the thirteenth century.]**

The available original manuscripts from the 4th century to the 18th century accurately trace the origin and give the complete history of the word "Jew" in the English language. In these manuscripts are to be found all the many earlier English equivalents extending through the 14 centuries from the 4th to the 18th century. From the Latin "Iudaeus" to the English "Jew" these English forms included successively "Gyu", "giu", "Iu", "Iuu", "Iuw", "Ieuu", "Ieuy", "Iwe", "low", "Iewe", "Ieue", "Iue", "Iye", "Iew", and then finally in the 18th century, "Jew". the many earlier English equivalents for "Jews" through the 14th centuries are "Giwis", "Giws", "Gyues", "Gywes", "Giwes", "Geus", "Iuys", "Iows", "Iouis", "Iews", and then also finally in the 18th century, "Jews".

[H: Ok, lets try the 13th century on for just the presence of the word "Jesus" and YOU WILL NOT FIND IT. WHAT WILL YOU FIND? YOU ARE GOING TO FIND RIGHT HERE AND NOW THAT "JESUS" WAS ACTUALLY ESTABLISHED AS A WORD IN ABOUT THE 14TH CENTURY AD. THIS EVEN LEAVES OLD SAUL THE GOAT, OUT.]

...By this adopting-adapting process the Latin "Iudaeus" and the Greek "Ioudaios" finally emerged in the 18th century as "Jew" in the English language. The English speaking peoples struggled through 14 centuries seeking to create for the English language an English equivalent for the Latin "Iudaeus" and the Greek "Ioudaios" which could be easily pronounced in English from its English spelling. The English "Jew" was the resulting 18th century contracted and corrupted form of the Latin "Iudaeus" and the Greek "Ioudaios". The English "Jew" is easily pronounced in English from its English spelling. The Latin "Iudaeus" and the Greek "Ioudaios" cannot be as easily pronounced in English from the Latin and Greek spelling. They were forced to coin a word.

[H: NOW PAY ATTENTION!]

The earliest version of the *New Testament* in English from the Latin Vulgate Edition is the Wiclif, or Wickliffe Edition, (a man), published in **1380**. In the Wiclif Edition **JESUS** is there mentioned as *One of the "iewes"*. That was the 14th century English version of the Latin "Iudaeus" and was pronounced "hew-weeze", in the plural, and "iewe" pronounced "Hew-wee" in the singular. In the 1380 Wiclif Edition in English the Gospel by John, XIX.19, reads "Ihihesus of nazareth kyng of the iewes". Prior to the 14th century the English language adopted the Anglo-Saxon "kyng" together with many other Anglo-Saxon words in place of the Latin "rex" and the Greek "basileus". The Anglo-Saxon also meant "**tribal leaders**".

[H: I think we might leave this little inset of information with you and continue ahead--but, you had best understand something: that "JESUS" was a fabrication of the JEWS any way you cut it--and was not ESU IMMANUEL, THE TEACHER. YOU HAVE FOLLOWED THE LIES UNTIL YOU CAN'T EVEN SEE WHEN YOU HAVE BEEN "HAD" AND YOUR REFUSAL TO SEE IS FAR MORE IMPORTANT THAN YOUR "IGNORANCE".]

[END OF QUOTING]

Now, continuing with our original document on Antichrist:

[H: Get the misinformation in this last sentence before starting on part (B):]

Satan played dead while he and his mystical body were preparing to launch a new attack on God's church Militant.

[H: Played DEAD? Satan has never played "dead"--he has never had to even consider slacking off his gathering of fools nor has he ever had to "launch a new attack" on anything-- HE WROTE THE BOOK OF INSTRUCTIONS, INCLUDING THE PROPHECIES AND THE ENDING HAPPENINGS, TO COVER HIS DASTARDLY APOCALYPSE AND ARMAGEDDON TO END HIS PLAY. YOU HAVE SUCKED IT IN HOOK, LINE, SINKER, AND DEAD FISH.]

[END OF QUOTING]

I'm pushing the clock and making it difficult for the paper staff if they have to delay layout longer. This is a good place to break, anyway, before part (B) and so we shall.

You who would be free must look at these things and do a bit of homework and research for it is ALL there for your confirmation. Is it not time to stop deceiving SELF?

ANTICHRIST has tried every trick in his book to make you the Fool. He cannot succeed unless YOU ALLOW HIM TO DO SO. AT THIS POINT HE IS THE FOOL--CAN'T YOU LEAVE IT THAT WAY?

It has been speculated that the ships going home to God Creator may well be nigh empty--so be it for Satan HAS NO SHIPS--PERIOD, AND HAS NO HOUSING FOR ANYONE ON ANY CLOUDS OR OTHERWISE. FACE IT, PEOPLE, YOU HAVE BEEN SORELY **TRICKED!**

WHEN YOU FOLLOW A "NAME" PRESENTED IN ANY FORMAT AND GIVEN INSTRUCTIONS TO EITHER FOLLOW A "MAN" OR A PHYSICAL "THING"--YOU HAVE TAKEN THE POISON. A "MAN'S BLOOD" IS BUT A PHYSICAL "SUBSTANCE" AND HAS NO POWER BEYOND SUFFICING FOR THE INDIVIDUAL TO WHOM IT BELONGS. BE SURE YOU GET ANGRY AT THE CORRECT PARTIES, READERS; GOD IS ABOUT TIRED OF THE GAME-PLAYING ON BOTH "THEIR" PART AND "YOURS". ADONAI.

CHAPTER 6

REC #2 HATONN

TUE., FEB. 3, 1998 1:30 P.M. YR. 11, DAY 171

TUE., FEB. 3, 1998

JERRY FALWELL, CHRISTIAN?

Old Jer just told on himself this day, people. This fine upstanding SO-CALLED CHRISTIAN ANTICHRIST came out asking Bush for a reprieve of some sort for Karla Faye Tucker on the basis of something or other that made absolutely no sense AT ALL. He went right on to say he BELIEVES IN THE DEATH PENALTY" and it should certainly BE LEFT IN PLACE. A CHRIST-being advocating more MURDER? I think his statement about being Zionist and PROUD OF IT speaks ever so much more clearly than a half-assed attempt to appear merciful or compassionate. He announced that Karla, he believes, has found God and "her spirit speaks to his spirit" (I doubt that his spirit could even FIND her Spirit). BUT, she got due process of law and law is what must be upheld. He repeated again that he "certainly believes in the death penalty...".

Do any of you undecided observers still think there is nothing wrong with your leadership in CHRIST vs. JESUS? Falwell tossed Jesus around like it was going out of style--but failed to even mention CHRIST or goodness. So be it, friends, for the days are short upon your place and Karla Faye HAS NO PROBLEMS--BUT MOST OF THE REST OF YOU CERTAINLY DO!

RISE OF ANTICHRIST

PART FIVE

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY FOUR (Cont.)

(B)

Those thoughts are expressed to remind us that Satan's sabbatical years have ended. While Peter slept in the person of his bishops and laity, Satan prospered.

To speak of war and warfare is my project. It is important not to insult my fellow Americans who are not christian. One must not finger them as the Antichrists, members of the mystical body of Satan. They are not only ignorant of Catholic-Christian beliefs but were not indoctrinated in Catholic motive and objective. Their chief concern is to gain a modicum of education, marry, divorce if it so pleases them, wear the social attire of gentility, join the proper clubs, intrigue the important people, gain wealth, escape taxation, and support proper politicians who work mostly for them. This is American paganism.

It is with the Catholic clergy and laity I am concerned.

Most Catholics over the age of eighteen have been confirmed. Confirmation, of course, is a definite sacrament which leaves an indelible, eternal mark upon its recipient, as do Baptism and

Holy Orders. Baptism makes one an adopted Son of God; but Confirmation elevates the citizen into a soldier ready to battle in the army of the Holy Spirit. Estimate this situation from a strictly theological and practical viewpoint:

[H: I try to evaluate it in that manner but what I find is that a person who is not sucked in by the rituals or the tampered instructions of THAT book, thinks baptism dunking is simply washing or rinsing the body or, perhaps, even bathing itself. What MAN pronounces his doctrines upon a world and then complains about ones losing touch with his silly power-brokering?]

The Paraclete has as His most important concern the vindication of Christ whom three courts found guilty of blasphemy, of stirring up the multitudes, and of being hostile to Caesar. The first charge related to blasphemy is totally denied; for Christ was, is and will be the Son of God throughout eternity. The other two charges are true, in a sense.

The people needed stirring up. In fact, even in a secular manner they needed it to the extent they required liberation from an exploiting government and freedom from unjust taxation and liberalistic laws which favored the Roman invaders and oppressed the Jewish citizenry.

That Christ was hostile to Caesar, needs clarification. Caesar had named himself god. He so lusted after power that he colonized practically the whole known world by military force and slavery. Caesar called this religion. Of course, Christ could not say "Amen" to this. Therefore, in a sense, He was no friend of Caesar's.

[H: I want to point out one of the most TAMPERED segments of the BIBLE: "RENDER UNTO CAESAR THAT WHICH IS CAESAR'S..." THAT was put into the writings so there would be no further problems with "christians" paying their taxes or anything else "Caesar" or his henchmen demanded. See how simple it is to just write a new input and everybody marches along to the new tune?]

If Christ, then, was a revolutionary because He opposed god-Caesar's politics, so be it. But under no circumstance did He advocate physical violence against the person of any oppressor, even though He violently overthrew the tables of the moneychangers.

More importantly the people of Judea and Israel with their brothers and sisters throughout the world needed freedom from death, hatred, war, ignorance and hell. In a word, they hungered for redemption and salvation--gifts beyond the giving of all Caesars.

One gargantuan flaw occurred in the finale of Christ's trial which was loaded with lies. **[H: Yes indeed, like the entire story as told.]** Already the ecclesiastical court not only had plotted His death but actually found Him guilty of death on the testimony of liars. For all practical purposes the civil court under Herod refrained from altering these findings. Finally, Pilate, representing the imperial court and pressured by the stirred-up mobs to "Crucify Christ", succumbed.

[H: Now the myth gets bigger so go ahead and hold your breath while, I hope, realizing that it COULD NOT HAVE BEEN THE WAY, ESPECIALLY, AS PRESENTED HERE.]

As the world knows, He rose *from the dead* by His own power. As the world forgets, He sent the Holy spirit in the capacity of the Paraclete to obliterate Satan's day in the Sun, to vindicate the "blasphemer", to complete the "stirring up of the multitudes" **[H: No, my dears, just as today, the**

multitudes neither knew about this incident nor gave a damn.] and to put all the Caesars, kings, dictators, premiers and presidents, each in his proper place, for attempting to succeed in their governments without God. **[H: What a crock! Readers, how have you fallen for such fairy tales?]**

These paragraphs are not intended to be a diatribe on man's failure to live in peace, prosperity and health. Nor are they a requiem of disaster to depress those who still have hope to make this nation a respectable domicile while they are battling both the super-intelligence of Satan and many of their fellow men who unconsciously are enlisted in his army of hate. Christian theology is practical enough to take this into consideration **[H: Say what?]**. Therefore it not only accepts Christ and His Resurrection but also His supernatural gifts of grace without which mere men are totally incapable of vanquishing Satan. **[H: No, it accepts a "man" given supernatural possibilities with no intent of vanquishing Satan, who flourishes from the very misdirection.]** Otherwise, failure will be the outcome; evil will overcome good; poverty, ignorance, superstition, disease, flood, famine, fire, chaos and hell--all these will be in the dismal future. **[H: I suggest you carefully look around and realize the ONLY WAY OUT GIVEN YOU BY THOSE SUPERNATURAL LEADERS IS THE LIE OF A RAPTURE WHICH WILL NEVER HAPPEN, NEVER WAS PROCLAIMED UNTIL THE LAST 50 YEARS AND BY THE ZIONISTS OF THE DAY. YOU DON'T EVEN LOOK AT THE DRUMMERS IN YOUR MARCHING BAND.]**

History has been written not only to record the past but to instruct the unborn generations. If it details a series of conflicts and wars it also teaches that man by his own abilities never could and never will be able to cope with the invisible but real forces which mould his destiny as a potter moulds damp clay.

If history teaches no other lesson it stresses the truth "without Me you can do nothing." **[H: Without WHO?]**

Christianity, therefore, is a culture of hope. Unless the Christian Confirmandi will return to their posts, each man taking his stand in the ranks of the Mystical body of Christ as he contracted to do the day he was Confirmed, the Holy Spirit's militiamen will not conquer. **[H: MYSTICAL??? CHRIST? There obviously is a great and overlooked MYSTERY regarding Christ and physical beings--but Mystical? No thank you. There is no mysticism with GOD and the Mystery only prevails until there is insight, learning and knowing, and then there is NO MYSTERY. You all want to play games so that you do not have to face responsibility. You go to the fortune tellers, psychics, seers, and possible prophets to get your doom-instructions; no more, no less. "In the stars lays your destiny?" Of course NOT. Your destiny lies within self and responsibility of self. Anything ELSE and you have given someone ELSE dominion over you and your destiny.]** Therefore, let us become violent in our attack--spiritually violent. **[H: "Violent"? This is an instruction from CHRIST--to be VIOLENT?]** Let no single day pass without a confrontation with evil. In the office, factory and clubhouse speak the unspeakable until timid Catholics become ashamed of their silence. In public meetings stand up for virtue, for God and for the things of God. **[H: Gosh, what about the non-Catholics?]**

At present while international chaos reigns the world is trembling on the brink of a Niagara Falls waiting to be swept into the gorge of wrath. If Catholic Europe and America will be dominated by atheists and the minions of Satan, blame the traitors in the ranks of christianity who, having ceased being fighters, joined the ranks of the neutrals.

Christ's vindication, in a sense, is in the hands of the confirmed laity. Nearly 2000 years ago He redeemed us. Today He trusts that we, His militiamen will vindicate Him. As it were, He, the victim

of three courts and the perjuring mob, is "out-on-bail", to use an American expression, while He is sitting at the right hand of God awaiting the victory of the Paraclete and His militiamen who, drawn up in battalions of rich and poor, of learned and ignorant, operate under the successors of Peter, the Rock, and his fellow apostles. **[H: Peter says: "Forgive me, Father, for these wretched and ignorant beings."]** This is the greatest drama of life as multi-millions of christian citizens enlist in this army. It was the glorious St. Paul **[H: Saul of Tarsus.]** whose inspired briefing of the troops reverberates in these final years of our century. He said to all the militiamen to set aside political prudence and secular logic by openly displaying the uniform of a soldier. **[H: Set aside political prudence? Set aside secular LOGIC? These are mutually exclusive terms which CAN have NO meaning whatsoever--but it does sound like old Saul in action--you know, don't you, that "01' Saul" and "01' Nick" are terms for Satan?]**

He wrote: **[H: Another misstatement, Paul (Saul) was a loud-MOUTH but he never wrote a tom-fool thing. He was not learned and couldn't write. Oh well, what the heck...]**

(Ephesians 6:10-17 [H: Here we go again.]) "For the rest, brethren, be strengthened in the Lord and in the might of His power. Put on the armor of God, that you may be able to stand against the wiles of the devil. For our wrestling is not against flesh and blood, but against the Principalities and the Powers, against the world-rulers of this darkness, against the spiritual forces of wickedness on high. Therefore take up the armor of God, that you may be able to resist in the evil day, and stand in all things perfect. Stand, therefore, having girded your loins with truth, and having put on the breastplate of justice and having your feet shod with the readiness of the gospel of peace, in all things taking up the shield of faith, with which you may be able to quench all the fiery darts of the most wicked one. And take unto you the helmet of salvation and the sword of the spirit, that is, the word of God. "

[H: This actually is pretty good and sound advice and you might want to consider it if it didn't come forth from one doing open war and bloodshed among God's creations at the very time of giving forth such good advice.]

[END OF QUOTING]

I am going to try to get through the next Essay without input and let you consider possibilities. "Try" is a somewhat "iffy" word and remember I said, "I will try..."

[QUOTING:]

ESSAY FIVE

Following His Resurrection, Christ walked, talked and lived with His beloved ones for a period of forty historic days which firmed His claim to divinity; a claim which demands as much credibility if not more, than does Caesar's murder or Napoleon's defeat at Waterloo. Each precious hour He spent with Peter and the apostles was marked by reasserting truths He disclosed to them during the days of their incredulity. Plans related to their life's work of preaching the gospel to every creature were recalled; warnings of government opposition; predictions of martyrdom and ultimate victory over Satan were among the topics discussed.

One prediction appears to have been definite in time, namely His departure from their midst and His replacement by the Paraclete. It is He, the Holy spirit, who will lead an army of fallible, weak-willed men into battle; it is He who will re-fashion these disciples into giants and make "other

Christ's" of the captains and "other Michaels" of the militiamen.

Nine days before Pentecost Jesus invited His loved ones to walk into the hills beyond Jerusalem. There, He planned to bid them farewell. On the slopes of Olivet He paused, lifted His hands as he asked for silence, and began to speak the dramatic, final words which sealed His mission of Truth. "Go into the whole world," said He, "and preach the gospel to every creature. He who believes and is baptized shall be saved but he who does not believe shall be condemned." [**H: CHRIST SAID THAT?**] (*Mark 16:15-16*)

If these fishermen were uneducated they were not fools. They realized that "going into the whole world" was no easy task as they calculated the barriers of language, of money and of civil opposition. As if forestalling a further question from Peter, the Saviour quickly added, "These signs shall attend those who believe: In my name they shall cast out devils; they shall speak in new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands upon the sick and they shall get well." (*Mark 16: 17-18*) [**H: By the way, Mark couldn't write either.**] These were the final words spoken by Christ while on Earth.

All He asked in this last request of these soon-to-be apostles was, "Have faith! I will prove there are no barriers in all the world to impede your leadership and victory, if you believe!" [**H: No barriers? In the WORLD?"**]

Then Christ ascended into the heavens. As the group with Peter stood staring into the clouds angel VOICES were heard saying, "Men of Galilee, why do you stand looking up to heaven? This Jesus who has been taken up from you into heaven shall come in the same way as you have seen Him going up to heaven." (*Acts 1:10-11*) [**H: Well, at the time there was NO one known as "Jesus" and I am fascinated by this wondrous Ascension and the voices speaking out of whatever was up there!**]

The Ascension, the finale of Christ's mission, gives substance and meaning to the past. It helps us understand why Omnipotence and Omniscience appeared before the three highest courts functioning in Jerusalem; heard the charges levelled against Him; listened to the suborned witnesses perjure themselves; accepted without a murmur the death sentence, and recorded in rebuttal only one single remark, "Destroy this temple (meaning His body) and in three days I will raise it up again." [**H: Who said HE said this?**] He must accept death, otherwise He could not have proven His divinity except by conquering death. [**H: Funny thing is that even I can count a dozen OTHER ways to PROVE DIVINITY, none of which would have included any form of "death", for DIVINITY IS LIFE, NOT DEATH.**]

And, for the present, is it impudent to ask: In what area are devils being cast out? Who are taking up the serpents of error and heresy? Who are curing the sick by the simple laying on of hands? Or shall some learned theologian rebuke a simple person for daring to quote a simple passage from one of the most important conversations Christ had with the original bishops? These miraculous gifts were bestowed, not only upon Peter and his associates, but upon their busy successors in America, Europe, Africa, Asia and all the world. Let no one contradict this statement without endangering the entirety of Christ's messages to Peter. [**H: Whose message to whom?**]

By the time the "forty days" had passed Peter and his associates had accepted Christ's prediction of the Paraclete's coming.

For the following nine or ten days they and others, including Mother Mary, gathered in an upper

room awaiting the miracle of the Holy Spirit's coming. This event marks the birthday of the Church, the birthday of the apostles and the birthday of sacramentalized militiamen.

[H: Well, I did say I would "try". How many of you, without input from people like Nora or Cal B., can define: Paraclete? How about the full definition of Pentecost? I thought not!]

If some persons had raised their eyebrows a year or more earlier when the Saviour said they could cast mountains into the sea, they now believed. Now, with the Holy spirit, they could cast Satan into hell. Doubt disappeared **[H: Oh sure, ask Thomas!]**; fear gave way to fervor. Quickly all grasped the meaning of the word "Paraclete" **[H: There's hope for you; just wait and perhaps you will "quickly grasp" the meaning of "Paraclete" and won't have to waste effort looking it up in yon dictionary.]**; they understood how overpowering was the sword of Truth. **[H: Obviously they UNDERSTOOD not a twit of anything Truthful.]** They were about to become miracle men capable of casting all devils, including the Antichrist, into hell--the last sign Christ gave them to confirm and reward their belief!

[H: Are any of you marveling that you made it this far? I do.]

Little did the group realize that the multi-millions of years which passed since Michael subdued Satan were suddenly crowded into this fantastic moment. Nor did they reflect that, just as suddenly, their humble room became the stage whereon all the uncounted battalions of angels assembled to witness their divine Leader's new confrontation where men, not angels, henceforth will be the militiamen.

In a sense the upper room became as important as Bethlehem, as important as Calvary and the empty tomb. Outside this upper room, curious groups of citizens began to gather, first attracted by the flashing sunbeams, then startled by dancing, fiery flames which hovered rhythmically over the roof tiles. **[H: WOW!]**

Inside, all were on their knees--speechless. They, too, saw tongues of fire like halos upon the heads of each apostle. This was the moment of their consecration, of their being transubstantiated into miracle men. It was the moment when the wisdom, understanding and knowledge reserved for heavenly beings came to dwell in the minds of these uneducated fishermen. It was the moment when the fortitude of Christ was infused into their pliant wills. It was the moment when time stood still and eternity took over.

The once cursed Earth and its inhabitants are about to be slowly sanctified while hope will be reborn in the army of the militiamen provided the successors of the apostles will have belief,

Read, therefore, the unadorned prose penned by St. Luke as he describes Pentecost, the birthday of the Paraclete-on-Earth, the birthday of the episcopate, the birthday of the Church Militant against which, "The gates of Hell shall not prevail":

"And suddenly there came a sound from heaven, as if a violent wind blowing and it filled the whole house where they were sitting. And there appeared to them parted tongues of fire, which settled upon each of them. And they were all filled with the Holy Spirit and began to speak in foreign tongues, even as the Holy Spirit prompted them to speak." (Acts 2:2-4) [H: Wonder what that could have been?]

Not supernatural faith but a simple, truthful, human knowledge of history should be sufficient to

certify the factuality and authenticity of this event. Less than two months before, Simon Peter was a liar and a coward; many of the three thousand Jewish converts had been so brainwashed by political and ecclesiastical officials they cried for Barabbas. If one believes in the daily miracle of sunrise he is compelled to accept the story of Pentecost to save his sanity or else cashier all history; condemn all christianity and uphold, under compulsion, the phantom tales of spurious evolution and impossible atheism. Bishops are miracle men! **[H: Ah, and thank you, sir, for the simple guidance, BUT, the SUN DOES NOT RISE! THE EARTH TURNS WHILE THE SUN WAITS.]**

Many bishops are too secular minded, too anxious to become materialistic progressives and too lax in "teaching, (the faith) ruling, (a disciplined clergy) and sanctifying or healing a confused army. Still they are bishops, still they are the miracle men graced to win no-winnable battles, to overcome insurmountable barriers. "To cast out devils" including Satan. And more: They are also the hands, hearts, intellects and voices of the Holy Spirit without whose leadership and belief we militiamen will deteriorate into ecclesiastic cannibals prepared to devour one another in disunity.

Recollect St. Paul's exhortation to the Ephesians which reads:

"I therefore, the prisoner in the Lord, exhort you to walk in a manner worthy of the calling with which you were called, with all humility and meekness, with patience, bearing with one another in love, careful to preserve the unity of the Spirit in the bond of peace; one body and one Spirit, even as you were called in one hope of your calling; one Lord, one faith, one Baptism; one God and Father of all, who is above all and throughout all, and in us all." (Eph. 4:1-6) **[H: WRONG AGAIN; ONE IS NEVER, NOR CAN ONE BE, A "PRISONER" IN OR WITHIN GOD.]**

This Pauline quotation is assiduously avoided by many modern prelates because it defines substantially both a doctrine and an objective of christianity in relation to world culture. It is associated with the word "one".

It is a strict unity totally dissociated from cowardice, and the dual attempt to be both Christ's church and Satan's servant. Christ said, "You are either with Me or against Me; otherwise, if you are lukewarm, I will vomit thee from My mouth." No neutrality, no silence, no compromise. **[H: Well now, finally got to something that has meaning.]**

Catholic christianity is unbending on the definition and interpretation of basic truths. It is unalterably opposed to the modern substitution of the word "many" and the sudden obliteration of "One". For example, neither Paul VI nor his successors can accept two definitions of Christ and nature, two concepts of redemption and salvation. "One" is the keystone word of christian faith. One Mystical body; One Holy Spirit as its Leader; One deposit of faith or Truth; One commission to induct mankind into one spiritual organization for the salvation of mankind; and One titanic struggle to preserve the bond of the unity under the Holy Spirit. Peace, yes. But not any price, particularly not at the price of compromise; for Truth is indivisible and imperishable despite the sophistry instituted by those who cry for diversity when they really mean "Non Serviam". There cannot be two faiths, two leaders, two strategies, two objectives. Nor can there be a union of good and evil.

The Paraclete has a divine mission to perform, namely the vindication of Christ and the practical annihilation of Satan. It is a mission not of peace but of warfare, not of compromise but of total victory.

It is such an infinite mission that He will enlist human beings to be His aids, yet, should they fail (and they will in part) He will demolish the Earth by His omnipotence rather than suffer Satan to

survive and conquer!

Realistically, He needs no help. Practically He can accept no help in this battle from Satanists, abortionists, atheists; or from any individuals or groups who patronize or prosper intrinsic evil. Neither does He nor could He accept assistance from these junior antichrists. He, the Maker of Life, wrathfully turns on the destroyers of life in this challenge of abortion. In the beginning, before Earth was fashioned, Satan miscalculated the Omniscience of God, the Father, in failing to evaluate the possibility and probability of Mercy. Again Satan has doubly miscalculated the Omnipotence of the offended Paraclete in his attempt to sanctify abortion under the specious hellish idea of controlling population.

[H: I surely am glad this man is straightening everything out for you and GOD for I thought we had a long way to go. I still think we have a VERY LONG WAY to go!]

[END OF QUOTING]

Constantly I hear the petition to "have Mercy". God have mercy? When did you show enough mercy to insure a man's living or dying? Where are you when the Earth turns against the Sun and twilight falls in which lives are snuffed out and WRONG CONCEPTS FED THE BABES? Mercy? May SOMEONE finally have a bit of Mercy towards GOD. (???)

Pentecost, Paracletes, hands, speakers--these are all things of physical expression. GOD IS SPIRITUAL REALITY, ONE WITH SOUL. UNTIL YOU GET BEYOND AND INTO LEARNING, DEAR HUMANS, YOU AREN'T GOING ANYWHERE EXCEPT AROUND IN ETERNAL CIRCLES ON THE WHEELS OF IGNORANCE. YOU ARE A SPECIES OF BLIND PEOPLE REFUSING TO FIND YOUR WAY OUT OF THE DARK TUNNEL. SO BE IT, AND AGAIN I SUGGEST: IT IS TIME YOU SHOWED A BIT OF MERCY TO GOD!

ADONAI.

CHAPTER 7

REC #1 HATONN

WED., FEB. 4, 1998 7:59 A.M. YR. 11, DAY 172

WED., FEB. 4. 1998

CAN'T SEE TREES FOR THE FOREST?

Perhaps it is the other way: Can't see the forest for the trees? Either way the point is made. When we are A PART of something, like Father Coughlin being within the Catholic Church of Rome, we sometimes can only see fragments and miss the WHOLE. His vision will get much better and more clearly defined when he makes it to his topic of Antichrist which is, after all, about which the book was penned.

Band-aids on a broken liver just won't do a thing. Band-aids on a broken leg won't fix anything. Worse, if you can only see the abrasion accompanying the broken leg or the jaundice of the liver failure--you haven't identified much of anything of the problem--only a symptom. If you find the problem in either instance--the band-aids are still worthless.

I am NOT "picking on the Catholics" like "you pick on the Jews"! Like the assumed Jewish people--I don't know hardly any. I know even fewer "catholics". I see myriads of Jews and Catholics and indeed, the differences are huge. Any more, however, you will notice that Judeo-Christian has brought the Catholics and the Jews into the same temples to worship the same ANTICHRIST! However, the protestants are even further off-base. AND NOTICE, PLEASE: ALL PROVE UP THEIR POSITIONS FROM THE SAME BOOK WITH THE SAME, OR WORSE, MISINFORMATION. EVEN THE JEWISH TEMPLE READERS WILL READ FROM "YOUR" NEW TESTAMENT TO INSURE THAT YOU RECOGNIZE THEM AS YOUR UNARGUABLE LEADERS--AND BOTH COME DIRECTLY FROM THE CHURCH OF ENGLAND-ISRAEL.

You KNOW that there is goodness and therefore there must be a symbol of that goodness. You also know that all through the ages there would be messengers to remind you of that goodness. So, you murder the messenger and take up the more comfortable entity developed for your own personal comfort with Raptures, irresponsibility forgiveness, unconditional (instead of absolute) love, and go hug trees. You killed and buried THE MESSENGER! Now there is not enough compassion among the drop-out politicians to change a death sentence in Texas to a lifetime in prison where she can teach "goodness".

Never mind what "Jesus" or "CHRIST" is at the foundation of her belief or conversion--for she had only one chance to label her redeemer--and that, surely, is Jesus in her mind. But truth, love, beauty, goodness and other attributes are NOT WANTED CIRCULATING AROUND IN A PRISON WHERE ANTICHRIST REIGNS. Political hot potato? Indeed.

However, it is noted that a pro-Karla stated it best: "We are talking about bombing, without recourse, a helpless nation of Iraq where millions will be murdered and our nation cheers the big brave jackals in Washington." Oh yes, Iraq is helpless as a nation with the entire Air Force overhead with every death-dealing weapon of MASS DESTRUCTION (that is a cute little tag everybody now uses). Have you noticed their "army"? It breaks the heart; there are men so elderly and stooped as to be marching in a bent-over, hold-on-to-the-walking-stick, position. This, however, is dedication to

nation and God, people--for they know it to be RIGHT. The largest "march" or "stand in" I noted yesterday in Texas were CHILDREN out for a romp and bloodthirsty-for-violence death screamers. And the words of excuse? "Texas is macho!" This, then, makes the executioners NO BETTER IN ANY WAY AT ALL THAN THE ORIGINAL CRIME ITSELF. These rabble are the epitome of cowards and self-righteous FOOLS.

No, I am not concerned about Karla Faye Tucker Brown--not one iota. I am concerned about YOU WHO PERPETRATE SUCH ATTITUDES.

Jerry Falwell asks for clemency? But, he says, "I am in favor of the death penalty." He also got paid off by some 70 million dollars by ONE man for his college. He finally asked the man to be allowed identification--why? So he wouldn't have so much trouble raising 100 million \$\$ for the next phase of expansion and double enrollment to over 2000.

Who did this? An insurance "tycoon", Art Williams, with a bit of extra change for a good big tax write-off. Falwell wants the youth to understand "Zionism".

No indeed, I certainly do not concern over Karla--I concern over YOU.

Let us turn back to Antichrist, so we can get into the interesting parts of these Essays.

RISE OF ANTICHRIST

PART SIX

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY SIX

THE MILITIAMEN

(A)

In preaching the gospel, Peter and his associates insisted upon its practical and reasonable acceptance, otherwise, if it was regarded merely as a mental cathartic or an emotional experience, the transfer from paganism to christianity was no more profitable than an excursion into dreamland. Christianity was never intended to be only an escape from slavery, poverty, heartaches and despair, all of which are negative. On the contrary, it was designed by Christ to be a contest to prove oneself worthy of the infinite prize which, of itself, human nature was not intended to possess. I mean the face to face confrontation with God; the "seeing Him as He sees us"; the ineffable vision of infinite Truth, goodness, Beauty and Orderliness which, together, are as close as the limited human mind can come to defining the essence of God.

In other words, christianity, in its relation to man, is a tremendously positive philosophy which offers ways and means to its recipients to gain an equally tremendous reward after having overcome the obstacles which obstruct the acquisition of happiness during life-in-the-flesh, particularly the obstacles which involve death; for every child born into this world has an innate longing for immortality which the Creator would not have given him except there was, at least, the possibility of actualizing it.

These christian basics were preached by Christ, repeated by the evangelists and handed down to the recipients of christianity, for the past 2000 years. Always, and in various modes and words, this doctrine was accompanied by the warning that the contest to overcome the world and its obstacles of evil required (1) the grace of God; and that each person (2) must do his own "overcoming" or fighting; for Christ appeared on Earth, not to save humanity, but human persons. "As many as received Him, He gave them power to become the sons of God." (John 1:12)

[H: Can't do it--just can't let this pass. "...become the sons of God..."? Every created boy-child IS A SON OF GOD; every girl-child IS A DAUGHTER OF GOD. Every creature created is a child or presentation of GOD. Now, let us go back and look at 2000 years of "handing down to recipients...". Neither YOU nor your media can get a story retold correctly within two minutes--what think you might, just might, get misrepeated in a week and, much the more, in 2000 years? The tale couldn't even make it this far keeping a calendar of counting straight. The magic word above, however, is DOCTRINE. Once into the hands of MAN, the idea became, as it always does, DOCTRINE manufactured by MAN.]

Probably for the next 100-200 years this combat for the prize will continue; possibly for thousands of years longer.

[H: Bad news: the prize is already in the hands of the Antichrist--you are experiencing the period of time in which Satan would rule everything and control everything upon the Earth in one way or another. You are now people of the lie, living again in the barbaric age of darkness and only a spark of light hither and yon break the gloom. YOU proceed to kill, execute, silence the messengers with the matchlight. This author is, though, getting on into historical reference of first person and it is the "now" which you must experience--and then realize the original fairy tale is not so.]

By no means are these foregoing thoughts to be interpreted to indicate the Church itself is either moribund or about to die; for one must constantly distinguish the church from churchmen. This is only a new phase in the life of the church; an evil phase, in one sense, wherein God knows how to turn evil into an advantage. It is a phase such as Christ experienced on Earth in the final months of His ministry when He advanced from the glories of the period when the populous hailed Him as King to the phase of Gethsemane and His Passion.

Today there hangs the wounded, Mystical Body still pulsating, still throbbing, still writhing on the cross of secularism. Only John, of all the apostles, stood beneath the cross when Christ's **[H: No, "Jesus's" at best, yet "Jesus" didn't YET EXIST.]** physical Body experienced torture. One does not ask where the others had gone 2000 years ago but one is curious to count how many of John's successors in the episcopate are standing courageously beneath this modern cross where the Mystical Body is suffering.

Here we stand in 1972-2000:

- 2000 years after the Resurrection of Christ.
- 120 years after the Communist Manifesto.
- 104 years after the First Internation.
- 97 years after the Paris Commune.
- 50 years after the Russian Revolution.
- No years after the current European and American Revolutions.

All this was prior to 1968 [**H: 31 years ago, over a quarter of a century**]. Already America has launched the last of secular revolutions preparatory for the unification of the world. It will not be achieved, probably until the year 2000 when only one of the combatants, I insist, will survive.

Notwithstanding, no student of geopolitics doubts the existence of a new phase in the revolution, deny it as an optimist will, affirm it as a finality as a pessimist will, or see beyond 2000 A.D. as a realist must.

There is no question in my mind that we, of this year, age and phase of world development, have manned the barricades of a final revolutionary phase in which the Mystical Body of Christ is fulfilling the tradition begun by the living Christ 2000 years ago. [**H: Well, readers, that in itself should make you cringe in terror.**]

The specter which is facing the Church is not one of a real radical uprising unless Christ is regarded as a revolutionary. It is the owner confronting the possessor of this Earth; the rightful King in combat with the usurping Prince. It is life in its unfolding completeness, death in its total emptiness. It is Christ in His glory rescuing the remnants of the Church Militant which shall blend into the eternal Church Triumphant; for it, too, shall rise from this miserable phase created by the Iscariots and the tomb where they seemingly sealed the Saviour. Only seemingly!

As respected as are the antichrist secularists, their lack of intelligent understanding, their monumental arrogance, and their misreading of world history have removed them from serious competition. [**H: Anybody want to bet?**] Soon they will take their place in the archives with their predecessors such as Churchill, Roosevelt and the petty personages who created wars, wrote treaties and devised plans to no avail.

Satan has used them; Satan will discard them. They have been unfaithful to the Christ in Whom they once believed. [**H: No, "they" have stayed true to their "cause" all along.**]

The "sealed-in-the-tomb" Christian Church will emerge, eventually, through the power of the Holy Spirit. [**H: Oh no, it WILL NOT.**]

"Seeing is believing" then will be translated by "Believing is seeing". It will be recognized when Christ's hopeful prediction will have been realized. Thus read: [**H: Yes, REALLY read this next.**]

(John 1:47-51) [**H: How many of you know who this "John" is? Who is he supposed to be? (without looking it up).**] "*At that time, Jesus saw Nathanael coming to Him, and said to him, 'Behold a true Israelite in whom there is no guile. ' Nathanael said to Him, "Whence do You know me?" Jesus answered and said to him, 'Before Philip called you, when you were under the fig tree, I saw you. ' Nathanael answered Him and said, 'Rabbi, You are the Son of God, You are King of Israel.' Answering, Jesus said to him, 'Because I said to you that I saw you under the fig tree, you believe. Greater things than these shall you see. ' And He said to him, 'Amen, amen, I say to you, you shall see heaven opened and the Angels of God ascending and descending upon the Son of Man. ' "* [**H: WOW!]**

Christ's prediction to Nathanael will become a reality. The sky will be filled with myriads of angelic hosts accompanying Christ in His return to Earth. And though these are spirits, invisible to the human eye, they who have faith will see them in all their beauty and grandeur.

(B)

Meanwhile, christians are not prone to applaud the lamentable conditions in which the Church Militant exists at the moment any more than Peter and his associates were asked to shout alleluia when Christ was in the tomb. But Christ did rise; He did send the Holy Paraclete; the miracle men did become miracle men; and they did rejoice, especially when they inducted thousands into the ranks of the Church Militant.

Consider what Confirmation does to one who has hope of conquering Satan: To understand the meaning, let us read one of the neglected and ill-taught **[H: And now again ill-taught.]** passages of the New Testament. I have reference to the Acts of the Apostles,

Chapter 8:14-17: "When the Apostles in Jerusalem heard that Samaria had accepted God's message, they sent Peter and John (two bishops) who went down to the Samaritans and prayed that they might receive the Holy Spirit. For it had not yet fallen on any of them; they had only been baptized in the name of the Lord Jesus. Then the two laid hands on them and they received the Holy Spirit. "

These christians had "only" been baptized prior to this event. The emphasis (1) is on the adverb "only"; (2) on the significance of the twelve apostles having consolidated this action by delegating two of their members to journey to the Samaritan christians already baptized; (3) and on the liturgy where both bishops placed hands on the Samaritans. These three items give to the administration of this Sacrament, a major significance which has gradually become lost in the shuffle of secularism during the past centuries.

What then, is this Sacrament of Confirmation which enables us to transcend the confusion in which we dwell? It is not a mere extension of baptism; nor is it a negligible accessory to be used at the recipient's choice. Peter and his apostolic associated taught otherwise; so did the Holy Spirit who reserved this Sacrament as a conduit to convey the supernatural gifts of wisdom, understanding knowledge, fortitude, counsel, piety and fear of the Lord to baptized christians.

[H: I don't even dare touch this one lest we be here for another ten years. Baptism certainly is the "recipient's choice"--how could it be otherwise, except as an infant? "Holy Spirit ...reserved this Sacrament..."??? Holy Spirit had NOTHING to do with any such thing--that is mere Church DOCTRINE.

Then why do I go on if everything stated is wrong? Because I want YOU to KNOW it is wrong--from the beginning--and this "Father" was considered among the most brilliant minds and speakers, not to mention writers, of his day and within the Church. And his use of "supernatural" and "mystical" makes him uninformed AT ALL! DON'T YOU READERS SEE THAT YOU FELL INTO THE TRAP A ZILLION YEARS AGO AND HAVE NEVER BEEN ABLE TO EXTRICATE SELVES BECAUSE OF THE SHACKLES OF ALL THE NONSENSE AND DRIVEL BURYING YOU IN DOCTRINE, LIES, EXPECTATIONS WHICH DON'T EVEN APPEAR IN YOUR INSTRUCTIONS UNTIL SOME EVANGELICAL MOUTHS PRODUCE SUCH AN IDEA FOR YOUR IRRESPONSIBLE PLEASURE?

Let us go back now and look at Governor of Texas Bush's failure to "save" Karla. How would he dare? Against God and Christ? Easy, he KNOWS what you don't seem to know, him being the son of the next antichrist ruler of your globe, that JESUS IS A FIGMENT OF IMAGINATION AS PLOPPED OFF ONTO SOMEONE'S IGNORANCE. NO "MAN", IN

KNOWING HOW IT REALLY IS, FEARS "JESUS" FOR "JESUS" IS THEIR CREATED FIGMENT OF IMAGINATION. NOTE THE EXTREMELY CRITICAL WORDING PRESENTED. THE SUPREME COURT DIDN'T BOTHER TO EVEN PRODUCE A STATEMENT REGARDING THE DECISIONS. ANTICHRIST PLANS TO BLOW JESUS RIGHT OUT OF YOUR MINDS--SOON-GOOD PEOPLE, AND THE CHAOS LEFT WILL ALLOW FULL TAKE-OVER OF THE SO-CALLED "CHRISTIAN" PEOPLE AND NATIONS. BUT, WHAT ABOUT THOSE WHO ALREADY KNOW JESUS IS BUT A FIGMENT OF ANTICHRIST'S PROJECTIONS? THEY ARE GOING TO RUN AMUCK AND "GETCHA". COUNT ON IT.]

These are the gifts which transform a citizen into a soldier; these are the militiamen's courses in strategy, tactics and military training which are bestowed upon baptized persons who are old enough to realize they are making a choice. A choice as citizens to forego the comforts of their domestic pursuits and to assume the rough army life with its hardships, privations, wounds and even death in defense of Christ and Christ's constitution and flag.

[H: Do you think so little of the allness of CHRIST to think HE needs your popguns and darts? Defend Christ? Who would think need of "defending" Christ? You may well need to defend your own perceptions of that HOLY SPIRIT BEING, but HE, CREATOR, is quite capable of CREATING a full army if that were HIS choice. That is not HIS choice for "army" in your day defines military games and captured soldiers bearing all sorts of toys of destruction. Remember, the U.S. and Israel already have a pact to USE NUCLEAR NEUTRON BOMBS ON IRAQ! Is THIS what YOU would have GOD BLESS? Sorry about that, children of the lie. When GOD'S PEOPLE GET IT STRAIGHT--GOD WILL MARCH WITH YOU--NOT UNTIL. As long as BOTH SIDES haven't the remotest idea of GOD and CHRIST TRUTH, God will bless neither side, nor shall there be much of any protection for either side. GOD DOES NOT BLESS HIS ENEMIES--NEITHER MISREPRESENTED NOR MISPERCEIVED SIDE.

I AM HERE TO TELL YOU HOW TO SAVE SELF IN TRUTH, LIGHT AND SECURITY WITHIN GOD. YOU CAN, HOWEVER, FOLLOW THE FALSE LEADERS RIGHT OFF INTO THE PITS OF HELL IF YOU CHOOSE, BUT IT REALLY SEEMS STUPID TO ME.

I am told that "my approach" will lose readers. GOOD, if you can't absorb truth I certainly don't care if you toss these writings--just stay as far away from me and mine as you can get selves. And don't come back begging at our door, when you are hungry and unsheltered, to "change your mind". The time to get it straight and change your silly-game minds is NOW! GOD IS NOT THE WIMP YOU HAVE BEEN SHOWN WHO HIPPIITY-HOPS THROUGH THE TULIPS AT YOUR WHIM! GOT IT?]

These are the supernatural gifts which bestow competency upon incompetents to encounter and defeat Satan in personal and social combat. And this is the Sacrament which inspires a soldier to fight firercely, to love extravagantly, to hope insistently.

At present the Prince of this world has seemingly banished the Holy Spirit to some Siberia beyond the confines of Earth. No longer are christians properly encouraged to extoll His presence or celebrate His feast days, as was the custom prior to the Renaissance. As a result, modern christians minimize their confirmation and discount its sacramental meaning.

No longer is He adequately adored as the Creator of Life, the God of Beauty and vindicator of

the condemned Christ. Too often is He regarded as an intangible, indefinable spirit created by the fantasies of men who weave their sensitive modes, liberalistic concepts and mundane fashions into a fabric which they call the "Spirit of the Age".

All christians of responsible age should be instructed in the meaning of Confirmation; encouraged to fight--actually fight--for the objectives outlined by Christ with the supernatural weaponry indicated by St. Paul in his letter to the Ephesians.

Victory requires daring, determination and sacramental fortitude. **[H: No wonder the Church is in decline. Too many saw through the facade and into realization that this simply is not all of the picture.]**

"Anyone who would save christian civilization may not collaborate with Communism in any manner whatsoever because it is intrinsically evil," **[H: Oh, I thought that this Christ went forth and mixed with whores, tax collectors and other disreputable parties who needed his wisdom!?! Does this author, like the rest of the world, think that you cannot "mix" in interchange with the enemy by any name WITHOUT "BECOMING" THE ENEMY? IF YOU HAVE NO MORE KNOWING THAN TO WISH-WASH THROUGH EVERY ENCOUNTER--YOU DON'T YET TRULY "KNOW" DO YOU? YOUR ENEMY HAS NO OTHER WAY IN WHICH TO BECOME YOUR FRIEND--DOES HE? WISDOM IS THE GIFT OF GOD IN PRACTICE, ONCE YOU KNOW TRUTH.]** so wrote the courageous Pius XI whom recent ecclesiastics have spurned together with his warning.

The old-fashioned word for noncooperation was "sloth"; Christ's word for it was "lukewarmness"; and lukewarmness on the part of a Confirmed christian invites rejection both by the Saviour and the Paraclete.

[END OF QUOTING]

I'll try again: The Teacher did not come to SAVE ANYTHING, including YOU. He did not come to take YOUR SINS! He did not, without pain, go to any cross, any time, anywhere. If he went, he certainly did not go willingly. He did NOT shed his blood for you for that is a physical outrage. He did not promise you a Rapture. He did say: "These things that I do, you can do--yet greater." YOU HAVE CHOSEN A CHRISTIAN EXISTENCE THAT IS NOT! Somewhere along the line you entirely MISSED CHRIST. You now "modernize" your churches to take in all the things that Christ opposed. Fine, for you have a bunch of doctrines, confusion and chaos set forth by Antichrist to suck you in, in every way. THE TEACHER CAME TO BRING YOU TRUTH! WE TRY AGAIN AND PROBABLY, FOR THIS OLD WORLD, FOR THE LAST TIME--TO OFFER TRUTH. Never mind the messenger--WISDOM DEMANDS YOU LOOK AT TRUTH. GOD DEMANDS THAT YOU HAVE WISDOM FOR IN THE PLACES OF GOD IN OTHER DIMENSIONS OF TRUTH THERE ONLY DWELL THOSE OF WISDOM. Other souls travel exactly where they left off the physical, in the limbo-land of puzzlement. ANTICHRIST KNOWS THIS AND TRAPS YOU MERCILESSLY IN HIS PHYSICAL WEB OF LIES. GOD ULTIMATELY WINS--THIS DOES NOT MEAN THAT YOU WIN! CHECK OUT THE DIFFERENCE!

"But sir," you say, "I can only deal with what is in my attention or consciousness at the moment." Good. The examples flowing around you as we write are overwhelming in their impact. You can even shut down the means of presenting the WORD--YOU CANNOT STOP THE WORD. You can slay the messengers--but you cannot slay TRUTH. A million lies will not one TRUTH MAKE but one TRUTH can discount a zillion lies. If today is Wednesday then all the world calling it Tuesday

will not make it so! In some places it may well be Thursday--but NOT Tuesday. By the way, all the sacramental baptizing you want to do will not make it Tuesday.

All the lies you choose to utilize to sidestep responsibility will not make it happen--TRUTH WILL ALWAYS, WAS ALWAYS, AND SHALL ALWAYS, BE--TRUTH. Truth is often negative, ugly and painful--but nonetheless, Truth. Lies are fabrications of men to deceive, trick, and finally destroy the very souls of man-beings. To make a LIE your shield and clothing--LEAVES YOU QUITE NAKED. AND ALL THE KING'S MEN AND HORSES, CANNOT COVER YOUR NAKEDNESS WITHOUT PUTTING ON SOME CLOTHES.

Truly, I suggest you stay tuned because it [these essays] is going to get better. Not, probably, any more true as to the God element, but certainly it will get interesting as concerns Antichrist. Religions and handed-down doctrines only bind you more securely than any bonds--for Antichrist takeover. I still like the Pogo cartoon character who looked over everything and said: "I have searched for my enemy and now I have found him--it is me." Even "Pogo" learned something.

God is not going to have mercy in continuation of evil. Is it not time that you begin to have MERCY ON SELF? You may well seem to subdue and enslave another--but the "other" is the only one who can actually "surrender", and in your subduing tactics, it is highly unlikely there shall ever be true surrender.

Mankind must now think seriously upon these things for his time is running short for realization and, after transition, realization is very difficult to realize in a timely way. Consciousness is available at any level in which you find you are "conscious" and it doesn't matter WHERE you park yourself.

To move deliberately into the so-called "consciousness" of higher expression leaves you singularly ALONE for you will not have MASTERED the consciousness of your environment experienced. You have simply once more opted out of responsibility of your expression here--or there. Even the greatest gurus alive today will tell you no differently. They may well teach meditation and how to achieve bliss and nirvana and enchantment--but note something: THEY ARE DOING THEIR PHYSICALLY-ORIENTED JOB AS ACCEPTED. ARE YOU? IF THESE TEACHERS BE OF GOD CREATOR, THEY ARE MAKING EVERY EFFORT POSSIBLE TO TEACH YOU HOW TO LIVE ON THIS PLANET IN HUMAN FORM--NOT TO FLOAT IN THE ETHERS OF IRRESPONSIBILITY FROM HUMAN EXPERIENCE. "OVER THERE" IS WHERE YOU GO TO GET YOUR FUEL FOR THE RESPONSIBILITY OF DAILY EXPERIENCE AND EXPRESSION IN THIS DIMENSIONAL MANIFESTATION.

I now wish each of you would take a while and go meditate that you might think HARD upon what I bring lest you drift into eternity and infinity without foundation upon which to experience same.

Please, do not fool self: ANTICHRIST WILL PRESENT AS THE WAY, THE TRUTH, THE LIGHT, AND THE SAVIOR! YOU have to make the choices.

Adonai.

CHAPTER 8

REC #1 HATONN

THU., FEB. 5, 1998 7:58 A.M. YR. 11, DAY 173

THU., FEB. 5, 1998

HOW BAD DID THE BUSHES FEEL ABOUT KARLA?

It must have broken them up beyond belief as BOTH George Bush and George Bush Jr. were at the White House (yep, THAT one) playing tennis yesterday. And YOU concern about an intern? By the way, where is Kissinger while all these loose ends are bring tied around Clinton's neck?

OLD BUDDIES COMING BACK OUT TO PLAY (WATCH THE FEDERAL RESERVE)

Can anyone remember the Bank: BCCI? Recall, please, that in one of the group of banks under this charter, that WE KNOW of, one joint account with Saddam Hussein (and George Bush) of a mere \$250 million. George really had fun with Peruvian Certificate 3392. He had his pals in the loops so tightly woven that when the central bank was dumped--they all fell down to the tune of BILLIONS-plus dollars. I want you to please read the following and see what justice there really is in this world. And note that you won't hardly find any mention of Bushes.

[QUOTING, *The Orlando Sentinel*, 2/4/98:]

\$5 MILLION SETTLE BCCI BANK SCANDAL

Clark Clifford, 91, and protege Robert Altman agreed to the settlement with the Federal Reserve Board.

WASHINGTON -- In a quiet end to an affair that rocked the capital in 1991-92, venerable Washington insider Clark Clifford and his former law partner agreed to pay \$5 million to settle civil fraud charges in the BCCI (Bank of Credit and Commerce International) international banking scandal.

Under the settlement with the Federal Reserve Board announced Tuesday, the 91-year-old Clifford and protege Robert Altman will pay the money to compensate what the Fed called the "innocent" depositors and creditors of the now-defunct Bank of Credit and Commerce International.

Altman and Clifford, a defense secretary under President Lyndon Johnson and adviser to several other Democratic presidents, did not admit wrongdoing.

In addition, Altman, 50, who practices law in Washington, agreed not to re-enter the banking industry *without the Fed's approval*. Because of Clifford's age and ill health, the central bank dropped such an action against him.

BCCI was shut down by regulators in 1991 amid allegations of **arms smuggling, drug running and financing of terrorists**. The Luxembourg-chartered private bank--once the world's **largest**--operated for a time in about 70 countries, with its headquarters in London.

Regulators charged that it engaged in wide-ranging fraud and lent billions of dollars to insiders without requiring collateral or keeping proper records among other misdeeds.

In a joint statement, Clifford and Altman said they were confident that they would have prevailed in fighting the reduced charges against them. However, they said, citing Clifford's frailty, "to continue for years and at great expense" to fight the case "made no sense".

Clifford and Altman were charged in July 1992 in separate federal and New York state indictments, and in the Fed's civil action, with making millions in illegal profits.

They pleaded not guilty to charges of accepting bribes and participating in a massive criminal conspiracy that officials said was designed to give BCCI secret control of U.S. banks.

BCCI illegally owned FOUR U.S. banks, including **FIRST AMERICAN BANKSHARES, Washington's biggest bank holding company at the time. Clifford and Altman were BCCI's principal lawyers in this country and were chairman and president, respectively, of First American.**

The Justice Department later dropped its charges against the two, and Altman was acquitted of New York state charges in 1993 after a lengthy trial.

A New York judge dropped all charges against Clifford. [**H: He was acquitted because of poor health, not because of innocence.**]

The Federal Reserve also eventually dismissed some of its civil fraud allegations against them.

"When this case arose seven years ago, we publicly denounced the sensational charges against us as wholly untrue," Clifford and Altman said in their statement Tuesday. "Subsequent events have proved the accuracy of our statements."

[**H: The "COLLATERAL" certificate/contract 3392 IS VALID AND LEGAL--but it was UNLAWFULLY USED WITHOUT ABILITY TO GAIN THE ASSETS AT THE TIME THE LOANS WERE DUE! Herman refused to sign off on the thing and rendered it such a public focus that they simply murdered him--slowly, to allow time to torture the signatures and information out of him. He had, however, ALREADY HAD THE CERTIFICATE BASTARDIZED AND PUT INTO CONTRACT FORM WHICH WAS FULLY CERTIFIED, CONFIRMED AND RECONFORMED, REGISTERED, AND EVEN LODGED IN CERTAIN GOVERNMENT DEPARTMENTS, SUCH AS TREASURY, AFTER VALIDATION AND EVALUATION BY THE FEDERAL RESERVE. Since the collateral (3392) was (AND IS) still being utilized all over the globe--they couldn't very well close every bank it touched, now could they? GOD BLESSES RUSSELL HERMAN! Russell Herman was sane until he died and took care to properly handle the assets of that CONTRACT to benefit the people of the U.S.--but that, too, didn't even bother to bring responses from the States or the people. Tuff!?!?**

Personally visiting Russell after getting no response from threats by others were Bush,

Cheney, Greenspan, North, Bentsen and Baker IIIrd (at the same time, yet). Oh indeed, good friends out there everywhere--that contract is good and the big boys have never ceased using the loot--unlawfully. However, many banks folded under the shortfall and some of those were the biggest in the world.

How could this be? There isn't enough money in the world? Of course there is--all the Feds have to do is print some more worthless notes. However number two: **THAT CONTRACT IS BASED ON HARD METAL GOLD.** Well, the thugs had moved all the gold so now you have a worse mess in which to be bogged. The problem with then trying to regain control of the mess came with the efforts to wipe-out Saddam and freeze his assets, for which Bush had made arrangements. Also, they were caught selling illegal arms, etc., through Reagan-Bush's Dept. of Agriculture--to such as Iran, et al. Oh my, isn't this cute? You all wondered what VP Bush was doing? Well, this is the stuff of Kings and this particular Vice President. North took the fall, but they were ALL into it to their noses.

Do I think it terrible? No, for the contract is still valid and perhaps since it became a legal-lawful debt of the U.S. Treasury and because it was a debt prior to the Federal Reserve, it moves right on over legally to the Federal Reserve and to the World Bank and United Nations International Monetary Fund. And yes indeed, the debts have been **OFFICIALLY LODGED WITH THEM ALL!**

This portion of my input is very definitely something of which they preferred you not have reminding. So, they think they are waiting for Grannie Two-Shoes to die (tried to kill her and only made her crazy) to get rid of any intruders. **THIS IS STILL BUSH'S "SUPERFUND"** although he quit calling it that when he about got suicided for his unlawful actions which cost many banks with equally nasty leaders. This gang does have some far higher and larger problems, however, if agreements regarding that document fail to be met--like NOW.

You are about to start a killing war and it is not going to go very well in some of those nations which were ripped off by the billions of dollars through these outrageous schemes and scams--and Saudi Arabia is top of the list. And that, readers, is over oil and money!

Did Yeltsen "slip the lip" yesterday about a world war? No indeed, and it doesn't have anything to do with Russia! Well, let's finish the article so we can move on to our work.

By the way, you who take stuff off the Internet from Ru Mills--forget it. She is now hooked in with Skolnick and they are dis- mis-information feeders. They say Gore will be sworn in as President tomorrow, Friday, and what do you **REALLY** think about that? Could be, *I suppose, but somebody is going to have to get deaded or suicided in the interim. I suppose it could happen--but it will be, if the information is already out there, that it won't be an accident.* Ru Mills, however, has told so many outright and provable **LIES** as to make us balk at even hearing her cute little tag name. She is the wife of Gunther Russbacher who claims in turn to have had his U.S. marriage to Raye annulled in Austria. Skolnick did a "threatening" tape on the air from Gunther--from information provided to Skolnick from Raye. Cute? Well, I suppose it might be, considering sources. But we are really tired of the sick "patriot" actions doing such damage to a news-hungry world.

Yes, while on the subject--Ron Brown, Sec. of Commerce, **WAS SHOT** in the head (executed) and was not just killed in the airplane crash. There is a bullet-hole to prove it. The problem of information becomes such a rumor-mill (no pun intended) that you can't get facts so people

stop even paying attention and fail to respond to anything except the gladiator fights over everything evil that can be conjured.]

BCCI pleaded guilty in December 1991 to federal fraud charges and forfeited \$550 million in assets, the biggest forfeiture in U.S. history.

In a plea bargain, the bank acknowledged that it illegally owned First American and the three other U.S. banks.

For 45 years, Clifford was a powerful figure in Democratic politics.

The lesser-known Altman is **a figure in Hollywood circles, husband of *Wonder Woman* television actress Lynda Carter.**

[END OF QUOTING]

And now this same bunch of thugs, inclusive of new thugs, are going to start a war and blow away nations? And YOU cheer and demand that this action be taken. YOU are the ONES with weapons of "mass destruction", you ducks. Didn't any of you see the new satellite pictures last night of YOUR, and cohorts, ability to see underground and at night and through clouds and, and, and...? How else do you think "we" know that there are other weapons in Iraq? But the weapons in Iraq-- CAME FROM THE U.S.! TANGLED WEBS? WELL, I GUESS SO! Oh by the way, YOU, Israel, have supplied that other "little Israel" with more and more MASS WEAPONS OF DESTRUCTION, such as neutron and atomic BOMBS. Secured the Middle-East, did you? I don't think so...! Have you noticed the programme laid out so that even the speakers are embarrassed? "Weapons of Mass Destruction" MUST BE REPEATED EVERY TIME THE TOPIC COMES UP--it becomes like "EL NINO" causing every problem on the globe. YOU hear it enough, you will believe it? Fine, see what you get out of your dreaming.

SOMETHING IMPORTANT

As of yesterday, 54 tremendously large whales (sperm whales) are stranded along the beach in Tasmania. They are so big that they can't be moved and helpers are asked to stay back. This was only at yesterday's count.

People, this is Australia giving out this information and so what do you think is going on? The grid system and the responders are misdirecting every creature. That is not the intent--this is the RESULT of your toys and frequency control grids. How much mercy do you think God has? When you destroy HIS creatures without recourse--you have REALLY ERRED!

Shall we go on with Antichrist now and let's see if once again we can determine who might be behind all this trouble in paradise.

RISE OF ANTICHRIST

PART SEVEN

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY SEVEN

THE MYSTICAL BODY OF SATAN IN ACTION

(A)

The American hierarchy are painfully aware that, since Vatican II, many militiamen in their army, having put down their arms, are in a disorderly retreat towards Camp Nowhere.

For six or seven years the bishops convened, discussed current problems, displayed monumental timidity, avoided facing challenges to their authority and accomplished a minimum in the area of sanctifying souls. **[H: They also knew the New World Order and One World Religion would replace EVERYTHING that was known about Christianity and the Sovereignty of Nations.]**

It is high time, however, to cease criticizing these gentlemen, who at the moment are objects of pity and prayer; for what has been done neither time nor circumstance can undo. Nor does it profit any of us to finger many of them as Satan's little helpers; for all of us at one time or the other have been Antichrists either in public or in private. The hour has approached to reassemble our troops, to change our tactics, to cease competing with our civilian superiors in affairs materialistic, naturalistic and political and do a little dying. It is no shame to become either a penitent or a martyr.

So, let us reason a moment, research a few more moments, and see if we can acquire a clearer picture of the major Antichrist who is knocking at the door.

To preface this essay, may I venture to inform the readers that in such places as Notre Dame, Catholic University, Fordham and most so-called Catholic universities no solid course in "secret agencies which control government" is taught in depth. In such places, now very much left-of-center, "secret agencies" is a fiction.

Not so at Georgetown and, particularly, not at Oxford. The latter has been exposing this phenomenon and prospering it since the lifetime of Cecil Rhodes; Georgetown has had the benefit of Dr. Quigley for several years. And of him there will be a few informative paragraphs. **[H: Well, it seemed we would never make it, didn't it?]**

To begin with: It seems logical to approach **the genesis of the major Antichrist both from scripture and history.** **[H: This is probably more appropriate than you might think since the ANTICHRIST WROTE THE SCRIPTURE AND THE HISTORY.**] In doing so, it is not in a spirit of dogmatic certainty. The subsequent thoughts are merely my own personal reasoning and observations. I realize I am swimming in a whirlpool where many fine scholars have met their doom; where millions of dabblers, like myself, have been given a warning to desist. Nevertheless, Scripture is Scripture as history is history. **[H: Yes indeed, and nobody seems to discern which it true and which is false.]** Neither is ornamental, simply to be admired.

Thus: While Christ was dwelling upon Earth, we recollect. He expelled devils from many afflicted persons. Toward the end of His public ministry He had this very significant information to disclose, namely:

"You have heard me say to you, 'I go away and I am coming to you.' If you love me, you would indeed rejoice that I am going to the Father, for the Father is greater than I. And now I have told you before it comes to pass, that when it has come to pass, you may believe. I will no longer speak much with you, for the Prince of the world is coming, and in me he has nothing.

But he comes that the world may know that I love the Father, and that I do as the Father has commanded me. Arise, let us go from here."

May we analyze this significant statement.

- (1) Christ specifically predicts His departure from Earth and His second coming.
- (2) This departure and second coming should be a matter of joy because it is part of the divine plan which has to do with Satan's ultimate defeat.
- (3) After His departure, the Prince of this world will take over but will have no power over Him.
- (4) The purpose of his "taking over" is to let the entire world and all its races, populations, nations and governments know that, despite Satan's power, he will be vanquished by Christ.
- (5) And very significantly, the Prince has not had full liberty on Earth nor will have until "I go away".

This last statement defines that until and during Christ's mission on Earth only minor devils infested the Earth, possessed persons, wrought havoc and persuaded weak willed, un-sacramentalized men to choose evil. Not until Christ's departure; and probably, not until the church was fairly well established did God unleash Satan, the major devil, to roam the Earth with his powers and principalities and take over kingdoms, empires, universities and governments.

Particularly since Luther's revolution which was generated by worldly, naturalistic prelates who fell foul of the "Prince" was a major advance made in Satan's solidifying his new principality. **[H: We'll have more directly from Martin Luther a bit further on in OUR OWN writings and those will be as confused as to Scripture as any offered here. Everyone seemed to absolutely miss the point of JUST WHO WROTE THE SCRIPTURES AND WHEN YOU LOOK-- SURELY ENOUGH--ANTICHRIST!]**

Of course, he is the Antichrist. And most certainly he was clever enough to purloin blueprints which record the founding of "Christ's Kingdom on Earth" together with the plans and structural mechanism employed by the Holy Spirit in building His divine edifice which houses the Church Militant.

No human being sees or touches the Holy Spirit because it is His nature to be a spirit. So with Satan. He, too, is a spirit whom no man sees, touches or hears. Like the Holy Spirit, he works through a "Church Militant" called the mystical body of Satan. **[H: Now HERE, "mystical" is the exact and perfect term.]** Has he an apostleship as Christ instituted to govern His Mystical Body? Certainly he has. Does he inspire them with thoughts, suggestions, policies and power? Absolutely yes; but his power-element is merely natural or supra-natural while the power which the Holy Spirit has given to men is supernatural--not supra-natural--to such a degree that the recipients thereof are miracle men raised above those with only natural endowments.

Just as the Holy Spirit is on every battlefield so is Satan; just as the Holy Spirit has thousands of bishops to lead His troops, so has Satan. The first group are "other Christs"; the second are "fallen Principalities and Powers".

This deadly parallel can be followed through a thousand questions and answers. In their politics one stands for Truth, Goodness, Beauty and Order; the other for deception, evil, ugliness and crime. One is for eternity; the other for time. One depends on nature plus the sacraments; the other depends on nature injured by sin and destined to failure.

Nevertheless, man, the image and likeness of god, is the prize for which each leader and his battalions are striving.

Both armies evolved orderly. One from Bethlehem to the Last Supper and Gethsemane; then to Pilate's Hall and Calvary; and the sealed tomb. From the broken seal and Resurrection to the Ascension; then Pentacost and the Holy Spirit; then to the shores of the seven seas. These were the days when the miracle men performed miracles abundantly. Both Andrew and Paul preached the new philosophy and the new faith atop the Acropolis. James journeyed to Spain; Thomas preceded Francis Xavier to the Far East; Patrick Boniface, Cyril and Methodius told the story of Bethlehem to the Irish, Germans and Slays while Austin blessed the acres of the Anglo-Saxons with the word of God. Nor let the world forget the forgotten Lazarus and Mary Magdalen in their apostleship to France. **[H: Oh we won't ever forget them, apparently. I guess there is too much on which to comment here so we will not therefore comment further.]**

At the later date Benedictines, Carthusians, Carmelites, Franciscans, Dominicans and Jesuits carried the flag of the cross to new battlefields where love, hope and faith were contesting for leadership.

Even in our beloved America Jogues, DeBrebeuf and Lallemand preached to the Iroquois, Algonquin and Hurons the gospel for which Christ died, as did the magnificent Franciscans. **[H: Yes, and stole their constitutions, too!]** Throughout our West Fra Junipero Serra braved the deserts, mountains and baking heat to carve a pathway, the Camino Real, which stretched from San Diego to San Francisco. All this was accomplished in days when meager transportation and communications were insurmountable impediments. Days which three hundred years later still haunt us with their glorious memories. That was the evolution of Christ's Mystical Body which proved what miracle men could accomplish when faith assessed every obstacle as a challenge; and evolution which transcended all earthly calculation while Damien was sanctifying service to the lepers. Indeed the evolution was not without defeats and no defeat in the past 2000 years has surpassed the humiliations which the Victor over death sustained since Vatican II--humiliations which betrayed Him for another handful of silver. **[H: I'll let you comment on this one.]**

(B)

The mystical body of Satan likewise had an orderly evolution once Christ liberated him to seek the throne as the "Prince of this world". From Arius (325) to Mohammed; then by way of the fall of Constantinople to the Medici and Renaissance; then to Luther, Kant, Hegel, Hume and Locke; from there to Voltaire **[H: Whose mistress did his translating, i.e., Newton's *Principia Mathematica*.]**, Rousseau and the Revolution of 1789; from *The Rights of Man* to Marx, Engels, Kerensky, Stalin and Lenin--when finally the Prince of this world will have traveled from his original emergence to this throne in 1972 where he reigns and apparently rules the world.

In each and every era until now it was Satan, the invisible, sometimes hiding behind miter and chasuble; at other times, marching over the spiritual corpses of Christ's militiamen; and at all times inspiring kings, emperors, presidents and dictators to enslave the confused populations.

[H: Boy, I surely hope every ONE OF YOU are seeing and hearing. This is not the cartoon of the day--this is the makings of Antichrist for real.]

Probably the most disastrous doctrine Satan has disseminated through his earthly leaders was "government by the people". Never in history has government by the people been actualized.

Always it has been a will-o'-the-wisp. For one short year only (1917) the blandishments of Karl Marx relative to the reign of the proletariat were cheered to the high heavens; then, (1918) following Kerensky's defeat, Stalin tore up the Rights of Man and, despite the promises of Das Capital, instituted the reign of a dictatorial oligarchy. Here was the beginning of the end of democracy. Dead in Russia, 1918; dead in the United States, 2000. **[H: Or, the beginning of the newly defined democracy which has nothing to do with democracy as presented even prior to Socrates. There is nothing FAIR nor JUST in "democracy"--NOTHING. Besides, it was dead in both places long, long before the 1900s.]**

When Christ advertised to His apostles that the "Prince of this world is coming", little did any of His contemporaries think the event was scheduled to happen so soon.

To my mind 1917-1918 until 1972 has witnessed the final emergence of Satan into the world. And from 1972 until 2000 this final expansion will have been achieved.

In democracies such as Italy, France, and, particularly, the United States, powerful groups of unelected men dominate elected presidents and congressmen by obtaining Cabinet positions and other important office. These are the new apostles of Satanism such as the Kissingers, Mitchells, Burns and others in the United States who exercise more influence, power and importance than all governors, congressmen and elected officials combined--including the president of the nation who, in foreign affairs, has become secondary.

There we stand today. Populations, it is now evident, are becoming little more than marionettes dancing on strings manipulated by a group of oligarchs, one in each nation. And all these groups like so many colleges of bishops, are subject to one invisible Pope, one master called Satan.

The uninformed in our country still acclaim democracy and applaud a two-party system to government which, upon analysis, proves to be the head and tail of the same political party. The real party, if I may change the metaphor, is a submerged unmarked and unchartered iceberg which, because of the fogs of confusion and brainwashing, is seldom visible but always in control of the situation with a "God help those who collide with us.

Yesterday, this American group secretly financed and nurtured Communism, as contradictory as that may seem; today this same group inspires racism and ecumenism hoping to capture even the Kremlin, even the Capitol, even the government of every nation. Deviously they scuttled the League of Nations which they founded and began to build the United Nations which they now control. This is a group which fights against Communists and for Communism; against Red China and for Red China, all in one decade. **[H: Yes, and now it is over two decades later just since this nice man wrote his notations.]** Tomorrow they will both attain and lose their objective--One World with a modified Moscow, a liberalistic Washington, a placid Peking and a common government for all the people. Robert Hugh Benson's *Lord of the World* may not have been a madman's dream, nor Christ's prediction will not have been idle.

These foregoing remarks are unsupported as they stand. **[H: THEY ARE NOT UNSUPPORTED ANY MORE, ARE THEY, READERS?]** May I become more concrete: Sometimes an anomaly is an unsuspected truth as in the case when the Prince of Peace is deliberately permitting the Prince of this world to wage war against the Kingdom of God on Earth. **[H: Perhaps the players are not yet straight, my friends. The Prince of the world is only waging war on his own fragments--he can't even find the people of the REAL Prince of Peace.]** The present conflict looks like a rematch between Goliath and David when the stonethrower has no chance

against the sword-wielder. So be it: But the boy, David, had a miraculous stone in his slingshot; a miraculous muscle in his arm; and a miraculous aim in his eye. This, Goliath did not know. Nor does the Prince of this world correctly calculate the supernatural power of his antagonist.

Although many Americans are aware the battle is not going in our favor particularly since the administration of F.D.R. (the first Chief of State to recognize Red Russia in 1918, and the first to finance the Red Flag by \$11 BILLION of American money) nevertheless two-thirds of our fellow citizens are not opposed to establishing friendships, plus financial and trade collaborations at the price of disarming our military, of allowing Red Russians to roam our country, work in our government offices and prey upon our news media.

This could never have been accomplished except the past ten administrations at Washington will it that way. It was tragically evident in the Truman, Roosevelt, Eisenhower, Kennedy and Johnson administrations when we recollect the "no win" wars we deliberately fought in Asia. It was all planned that way.

[END OF QUOTING]

Let us let this digest a while and take a break. This Essay has many more "parts" so do stay tuned, please.

I am amused at people who exclaim loudly that "And, you only have a little over a thousand subscribers? **This is the first truth we have found.**" We thank you for the compliment and have to repeat that people are fearful of this Prince of the World for retaliation, and denial comes in many miserable forms of assaults. Suffice it to say that this is the most-read paper in the world today! People, I suppose, especially those of the Prince of the World, are cheap, stingy, and thieves even of newspapers. These writings are taken right off the computer as we write and are delivered to the top-level intelligence circles before the paper is printed. We appreciate the service but wouldn't it be far nicer to pay for it once in a while so they don't lose their information resource? Well intelligence has nothing to do with their titles. It is like "military intelligence", "political science", "Government intelligence" and dozens of other oxymorons--there is absolutely no meaning to their titles, or worse, most are on opposite ends of the extremes.

Well, we like the security and don't plan to change the network. We WANT the agencies to have the information and know that we do nothing either subversive or of any threat to the great god of "Intelligence" of the Prince of the World. THEY make agreements WITH US; we simply expect them to keep the agreements; no more, no less. THE TRUE PRINCE OF PEACE IS STILL ON HIS WAY!

ADONAI.

CHAPTER 9

THU., FEB. 5, 1998

RISE OF ANTICHRIST

PART EIGHT

[QUOTING, *ANTICHRIST*, Coughlin (Circa 1970):]

ESSAY SEVEN (Cont'd)

THE MYSTICAL BODY OF SATAN IN ACTION

(C)

Definitely we have a subversive organization existing here with associates and affiliates in Britain and elsewhere known as the "Council on Foreign Relations" which I shall refer to henceforth as the C.F.R. Seldom does the press refer to it, possibly because its powers, personages and privileges control too large a segment of the press plus the corporations whose advertising dollars support the news media.

The elite membership of this organization numbers, approximately, 1500 wealthy, important and very influential persons in government, labor, manufacturing, business, communications, education foundations and financial groups.

Absolute proof exists (* and can be read at leisure) that this oligarchy of exceptional persons has staffed practically all key positions of every American administration since the time of F.D.R.

(* *The popular encyclopedia on the C.F.R. and its satellites remains former F.B.I. agent Dan Smoot's Invisible Government. Much up-dating material and a list of members for 1966 (obtained circuitously) can be found in Phoebe Courtney's The C.F.R Both books are available for one dollar each from American Opinion, Belmont, Mass. 02178.*) [H: I still suggest Robert Gaylon Ross, Sr.'s **WHO'S WHO OF THE ELITE. This book by Ross lists Bilderbergs, Trilats and Skull & Bones in addition to C.F.R.]** RIE, 1700-A, R.R.12, Suite 325, San Marcos, TX 78666.

Citizens are not aware of the continuity of personnel which existed throughout the Eisenhower, Kennedy, Johnson and Nixon administrations. Even the present acting Secretary of State, Mr. Henry Kissinger, is an appointee who owes his allegiance first to Governor Rockefeller, a major controller of the C.F.R., and then, if any, to Mr. Nixon. Possibly his influence is unwillingly but forcefully accepted. Nevertheless, it is real and will endure in his successor until the final passing of democracy in the United States.

The American people are not supposed to know too much about this. They are happy politically as long as they are entertained by buffoons seeking a presidential nomination or by well-meaning congressional aspirants who dream they can vote as they please if and when they reach Washington.

"Foreign Policy and How to Mould It" is the immediate concern of the C.F.R. "One World and How to Rule It" is its ultimate objective. So potent has this organization become that the *Christian Science Monitor* (member of C.F.R.) remarked that "Almost half of the Council members have been invited to assume official government positions or to act as consultants at one time or another," while Joseph Kraft (C.F.R.) records that this organization "has been the seat of basic government decisions, (and) has set the context for many more, and has repeatedly served as a recruiting ground for ranking officials." **[H: When you see Jesse Jackson running around looking and acting "christian"--KNOW, he is a prime member in C.F.R.]**

Gary Allen, author of *Nixon's Palace Guard*, (pages 4-5) has inserted these paragraphs:

"Despite nearly incredible pressure to remain silent, the Reece committee disclosed that the C.F.R. has in fact come to be almost an employment agency for key areas of the U.S. Government--'no doubt carrying its internationalist bias with it.' The investigation also showed that the C.F.R.'s influence is so great that it has almost completely usurped the prescribed activities of the U.S. State Department. The *Christian Science Monitor* confirmed this conclusion as follows:

"Because of the Council's singlehanded dedication to studying and deliberating American foreign policy, there is a constant flow of its members from private to public service. Almost half of the Council members have been invited to assume official government positions or to act as consultants at one time or another.

"The policies promoted by the C.F.R. in the fields of defense and international relations become the official policies of the United States Government with a regularity which defies the laws of chance."

[H: Hold this in your hearts a minute while I remind you of something. Mary Baker Eddy founded the Christian Science "movement" and I would note here that this lady was almost an Icon to both the Russells of later-to-become: University of Science and Philosophy. Yep, same old one. And perhaps the assault will begin to make more sense to you now.]

In reading of this unbelievable decay of democracy which the above paragraphs disclose, may I pause to clear up two points relative to Antichrist: First, although there is but one Antichrist whose name is Satan, nevertheless He has many co-laborers both spiritual and human who are referred to as the mystical body of Satan. **[H: Perhaps pentagrams and diving towers might make more sense now than they did before.]** I rely on the sacred Scripture to confirm this statement. **[H: If any SACRED scripture was left, he means--for there is NOT any remaining from or within any of those "Holy" Books, readers.]** Thus we read in St. Mark's Gospel (Mark 5:6-9) as follows: "As Jesus came to the other side of the sea, to the country of the Gerasenes; and as soon as He stepped out of the boat, there met Him from the tombs a man with an unclean spirit.... And He asked him, 'What is thy name?' And the unclean spirit said to Him, *'My name is Legion, for we are many.'*

[H: You might ask: "Is there any 'gospel' untampered?" Yes: *And They Called His Name Immanuel; I Am Sananda, a Phoenix Journal* (available from Phoenix Source Distributing, Inc. 800-800-5565).]

(D)

The second point is this: With the activities of communism which are definitely anti-christian as a doctrine; with the dedication of millions of communists as activists and millions of spirit devils as co-laborers the Church Militant is facing its final battle which will necessitate the second coming of Christ to ensure victory.

Carroll Quigley, professor of International Relations at Georgetown University has written an important volume on this subject entitled *TRAGEDY AND HOPE*.

As a liberal he does not oppose the conspiracy of a prosperous materialistic organization which aims at destroying Christ's "One Lord, One Faith, One Baptism" supernatural organization on the basis the world is too small for both.

In my estimation the C.F.R. is composed of highly erudite, well meaning naturalists who entertain no serious acceptance of supernatural religion or its potency to save America. Yet it operates, either knowingly or unknowingly, on a similar pattern as does the Catholic Church; and many of its members are occasional "church goers".

To learn of its origin one must go to Oxford in England. And, further, he must become acquainted with one of history's most romantic planners whose money, influence and activities helped in a major degree to advance the cause of Satan's "One World-ism" or Prince-ship.

Cecil Rhodes (1853-1902) became famous for his venturesome and profitable diamond and gold mining enterprises in Southern Africa. A thorough going Britisher, he used his yearly income, estimated at \$5-million tax-free, to further the expansions of the empire.

Sara Millin, his biographer, remarks, "The government of the world was Rhodes' simple desire."

This objective was not new to Oxford. In 1842 Alfred Lord Tennyson wrote his *Locksley Hall* which deserves quotation; for in its verses Tennyson became the prophet Isaias, as it were, in advertising the birth of "One World-ism" and its high priests who are the members of the C.F.R.

*For I dipped into the future, far as human eye could
see.
Saw the Vision of the world, and all the wonder that
would be;
Saw the heavens fill with commerce, argosies of
magic sails,
Pilot of the purple twilight, dropping down with
costly bales.
Hear the heavens fill with shouting and there rain'd
a ghastly dew
From the nations' airy navies grappling in the
central blue;
Far along the world-wide whisper of the south-wind
rushing warm,
With the standards of the peoples plunging thro' the
thunder-storm;
Till the war-drum throb'd no longer, and the battle-
flags were furl'd*

In the parliament of man, the Federation of the world.

From poet to pragmatist, from prophet to prince, there has been an orderly transition. The topic of "One World-ism" was rife in literary circles throughout Britain. Both senior universities were alive with it, particularly in the lecture hall of John Ruskin whose Oxonian lectures were inspiring from a Fabian (socialist) point of view; as inspiring as were Tennyson's poetic dreams of poverty versus plenty, war versus peace and insularity versus a worldwide empire governed by a parliament of men (externally) and ruled (secretly) by an oligarchy of wealth and power.

If the Christian Church grew into worldwide proportions by the fruits of home-trained missionaries, so, thought Rhodes, his World Empire would do likewise. Thus he reached out to many countries and colonies, brought promising young men to Oxford, indoctrinated them with Britishism and "One world-ism" and sent them to missionary fields in the United States and elsewhere.

Adam Weishaupt, years previously, had learned this technique from the Jesuits; so he, a secularist, planned to outmissionary-ize them in establishing his semi-secret society which he called the "Illuminati" (the intelligent ones). This powerful but small group were the forerunners of the C.F.R. and its British ally, the "Round Table". He must be recognized as one of the modern influences with Rhodes in launching this movement.

Gary Allen, author of *Nixon's Palace Guard* quotes *American Rhodes Scholarships* by Frank Aydelotte to indicate how well the master-mind planned; "If a young man did well at Oxford, 'He may return from Oxford to the United States a citizen of the world.'" And there can be little doubt of it. Some of the Rhodes alumni to wear the old school tie in our government are Dean Rusk (C.F.R.), Walt Whitman Rostow (C.F.R.), Harlan Cleveland (C.F.R.), Nicholas Katzenbach, and Senator Frank Church (C.F.R.).

[H: I would call all our readers back to a journal wherein we wrote about these USURPERS. It included Dean Rusk, Walt Rostow, Robert McNamara, Clark Clifford, Abe Fortas, N. de B. Katzenbach. I frankly don't know if we were able to publish this or not or if, even perhaps, George Green is still holding the volumes hostage. If it is available, please, staff, give information here because it is so very important to go forth armed with all the information you can get. (Phoenix Journals #100, 101, 102, 103, 104, 105 & 107 available through Phoenix Source Distributing, Inc. 800-800-5565)]

With foresight Cecil Rhodes perfected the "missionary" angle or scholarship actively with a secretly functioning board to formulate and activate world foreign policy. On this point we quote the reliable and informative professor of foreign policy, Carrol Quigley from Georgetown, who is the undisputed American authority on this subject.

"This association was formally established on February 5, 1891, when Rhodes and Stead organized a secret society of which Rhodes had been dreaming for sixteen years. In this secret society Rhodes was to be leader; Stead, Brett (Lord Esher), and (Alfred) Milner were to form an executive committee; Arthur (Lord) Balfour, (Sir) Harry Johnston, Lord Rothschild, Albert (Lord) Grey, and others were listed as potential members of a 'Circle of Initiates'; while there was to be an outer circle known as the 'Association of Helpers' (later organized by Milner as the Round Table organization)."

In addition Quigley writes:

"Since 1925 there have been substantial contributions from wealthy individuals and from foundations and firms associated with the international banking fraternity, especially the (Andrew) Carnegie United Kingdom Trust, and other organizations associated with J.P. Morgan, the Rockefeller and Whitney families and the associates of Lazard Brothers and of Morgan, Grenfell and Company.

"The chief backbone of this organization grew up along the already existing financial cooperation running from the Morgan Bank in New York to a group of international financiers in London led by Lazard Brothers."

And finally Gary Allen adds this highly informative paragraph:

"Why would international bankers and financiers be interested in promoting a socialist world government? Clearly, socialism is only the bait to obtain the support of the political underworld and to create the structure necessary to maintain dictatorial control. What this small group of financiers and cartel-oriented businessmen are interested in is monopoly control over the world's natural resources, trade, transportation, and communications--something that despite their great wealth they could not achieve otherwise. Therefore, the super-capitalists become super-socialists, realizing that only a World Government under their control can give them the power necessary to achieve their goal. Only this could explain why these extremely wealthy men would be willing to support movements which seem to be aimed at their own destruction. The financiers and cartelists do not expect to be injured by the socialists so long as they can manipulate them, using them for their own purposes."

It is clear the "Round Table", which is the British version of C.F.R., existed years before the latter was organized. Although an incipient group under Walter Lippmann opened an avenue to correlate with the British Round Table through the magazine *The Round Table*, it was not until late in 1919 when the Round Table preferred to be known as the "Royal Institute of International Affairs" that the actual steps to organize the United States were taken. Its chief activist was Colonel E. Mandell House, President Woodrow Wilson's alter ego in a degree of equal importance, if not more, than is **Dr. Kissinger**, Mr. Nixon's alter ego.

[H: Don't forget to refer to Dr. Coleman's books and specifically if you only can get one: CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300, from WIR, 2533 N. Carson St., Carson City, NV 89706.]

Immediately Colonel House inducted Walter Lippmann (C.F.R.), John Foster Dulles (C.F.R.), Allen Dulles (C.F.R.) and Christian Herter (C.F.R.), who openly launched the hitherto half-hidden Council on Foreign Relations into open view at a meeting held in the Majestic Hotel in Paris.

By this time, of course, Cecil Rhodes had died after having made seven consecutive last wills and testaments, finally leaving his vast fortune to Lord Rothschild. But his work was accomplished.

As the C.F.R. developed, Professor Quigley supplies names of those invited to join. Representatives from Morgan and Co., the Rockefeller family, Kuhn Loeb and Co., Dillon Read and Co. and Brown Bros. Harriman with such distinguished persons as Otto Kahn, Jacob Schiff who financed Leon Trotsky and the Russian Revolution, Paul Warburg who brought the Federal Reserve Bank into existence, William Averell Harriman, and Albert H. Wiggin. Colonel House, himself,

inducted one-hundred fifty members from his Federal Task Force for planning the Peace Treaty, plus Walter Lippmann.

Later on Andrew Carnegie's tax-exempt foundation was deeply involved in championing and financing the C.F.R. because he, a British citizen, (always refused to become an American citizen) desired the United States to be reunited to Great Britain.

Again I am indebted to Gary Allen for this following quotation:

"The Council's first task was to infiltrate and develop effective control of the U.S. State Department--to make certain that after World War II there would be no slip-ups as there had been following World War I. The story of the C.F.R. takeover of the U.S. Department of State is contained in State Department Publication 2349, "Report To The President On The Results Of The San Francisco Conference". It is the report of Secretary of State Edward R. Stettinius (C.F.R.) to President Harry Truman." On page twenty-three we find:

"With the outbreak of war in Europe it was clear that the United States would be confronted, after the war, with new and exceptional problems... Accordingly, a Committee on Post-War Problems was set up before the end of 1939 (two years before the U.S. entered the war), at the suggestion of the C.F.R. The Committee consisted of high officials of the Department of State (all but one of whom were C.F.R. members). It was assisted by a research staff (provided by, financed by and directed by C.F.R.), which in February, 1941, was organized into a Division of Special Research (and went off the C. F.R. payroll and onto that of the State Department). [H: Thank you, tax-payers.]

"(After Pearl Harbor) the research facilities were rapidly expanded and the Departmental Committee on Post-War Problems was reorganized into an Advisory Committee on Post-War Foreign Policies (completely staffed by the C.F.R.).

"This is the group which designed the United Nations--the first major successful step on the road to a World Superstate. Members of the C.F.R. group included Harold Stassen, John J. McCloy, Owen Lattimore ('conscious, articulate instrument of the Soviet international conspiracy'), Alger Hiss (Communist Spy), Philip Jessup, Harry Dexter White (Communist Spy), Nelson Rockefeller, John Foster Dulles, John Carter Vincent (Security risk) and Dean Acheson. Forty-seven C.F.R. members were among the American delegates to the founding of the U.N. in San Francisco in 1945.

"Not only did members of the Council on Foreign Relations dominate the establishment of the U.N., but C.F.R. members were at the elbow of the American President at Teheran, Potsdam and Yalta--where hundreds of millions of human beings were delivered into the hands of Joseph Stalin, vastly extending the power of the International Communist Conspiracy. Administrative Assistant to the President of the United States during this time was a key member of the C.F.R. named Lauchlin Currie--subsequently identified by J. Edgar Hoover as a Soviet agent, and C.F.R.-I.P.R. liaison to the President.

"So completely has the C.F.R. dominated the State Department over the past thirty-eight years that every Secretary of State except Cordell Hull, James Byrnes and William Rogers has been a member of the Council on Foreign Relations. While Rogers is not C.F.R., Professor Henry Kissinger, the President's chief foreign policy advisor, came to the job from the staff of the Council on Foreign Relations. It has been instructive to watch as Kissinger, not Rogers, runs America's

foreign policy."

(E)

Truth is not only stranger than fiction, but at times it is more difficult to comprehend because, on the surface, it appears to be contradictory to the advertised "factualities" of life. Indeed, the best selling most fantastic book is waiting for the pen of an unborn genius who will have discovered the truth of the C.F.R.-its birth, development, achievements--and ultimate failure.

As one recalls the past fifty years or so from the Wilson days to our present administration one wonders how the United States has survived despite its madman's foreign relations history. Prior to World War I, during its series of catastrophic blunders, culminating in the Peace Treaty of Versailles; then, during the interim of 1918-1945 when our State Department acted as if it were bereft of intelligence, patriotism and foresight we lived as in a daze, compounding one error after another in European and Asiatic relations.

In honesty, the C.F.R. was not totally responsible for this era of disloyalty and intellectual bankruptcy unless one insists on identifying it with Round Table Groups (the British unit) which reached their apex of power under Winston Churchill. In heart and mind, he was a worldwide Britisher with no boundary for his empire save the circumference of the Earth and the upper reaches of Orion.

Remember his approach to Roosevelt? First he asked only for munitions; two months later he begged for money; three months following he pleaded for men--and Franklin D. Roosevelt granted all three.

This essay, I am not forgetting, is concerned with the Mystical Body of Christ and its counterpart, the mystical body of Satan. Both fronts are deeply involved with men who form the militia in both armies. And in these paragraphs I am focusing on the leading men who act as field generals on the field of Armageddon. I am dealing with a charming F.D.R. who was never accused of being a sound thinker by his associates. It was Colonel House and Henry Morgenthau who did his "deep" thinking. I am recalling Winston Churchill, the cajoling mentalist whose cognac and coquetry bewitched our President. Suddenly their day ended while the shimmering particles of stained glass that once represented their shattered world of dreams lie scattered on the highway of history.

They who pledged to make the world "safe for democracy" made it secure for Communism. **[H: A really old Khazarian trick of the trade.]**

Catholic Europe is fast becoming Marxist in matters economic and ideologic particularly in the ranks of workingmen, university students and "influential" theologians. **[H: And don't overlook the POPE!]** These are facts too late to be lamented; too late to be washed away with effeminate tears. To counterbalance them there is required action inspired by the Holy Spirit, and motivated by that type of belief "in moving mountains or casting out devils" spoken of by Christ, unfortunately, to deaf ears.

Time already has run out on all of us; for in 1972-2000 both as a Church and nation we are standing on the threshold of eternity. Well may we marvel at the rapid takeover of Communism with its accompanying decay of national, social and personal morals and their replacement by sanctified crimes which, through subterfuge, have become part and parcel of our constitutional and

private lives.

It is all too smart to be human, too unbelievable to be realistic. Yet it is here--in the nation and in the Church. It is here as it was in the two totally insane wars in which we became involved both in Korea and Vietnam where, in each instance, the rulers of the United States made certain the enemies would be victorious.

When the supernatural miracle men ceased using the supernatural weaponry, the naturalists took over. These latter are not to be identified with rag-tag rioters, unwashed mobsters and curbstone philosophers. On the contrary, they are highly successful in banking and finance, historically balanced, careful in their decisions. They ingratiate themselves with both labor and capital; contribute significantly to thought and planning; and, above all things else, are foresworn and dedicated to the proposition of One World governed by one doctrine and one power in a pseudo parliament of man operated and controlled by means of communications, energy, education, banking, finance, transportation, politics, and religion, over which the oligarchy already has gained considerable control. The completion of their plan is much closer than ninety-five percent of the American people suspect.

These men, with few exceptions, and their organization were recipients, neither of the faith nor the sacraments with which our bishops were endowed; nor have our bishops and laity, for the most part, been endowed with the natural gifts of intelligence, wisdom, understanding, knowledge, technocracy, wealth and mass control which characterize the modern 1500 in the C.F.R.

In my humble analysis, these latter have failed to recognize one perennial weakness in their individual and combined study of history. I mean they refuse either to explore the cause of the constantly recurring phenomenon that man always loses in his attempts to "unite the world". Always such organizations are victimized by pride and selfishness; always, like Sisyphus, they roll the stone up the hill within a few yards of the summit of success only to have it come tumbling down upon both them and their hopes.

Despite the shortcomings of churchmen I still stand by the Holy Father and the bishops, not because they are exceptionally alert in intellect but because they are miracle men--the only miracle men on the face of the Earth, if only they would utilize their faith as well as their natural gifts to solve the intricate problems. **[H: Poor blind man, he still just can't seem to get the right picture here.]**

From a naturalistic viewpoint I entertain no hope for a totally peaceful future; for until the end of time Christ and Antichrist will be in mortal combat. Still I shall persist in praying for a revived spirit of supernaturality, of Christly militancy and of unbending belief. The Holy Spirit can and will conquer if our miracle men will deserve the miracle. Without them, even the Church Militant will become a victim of the avalanche.

[H: Dharma further asks that you pray that her fingers don't just fall off. Thank you.]

[END OF QUOTING]

Please be paying attention so that you don't miss the fact that much has moved through the proper channels toward accomplishment of this World Order and on into the finalizing of same. You truly are out of time, people of the LIE, and the others of the world, who will not sit for this as YOU HAVE DONE--will confront this enemy with all their might and YOU had better be deciding where

you will seek shelter for there are going to be damned few places to find it and I am not of a mood to play any more games with you. I have to remind you that ANTICHRIST doesn't care whether he gets you dead or alive in either instance. Actually, he prefers you dead, especially between the ears.

Adonai.

CHAPTER 10

REC #2 HATONN

FRI., FEB. 6, 1998 7:17 A.M. YR. 11, DAY 174

FRI., FEB. 6, 1998

BEAR WITH US, PLEASE

Patience is a virtue for readers too! Our morning began very early, the surveillance teams played with the computer for a while, the power (alternative) went dead, the file was full, business was on hold, and nerves rattled. Yes, there IS too much for one or two to handle but we have tried "more" and it just gets confused. And, business people, you must consider that everyone lining up at Dharma's is not going to work. You are chosen because you are to do the physical things. We have more than she can handle, and more especially on days like today. Blame El Nino if you like because it is going to get far worse before it gets any better.

People along your coastlines live as if there will be no rain, no wind, no earthquakes, and no problems--EVER. A bit of rain and the houses fall off the cliffs, mud flows and rivers flood--what do you expect? You live in your little Easter Baskets of nesting and plant selves right in the river beds. I have no patience to even discuss the problems.

You have far worse problems than Mr. Clinton's zipper. Today is the day Ru Mills and Skolnick say Gore will be "sworn in" and the odds don't seem to indicate that that will happen. Have you any notion as to how bad for your nation it would be if you ended up in "that kind" of chaos today? Perhaps the American people have more intelligence than we have given them credit.

Everybody seems to be pushing for war with Iraq? No, that is not so. Great Britain is pushing for a strike against Iraq! The U.S. is always the lackey of both Britain and Israel. I can promise you that if you unilaterally do such a stupid thing, you will stand isolated and Clinton would have such problems as to boggle his own mind.

Oh indeed, you will find Tony Blair, Maggie Thatcher, Bush, et al., pushing for stupidity. You always do what your rulers tell you to do or you go down in flaming zipper scandals. What do YOU think Tony Blair is doing in the U.S.? The U.S. is to Britain what the Greeks were to the Romans. No compliment intended!

Why are you getting all the "dope" on satellite and viewing technology? To fool you, of course. Oh, the technology is there but it reminds me of your president when he says, "...rules say I can't comment." He has no rules. The "rules" say "they" (whoever that is) can't show you actual pictures

so you get propaganda and no pictures except those of "other" encounters. My, are we gullible. Perhaps, people, the adversary is overplaying his hand this time?

I remind you one more time that regardless of how it "*appears*" **the U.S., Britain and Israel STAND ALONE THIS TIME SO YOU CAN'T EVEN DUMP LIES OF INCIDENTS OFF ON ANYONE ELSE. YOU EVEN HAVE TO TAKE THE BLAME FOR YOUR OWN DEEDS IN ITALY'S SKI RESORT--A TIME OF ACCOUNTING IS WORKING ITS WAY UP THROUGH THE LIES, SLEEPY HEADS.**

Since Clinton is on everybody's mind, why don't we interrupt our Antichrist writing as it was going and move to the toys and players in the current Antichrist circles.

Sherman Skolnick, yep, same one has offered a good write-up about Clinton and his connections to the Rockefellers. I have never said that "all" of Skolnick's information was untrue, so don't put words in my mouth. Most of the stuff of Rayellan Russbacher (Ru Mills) is not worth the time spent listening or reading. She lied so completely and comprehensively about things within which WE WERE INVOLVED as to LOSE ALL-ALL--CREDIBILITY. I have always urged, and handed out phone numbers, for you to check in with Skolnick. Mis-, disinformation people spread a lot of truth along with the incorrect, and after a while of practice at LISTENING, and then using patience, you can find TRUTH.

The information offered here comes from Conspiracy Nation, Vol. 8 Num. 42. Ref: Clinton, Rocky's Bastard?

[QUOTING:]

BILL CLINTON AND THE ROCKEFELLERS

by Sherman H. Skolnick
(Fri. Jan. 9, 1998)

[H: No, I can't tell where this originated other than the information offered right here. It came unaccompanied by any further details other than so many various and sundry ".coms" as to be unable to sort one from the other.]

There are big, dirty secrets that may explain the rise to power of those otherwise obscure.

A case in point is William Jefferson Clinton.

Some background: Seldom mentioned, although known: That the Rockefellers own and operate Arkansas, a very poor, backward state that is quite sizeable with a comparatively small population.

Several terms before Bill Clinton held that position, Winthrop Rockefeller was Arkansas Governor; Winthrop being the grandson of John Davison Rockefeller, founder of what some call the evil empire of Standard Oil. By U. S. Supreme Court ruling in 1910, based on Rockefeller's corrupt and violent monopoly practices, the Standard Oil Trust was broken into various parts.

Although the names of the resulting parts have been changed around to confuse naive people, the Rockefellers still control them all, such as Standard Oil of New Jersey, now called Exxon; Standard Oil of Indiana, now called Amoco, and Standard Oil of Ohio, now merged with interests of

the British royal family and called British Petroleum, and so on.

The person now known as Bill Clinton: his maternal grandmother, believed to be quite a beauty, and reportedly having some link to British royalty, had a great love affair with Winthrop Rockefeller. Hence, Bill Clinton is apparently the illegitimate great grandson of old John D. Rockefeller. **[H: You think this couldn't be? Well, I will ask you: Where is the beautiful black woman with CLINTON'S SON? DID SHE JUST VANISH, ALONG WITH THE CHILD THAT LOOKS EXACTLY LIKE BILLY, FROM THE FACE OF THE EARTH?]**

Another great grandson is John D. Rockefeller IV, called Jay, to be cute. Is Jay a secret power co-conspirator with Bill Clinton or a rival for occupying the White house?

Up to now, Bill Clinton's background, as portrayed by the Rockefeller-controlled monopoly press, is apparently just another fairy tale of a kid from a nothing place, Hope, Arkansas, somehow rising to high position by great effort and merit. A recent book points out that Bill Clinton was more so linked with Hot Springs, Arkansas, and was dominated by his uncle, Raymond Clinton. The uncle was a wealthy and influential so-called "auto dealer" (some contend that sometimes is the title or role of the local or regional bagman) with ties to the Ku Klux Klan and organized crime. Along with other figures from the vice-ridden, mob-controlled Hot Springs of the 1940s and 1950s, Uncle Raymond financed Bill Clinton's first campaigns. (See: *Partners in Power, The Clintons and Their America* by Roger Morris.)

Other reputed patrons of Bill Clinton reportedly include the Jacobs family of Buffalo, New York (who also reportedly contributed to the rise to high position in sports of O.J. Simpson). They control concessions at sports stadia around the nation, through their operations, once called Emprise, and later, Sport-systems, Inc. Some contended the international sports concession firm had underworld ties.

(See, for example: *Chicago Sun-Times*, 6/6/72; 1/16/72; 11/28/72. Later, Jeremy Jacobs, president of Sportsystems, Inc., testified that the firm had been "rehabilitated", *Chicago Tribune*, 3/4/75. In 1972, Emprise Corp., a Sportsystem subsidiary, was convicted in California Federal Court of making a series of loans to Las Vegas gamblers with crime syndicate connections. *Chicago Tribune*, 3/4/75.)

The Jacobs family runs dog racing, popular in Arkansas. They also have owned Marine Midland Bank, originally headquartered in Buffalo, and now have units nation-wide, and around the world, by having merged with Hong Kong and Shanghai Bank. The Hong Kong Bank financed the opium trade going back to the 19th Century Opium Wars, the British method of subjugating China. The Bank has been owned and operated by British royalty and interlinked with British shipping firms in the Pacific rim. Also, some in law enforcement have accused the Marine Midland Bank of being reportedly a dope money laundry.

Clinton, as Governor, played a role with the aluminum cartel, since Arkansas bothers to point out that the CIA is interlocked with the oil companies--like Rockefeller's--with the CIA being a form of international security police for oil facilities. And who bothers to remember that the Cecil Rhodes Trust is based on South African diamond mine monopolies and that the Trust and its "scholars" are pledged to restore control to the British of their former colonies now called the United States. (Arkansas apparently has the only diamond mines in the U.S. A mere coincidence?)

Other money baggers behind Clinton include Stephens & Co., which have had a Rockefeller on

their board. They are the largest bond house outside of Wall Street, and headquartered in Little Rock with units worldwide. And they are interwoven with the Rose Law Firm. And Rose Law Firm partners Hillary Rod-ham Clinton and Vincent W. Foster, Jr. reportedly arranged the efforts of a twin-bank empire to spread out in the United States, as reputed money laundries: Bank of Credit and Commerce International (BCCI) and Banca Nazionale Delavoro (BNL), Italy's largest bank owned in part by the Vatican. BNL-Atlanta disguised some 5 billion dollars of weapons shipments to Iraq from U.S. firms, disguised as Agriculture Departments credits--weapons shipments primarily from Arkansas-based firms linked TO GEORGE BUSH and in some way with the Rockefellers, and on which Hillary was a Board Director, her role disguised as their "lawyer".

One only becomes Arkansas Governor with the blessings and approval of the Rockefellers. Because of secretly being part of the Rockefeller family, Bill Clinton considers himself to be a Teflon Man; no scandal can stick to him. **[H: Well, Teflon sure makes the zippers run more smoothly.]**

[END OF QUOTING]

BIG TEN

When we first got into "it" with Grannie, Jackson, etc., along with Russell Herman, et al., it was because we were telling this very information above and working through all the banks and managing (controlling) corporations of the Lizards in power. One of those companies was the Depository Trust Company (DTC). It was, and I suppose still is, the best kept secret in the world. It functions right out in the open and should not be a "secret", but it seems to be and that is possibly because nobody can understand its function. Perhaps the following will both refresh your memories of our material and information AND help you better understand how these things work and control every move you make.

I will, this time, simply repeat what was sent to us from P. Kawaja. He received the information and a request to pass it on.

[QUOTING:]

UNKNOWN TEN TRILLION \$\$ COMPANY

[H: Everybody should have at least one.]

The Economic Outlook, November 1997: **THE DEPOSITORY TRUST COMPANY (DTC) IS THE BEST KEPT SECRET IN AMERICA.**

Headquartered at 55 Water Street in New York City, this "financial institution" or "bank" is perhaps the most powerful in the world, yet the public doesn't even know about it. How can a "bank" hold assets of over \$10 trillion dollars and be unknown?

The DTC is a bank and brokerage clearing firm and transfer center. It's a PRIVATE BANK FOR SECURITIES. The DTC is a former member of the New York Stock Exchange (NYSE) **[H: But never incorporated.]** and its sister company is the National Securities Clearing Corporation **[H: Also never incorporated.]**

The DTC handles the **book entry transactions for ALL banks and brokerage houses.**

EVERY BANK AND BROKERAGE FIRM MUST SECURE MEMBERSHIP WITH THE DTC IN CASE THEY BECOME INSOLVENT, SO (THEORETICALLY) INDIVIDUAL ASSETS ARE SECURE WITH DTC.

The DTC processes every stock/bond (paper securities) purchase, sale or transfer, for every US bank and brokerage house.

Who gave this company such a broad range of financial power and clout? The Federal Reserve. It's required by the Federal Reserve that the DTC handle all bank/brokerage stock/bond sale or transfer transactions.

If you have been a long-time reader of the *Economic Outlook* [**H: Or CONTACT.**], you know that the Federal Reserve Corporation is also a private company, not an agency of our Federal Government.

The DTC is owned by the same stockholders who own the Federal Reserve Corporation. In other words, the Depository Trust Company is really a front for the Federal Reserve Corporation. Now, let's see how this affects the purchase of a 100 shares of IBM stock. For example, an account is set up for you and the bank or brokerage house then acts as your agent with power of attorney to conduct business on your behalf, upon your buy or sell instructions.

Under federal law, banks and brokerage firms are merely "custodians". They cannot hold any assets in the name of any client. All bank and brokerage company stocks and bonds (purchased for investors) **must be transferred to the DTC for safekeeping.**

In essence, every brokerage firm or bank must then send all stock and bond certificates purchased for individual investors, they use a fictitious entity name or "street name", to DTC.

Theoretically, this artificial entity is always related to the brokerage firm or bank. The "street name" stock or bond certificate is then automatically transferred to, or credited to, the Depository Trust company.

Since DTC is a bank, it can't hold the certificate in its name either, so DTC transfers the certificate to its own holding company or "nominee name" called "CeDe and Company". [**H: This is to coincide with C.D. as in Certificates of Deposit.**]

That's how DTC has amassed over \$10 trillion of assets in trust. *The question is, whether or not these assets are REALLY in "trust" if the DTC, which is owned and controlled by the same shareholders who own the private Federal Reserve Corporation, simply holds them in nominee name?*

Obviously, if stock and bond certificates you've purchased aren't registered in your name, then the "holder" of these certificates (a subsidiary of the Federal Reserve Corporation) could, according to the 1917 Trading With the Enemy Act, theoretically refuse to surrender them to you in a "national economic emergency". [**H: Oh WOW!**] The 1917 Trading with the Enemy Act is the very Act which gives every US president the power to unilaterally enact Executive Orders and/or Presidential Directives. The Act is still valid US law.

In 1933, Roosevelt used the Act to seize (in the name of a national economic emergency--the banking crisis) all gold (with the exception of collector coins) held by US citizens, requiring all

Americans to turn their gold over to the Federal Reserve to restore confidence in the Federal Reserve-controlled US banking system.

The critical question today is whether or not all stock and bond certificates held in "street name" by the DTC could (in a national economic emergency) be considered collateral by the private Federal Reserve Corporation and thus used to pay off the national debt which all Americans theoretically owe to the Federal Reserve. Simply put, the Depository Trust Company absolutely controls every paper asset transaction in America, and physically holds the majority of stock and bond certificates in its name. If you have stock or bonds in your name we suggest you demand the actual certificates and hold onto them.

Remember: In 1933, all gold was taken from the hands of private citizens. **[H: Sure makes incorporating look good to me.]**

Under the Act, a national emergency was declared due to the stock market crash that preceded the Great Depression. Where did this gold end up? In the hands of the Federal Reserve Corporation. The majority of this gold is still stored in the Federal Reserve branch bank in New York City. **[H: Well, don't count on that too heavily--except as a resource/source.]**

Is it any surprise that DTC holds our stock and bond certificates in the same place?

Technically, **OUR ENTIRE NATION IS STILL UNDER THE WAR POWERS ACT AND IN A CONTINUAL STATE OF NATIONAL EMERGENCY.** Under the War Powers Act, the **PRESIDENT CAN UNILATERALLY ENFORCE ANY NEW EMERGENCY ORDERS AT ANY TIME under Executive Order or Presidential Directive.**

The coming national emergency will most likely call for the **CONFISCATION OF ALL GOLD BULLION AGAIN.** Who will end up with it? The Federal Reserve Corporation just like before. Then perhaps the Fed will "peg" new dollars to gold, say at the rate of \$3,000 to one ounce of gold, as many experts already reported. What will stocks and bonds purchased with old dollars be worth then? Pennies on the dollar, so to speak. Who wins? **The Federal Reserve Corporation.** The Fed ends up with our gold (with the exception of collector coins) **[H: And don't even expect collector coins to hold this go-around.], and our stocks and bonds, purchased through banks and brokerage firms. After all we owe the Fed over \$5 trillion in the form of our national debt. [H: Read it and weep, citizens.]**

[END OF QUOTING]

Since the Federal Reserve is International, **KNOW** that it is part and parcel of the World Bank/International Monetary Fund/United Nations. You will not even have domestic **"INCORPORATION LAWS" TO HELP YOU WHEN IT ALL GOES DOWN.** But, you may well want to get some of your own "incorporation laws" to protect selves, working for you.

So where do you as citizens stand, even with gifted contract funds as offered by Grannie Two-Shoes? Well, it depends on what you do. The Treasury sold-out to the Federal Reserve and therefore the IMF/World Bank is totally responsible for the debt on that certificate/contract 3392-181. And who really owns this all? Bush and Brigade! Will they take it? You damned well better betcha.

I think this is enough for this writing considering what a bad start we had and let us just leave the series writing off for this morning. There is a lot to **THINK** about in these two messages--so spend

time, please, THINKING! Adonai.

CHAPTER 11

REC #1 HATONN

SAT., FEB. 7, 1998 7:42 A.M. YR. 11, DAY 175

SAT., FEB. 7, 1998

WAR; SO EVERYBODY IS READY FOR MORE WAR!

You people just watched your seeing-eye tube and cheered Clintons and Blairs on to their week-end romp at Camp David. One of these days I am going to remind you about Camp David!

For the Antichrist, face it, there is not enough innocent blood around in the world today to satisfy hatred and destruction, or to satisfy the pockets, and yes, bloody inflictions upon a world in pain.

Mothers and Fathers who might read this: when you allow these things to happen, as I will present, God puts notches and clicks along side your name and you who support the Antichrist will, one day soon, find no support for selves or your offspring that you teach in the ways of immorality of anything like war.

Why don't all of you stop titillating selves with the sex scandals (and those start right in London and wash ashore in the US) as the Bush bunch, Royal bunch and cronies try once more to gain total control and assets of your globe. Zip up your pants and put your toys away and see what you REALLY do, and do in the name of humanity, Jesus, God, the United Nations and other outrageous lies.

Iraq's disquiet for the big boys is NOTHING except over assets, hatred and OIL. If the US-Britain can smash hard enough then the assumption is that the other Arab nations will go quietly back to their holes or start a war--and my goodness, readers, with the kinds of toys you have for war, what little imbeciles wouldn't want to try them out. But, THIS TIME, they will fall on YOUR HEADS!

They have to silence TRUTH and Saddam tells the truth. Men coming back from that Hell tell the Truth and are deaded with disease for the trouble. YOU ARE NOT ALLOWED TO KNOW ANYTHING--EXCEPT THE LENGTH OF WILLY'S PANT ZIPPER.

"We have got to stop Saddam... weapons of mass destruction... anthrax and VX gas... wipe out the milk factories--wipe out the food supply... kill, kill, kill" AND guess what: "If we are *forced* to bomb it will be BAD and it WILL BE THE FAULT OF SADDAM!" What you don't seem to know is that the only reason the Arab world joined by the Chinese haven't blown YOU off the map is because Saddam holds strong and KNOWS HIS REAL ENEMY.

Puppet Clinton diddles while the ones that run the world make the plans, start the wars, send YOU off to fight and die like flies on a carcass, and laugh all the way to the banks--THEIR BANKS, OF COURSE. The people from Israel who are allies are already over in Washington pushing you around--you have met your enemy, readers, and they are your controllers--right in your dooryard.

Madeleine Albright who just did her failed trip around to gain support for bases, didn't do it. So now, Cohen is going to accomplish it? I wonder if--in this insane world you have developed, he

won't probably succeed.

There is talk of dying and killing and hand-washing as they tell you over and over and over until your sleep repeats: Weapons of Mass Destruction--kill, kill, kill *TO PROTECT THE WORLD*. The MADMAN IS NOT IN IRAQ, silly children.

When the statistics of blanket bombing are mentioned, your female (Motherly-Grandmotherly) Albright simply says: "It's worth it."

These helpless people on the other end of your bombs are crying out to GOD for help against the demons of Antichrist--and guess what, get ready, blind and foolish sheep--THEY ARE GOING TO GET IT IN A VERY BIG WAY. YOU without mercy will bomb, maim, kill and starve GOD'S most innocent children--AND IT IS YOU WHO SHALL PAY THE ULTIMATE PRICE OF SUCH ACTIONS--DIDN'T YOUR PROPHETS ALSO TELL YOU ABOUT THAT LITTLE GLITCH IN THE PLANS OF ANTICHRIST? SADDAM HUSSEIN IS A WALKING ANGEL OF LIGHT COMPARED TO THE ANTICHRIST CONTROLLERS YOU HAVE PUT INTO POWER. WELL, THE WORLD IS AWAKENING, YOU MESMERIZED ZOMBIES WHO CAN'T GET BEYOND A MAN'S ZIPPER TO SEE WHAT IS GOING ON, AND THEY WILL PUT YOU AND THOSE PUPPET MASTERS INTO HELL--COUNT ON IT.

You shout to "feed the hungry", "house the homeless"--but do you see any ONE of those brainless idiots doing anything except having their State Dinners and shaking bombs on the world? The devastation is supposed to bring all of you into total submission and not ten of you can even see it.

"But what can we do?" I don't know! If I told you you would be too fearful to move a muscle for you have grown weak, soft, pot-bellied, fat and lazy while watching other people live your lives FOR YOU. You will again be an armchair warrior with your thumbs turned down and sit blaming Saddam for your hell on earth. But "wait until after the Olympics are over, please..." You just don't want to miss the show of either event.

Would God be just a tad angry at YOU? I'd venture to say so and you had best start paying attention in a BIG WAY. What are you going to eat next year? Your growing valleys are being flooded out totally. You won't even have enough grapes for wine to ease your painful tummies if the rain doesn't stop and the big boys say that won't be until May this year.

Have you checked your storage for leaks? Do you have any storage? How will it be when radioactive? Oh yes, there will be radioactivity floating around all of you who make it past and through the event itself. These are the days the prophets wrote for your experience--you know, THAT millennium change. So be it, and don't bother to ask for "good luck" or God's blessings for upon you shall come back EXACTLY IN KIND what YOU SEND FORTH! By the time of Year 2000 you will be a full 8 to 15 years OFF COUNTING in the wrong direction. We already show you in year 11 day 175--from the millennium changeover. You have moved into the time of the Antichrist's burning of the radiation belt of your world--you know, a hidden part of that photon belt.

You ONLY know about the China told to you. THE CHINA OF HER GOLDEN DAYS are armed, ready, willing and able to smash you mosquitoes to smithereens. You are carriers of death just as are the newly cross-bred disease-bearing mosquito of the day.

Go right ahead and wave your flags (UN of course) and belch your beer and scratch your bellies--for you are about to do something so unthinkable as to wipe a few grins off your faces.

Peter Kawaja forwards this coming article to us as he received it. We will retype it so it fits onto our disc program and save someone at the paper the time it takes to retype it. I want Dharma to realize why we work around the clock to get you informed as much as is possible in your degenerating world before the Puppet Masters close the circuits.

[QUOTING:]

IRAQ'S CHILDREN
PAYING WASHINGTON'S PRICE
WITH THEIR LIVES

Felicity Arbuthnot, UK
(This comes in through Canada)

ADDENDA TO ACTION ALERT ON IRAQ:

Dear Friend:

Here comes the promised article "Iraq's children paying Washington's price with their lives". I don't know (yet) where it was originally published, but it should be reprinted and widely circulated everywhere. For the best information on the predicament of the Iraqi people and U.S. aggression (supported so far strongly only by Britain's Tony Blair) toward their country can be found on the website of the Inter-national Action Center (New York), which is the organization founded by former U.S. Attorney General Ramsey Clark. The website is: www.iacenter.org. Marjaleena Repo, national organizer.

To reflect on seven years of visits to Iraq since the Gulf War is to reflect on decline from the impossible to the apocalyptic.

When Martti Antisaari, then special reporter to the United Nations, visited the country just after the Gulf War, he wrote that: "Nothing we have seen or read could have prepared us for this particular devastation, a country reduced to a pre-industrial age for a considerable time to come."

In the forty-five days of the Gulf War 56,133.32 tons of ordinance was dropped on Iraq--exceeding the 47,777.78 tons dropped in the forty-five months of the Second World War.

Unknown to the public or the allied troops at the time, much of the ordinance was COATED WITH DEPLETED URANIUM (DU) comprising a new and deadly generation of weapons whose effects linger long after the bombs and the guns are silent. **[H: Don't say you didn't know--you knew for the droppers themselves bragged about it at the very time they were using these weapons OF MASS DESTRUCTION--YOU KNOW, YOU!]** DU, waste from the nuclear industry, has replaced titanium as armor-piercing coating. When a bullet or missile makes contact with a target, it burns and produces a fine dust. It is both toxic and radioactive.

Inhaled, according to experts, it can cause cancers and can settle in the kidneys and lead to nephritis (kidney death).

In 1990, the UK Atomic Energy Authority sent a report to the government estimating that if 50 tons of residual dust was left in the area as a result of hostilities, there could be half a million extra

cancer deaths by the end of the century. Some experts now estimate that up to 700 tons remains. DU remains radioactive for four thousand five hundred million years.

While the Pentagon and Whitehall state that it is "only very very mildly radioactive", when Professor Siegwart-Horst Guenther, founder of the Austrian Yellow Cross, took a DU bullet--correctly encased in a lead-lined box--back to Germany from Iraq for analysis in 1993, he was arrested at Berlin airport, the bullet had activated all the radiation sensors.

[H: Can't you see the "other" reasons for building a war to the point of using nuclear weapons? The culprits have to COVER UP THEIR OWN IRRATIONAL ACTIONS FROM THE LAST ENCOUNTER--THAT THEY THOUGHT WOULD NEVER HAVE TO BE CONFRONTED AGAIN.]

When I went to Iraq in early 1992, doctors were already remarking in bewilderment on the increase in birth deformities--some so grotesque and unusual that they expected to see them only in text books, or perhaps once or twice in a lifetime. They were, ironically, comparing them to the birth defects seen in Bikini and the Pacific islands after nuclear testing, yet it was not until the following year that it was realized that radioactive weapons had been used.

They were also noting a dramatic rise in cancers, especially in children. Not with a bang, but with a whimper indeed.

Ironically, treatments for cancers are vetoed by the Sanctions Committee, since they contain minute traces of radiation, so little that Iraqis, in their irradiated land, cannot avail themselves of the therapeutic value of radiation, only suffer its most deadly consequences.

According to a US Army study: "If DU enters the body, it has the potential to generate significant medical consequences. The risks associated with DU in the body are both chemical and radiological." (US Army Environment Policy Institute: Health and Environment Consequences of Depleted Uranium Use in the US Army, June 1995). **[H: Oh, but you didn't know? WHY DIDN'T (DON'T) YOU KNOW? IT IS ONLY YOUR LIVES, PEOPLE!]**

Almost any household one enters in Iraq has a sort of "black souvenir" of the Gulf War--sitting on a shelf somewhere is a piece of a missile or a spent bullet, silently emitting radiation. On a visit to a center set up to counsel severely psychologically damaged children--in what psychologists refer to as one of the "most traumatized child populations on Earth" as a result of the Gulf War--I saw a chilling sight.

The center was a far cry from the schools, devoid of the most basic of items--even pencils and exercise books have been vetoed by the Sanctions Committee--light, bright and airy, it was normality in a land reduced to absolute abnormality.

Toy and book companies in Scandinavia had donated colorful building blocks, mobiles which hung gaily from the ceiling, doves of peace decorated pastel walls. Fluffy toys sat on rows of shelves--and between them, small pieces of cold, hard metal--pieces of radioactive missiles. **[H: From America with love...!]**

"The children pick them up and bring them in," a psychotherapist remarked, "It is their way of coming to terms with their fear, their way of healing themselves..." The irony and tragedy left me, unusually, lost for words. When, later, I expressed my concern to an eminent physician, who had

worked in Britain and saved many British lives, he fell silent, then looked at me and said very quietly: "we are afraid, we are all very afraid..."

In one hospital ward there was the manifestation of this fear. Two children, one aged three, Mi Lazam (his name translated as "the vital one") and the other aged five, lay, in terrible pain, bleeding internally, covered in bruises from leaking capillaries, bloated with edema, damp with perspiration.

Ali Lazam was making tiny "mewing" noises, his eyes full of unshed tears. He had learned not to cry, sobs wracking his small frame further, intensifying his agony. The older one was in the same condition, but when I bent to stroke his puffy little face, his small hand came up and grabbed mine and squeezed it with all his might, a gesture of trust, pleading and spontaneity.

I left the ward, leaned against a wall and prayed for the ground to open and swallow me up. For the people of Iraq, for the children of Iraq, from the radiation to the embargo, the war has never ended.

There is no escape into normality and as we threaten to bomb again, there is no hiding place. **[H: Remember--you can "surgically bomb" directly into a bomb shelter air vent and BRAG ABOUT IT WHILE SHOWING OFF YOUR PICTURES TO A SICK WORLD. You know, no remorse, for after all--IT IS SADDAM'S FAULT!]**

"This is worse than the war," a doctor told me in 1992, "we knew that the war must end, but we do not know whether this will ever end." He had spent the war treating patients and operating on them, by candle-light, often without anaesthetic, often without sleep for three or more nights.

He recounted undertaking a painful peritoneal dialysis operation, in the dark, in an operating theater whose windows had been broken in the blast from a missile which had hit an adjoining building "When I move forward, the hot wax drips onto the patient's stomach, when I stand back, you can't see," his colleague, who was holding the candle, remarked. Yet the embargo "was worse..."

In late 1993, psychologists whose concern is for children in war zones, were reporting what they described as a unique phenomenon. Many children in Iraq no longer played games--they reminded them of the dead friends that used to play with them.

"Children are surprisingly resilient," Professor Magne Raundalen, who heads the Center for Crisis Studies in Bergen, Norway, told me. "But the children of Iraq are not progressing as I would expect, they are regressing." But they had heard the bombs fall again in 1993--and in some psychological surveys up to 80 percent of children thought they would not live to grow up. **[H: It seems they were and are correct, doesn't it, sweet humanitarian people of the free world?]**

I went back to the trauma center that year and met a small boy who became physically sick at the sight of blue jeans. He had been wearing a precious pair his uncle had sent him from America, when the bombs fell. His best friend was killed.

I met little Naira who could not drink--in the searing heat of Baghdad. She used to offer her special friend, from whom she was inseparable, water from her little container before she drank herself--a traditional Iraqi gesture. Her friend was killed in the bombing.

On a later visit I met Ali, whose father was killed in the Gulf War. His body was returned home-

-unlike many in General Norman Schwarzkopf's "turkey shoot"--and Ali went to the funeral; he was three years old. The graveyard was near his home. Every day for three years, Ali ran repeatedly to the grave and dug at it with his small hands, saying: "It's alright Daddy, you can come out now, the men who put you there have gone away..."

While trauma at this level was there for anyone who cared to see, UN personnel could frequently be observed, in their leisure time, sporting T-shirts with "Air Power" emblazoned on the front.

By 1994 Dieter Hannusch of the Rome-based World Food Program was writing that this formerly largely developed country--with, prior to the Gulf War, 92 percent access to clean water and 93 percent access to high quality, free health care and similar education and nutrition had, for the most part, a lower caloric intake than Mali.

In 1995 Hannusch wrote that: "...time is running out for the children of Iraq." Time ran out for seven-year-old Yasmin that year. Named after the sweet scented yellow flowers, she had developed a minor heart defect just after the Gulf War. "When the embargo is over, we will operate and her health should be perfect," her parents were told. In five years a minor defect became a major one and her damaged little heart could no longer sustain her frail body.

I was in the ward at the El Baladi Hospital, formerly a flagship institution, as her fledgling life flickered and went out. I can still hear the screams of her mother and grandmother [**H: But Grandma Albright says "it's worth it".**] as they rushed from the front of the ward and across a busy road, oblivious to all--but their agony. "Yasmin, Yasmin, Yasmin..." they cried--and her name floated back through the open windows and over her small, cooling body.

In 1996 one third of surviving children--one third of Iraq's population is under 15--were estimated to be suffering stunted growth or impaired intelligence resulting from malnutrition.

The inexcusable and draconian nature of the embargo was reinforced for me in December 1997. Although the temperature was relatively cool, there was an epidemic of flies. Stagnant water or sewage lay in many streets due to a lack of parts for pipes which were fractured or bombed seven years ago this month. Water is still unsafe in many areas, thus fly- and waterborne disease are endemic. [**H: Ah, but your media moguls don't ever let YOU SEE these dark pictures do they? They only allow you to see the happy children hanging onto Saddam's hands while they tell you he is building up more weapons of mass destruction and those places not yet bombed away by YOU THE HUMANITARIAN PEOPLE OF THE WORLD!**]

Invited to homes for a meal to which everyone in the neighborhood has contributed something, in dire straits but still extending the overwhelming Iraqi hospitality, one person stands on "fly drill". Literally standing over the table waving hands or fly swatters. Not one to be enthusiastic about chemicals in the home, even I was driven to suggest that this was desperate and fly spray was essential.

Fly spray, it transpired, has been vetoed by the Sanctions Committee. Ironically, Iraq is being accused of having the capability for biological and chemical warfare. Now this may or may not be correct, but like the silent radiation pervading the country, lack of ability to guarantee clean water or eradicate flies are equally silent and deadly chemical and biological dangers.

An illustration of this came two days later. In the Unicef building in Baghdad, a woman ran through the door near demented and barely coherent in grief. It was a Thursday. The story, sobbed

out, was of nightmares. She had five children. On Monday, the youngest had become very sick with diarrhea: waxen, dehydrated, cold. With no transport, she had run with him in her arms, to the hospital.

The hospital had re-hydration fluid, but no gastro-nasal high protein food or necessary tubing and no anti-biotics. Her baby died.

She carried him home to arrange burial (Islamic tradition is that burial is within 12 hours) to find another child equally sick. She returned to the hospital to relive the same scenario, the same anguish.

This was repeated with a third child. She had come to Unicef to beg for medicines for her two remaining children, who too had developed the same symptoms. Unicef Baghdad writes reports and undertakes surveys on the health effects of the embargo and the effects of malnutrition BUT was unable to assist.

Displayed large in the foyer of the Unicef building is the UN Convention on Human Rights of the Child, the most signed-up-to International Convention in history, with 187 nations agreed to adhere to its principles.

They include the right to life, protection, lack of racial discrimination, education... "keeping the promise to children" is the vow on Unicef's compliment slip.

"We must ensure that there is a place at the table for all the world's children," said President Clinton, in his address to the 50th UN General Assembly.

Not if the child is from Iraq, Cuba, North Korea, Somalia or any other embargoed country. The UN itself has broken "the promise to children" and as Britain and the US prepare again to bomb the children of Iraq, who shiver uncontrollably in thunderstorms, thinking the bombers are about to return, the promise is again broken.

Asked on the US television programme 60 Minutes on 12 May 1996 whether the cost of the lives of over half a million children "was worth it" in order to get rid of Iraq's President, Secretary of State Madeleine Albright (then US Ambassador to the UN) replied that "it is a hard choice, but the price--we think the price is worth it."

I am sorry Ali, I am sorry Mi Lazam, I am sorry Yasmin, I am sorry Naira, I am sorry to you all, whose small faces look at me from so many photographs. You were just "a hard choice... a price THAT WAS WORTH IT".

[END OF QUOTING]

I think it is time to read, ONE MORE TIME, *REVELATION*! Especially attend the part about the "Christ" appearing with a sickle to reap the harvest of your HELL and cast out all that is unworthy and blighted upon the Earth.

You of human form upon the wondrously created place of balance and beauty--are going to reap your reward for such heinous acts and degradation. Pay attention particularly to the part about mothers with children and pregnant mothers--and go back and reread the "above".

Then, my dears, I suggest you take up *AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA* AND READ WHAT IMMANUEL SAID TO THE JEWISH PHARISEES ABOUT THE COMING OF MOHAMMED WHO WOULD BRING HORRORS UNDEAMT OF UPON THEIR HEADS FOR THE REST OF THEIR EXISTENCE. IT IS SO AND IT HAS BEGUN TO COME TO PASS IN YOUR VERY GENERATION, NOW PUSHED INTO DOOM BY YOUR CONTINUING TO SLEEP WHILE YOUR VERY EXISTENCE HAS BURNED AT THE HANDS OF ANTICHRIST. THESE WARRIORS WILL GIVE NO QUARTER AND THE ONES WHO WROTE THE VERY PROGRAM AND SCRIPT FOR THE PLAY THEY WOULD "WIN" SHALL BE DESTROYED AS GRASSHOPPERS BEFORE THE THRESHER.

You have allowed them to take your "free" world and you allow such pillage, plunder, raping and destruction at their hands that thine own drip with the innocent blood of this planet--and it is NOT alright for you have become EVIL and despotic in your very thoughts. YOU have become the very scourge of the Earth, The Evil Empire, and you shall be smitten until you shall pray that the mountains fall upon you to ease your suffering. AND THERE SHALL NOT BE ONE EAR TO HEAR YOU--YOU HAVE OVERSTEPPED THE BOUNDARIES OF GOD'S ALLOWANCES.

My scribe thinks this moment that she cannot go on. Oh yes, we SHALL GO ON for if we cannot stop this insanity in TRUTH and KNOWING, WHO? WHO SHALL STOP IT? WHO SHALL TELL OF THE WAY IT WAS, IS AND WILL BE? IF NOT YOU, WHO? Who will pick up the child dying in the crib--which by the way, might be the Christ-child reaching out for you. If not YOU, WHO?

Dharma, take a break. I am so sorry, child, but I must have your hands for our time is up and if we are to pass this cup from us, we must do it NOW.

IMPORTANT ANNOUNCEMENT

Hatonn has asked us to run the Freedman letter to Goldstein, [*Facts Are Facts, From One "Jew" To Another; Long Buried Truth Must Be Revealed*] OFTEN [*A letter from a Jew to a Jew covering information that is **critical for all to know if we are to restore any political freedom to our dying world***]. It offers good information along with excellent reference material. HE FEELS IT URGENTLY NECESSARY TO KEEP CONSTANT REMINDERS BEFORE OUR READERS, AND THE JEWS, THAT WE ARE ONLY **REPRINTING** INFORMATION. THIS IS OUR KEY TO SURVIVAL AS A PAPER AND AS PEOPLE.

In this letter Mr. Freedman covers **many** topics several of which are: Jesus Was Not A Jew--Some Of The History Of The Modern Day Jew And His Origins--Some Of The History Of The *Talmud* [Some Very Important Quotes From It Including Permission For Sexual Attacks Upon Babies, Etc.]--The *Kol Nidre* Oath. **The Very Harmful Influence The *Talmud* and *Kol Nidre* Writings Have Exerted On The Entire World For Centuries--The Jews Are Not Any Part Of The "Lost Ten Tribes".**

This letter takes over 100 pages in a Journal so we will only give the sources for it: Phoenix Journal #223 *BIRTHING THE PHOENIX*, Vol. 2 & #233 *RISE OF ANTICHRIST*, Vol. 5 or *CONTACT* March 17, 1998, Vol. 20, #4.

Appendix Of Definitions

Excerpt from HATONN writing 3/7/98 #1:

My goodness, only a couple of weeks into our topic and the sky is falling Rennie-Pennie. By the way, "You and all your readers are anti-Semitic," say a couple of the writers, "this is hate literature..." and "Tell us again your definitions because these writings are made to look like research."

I don't care what they look like, readers. I am using material researched in the early '20s. I don't, nor did I, make the rules of action for those calling themselves Jews. I don't call them Jews; they named themselves that over a thousand years after Immanuel, the one you call Jesus, was long gone. They priorly called themselves "The Serpent People", also known as Khazarian (many spellings of this word), and when a "*religion*" was required of them--they took up the Judean "faith" (misdefinition). They were commercially oriented and warriors, with the more blood spilled the better--and they called "that" sacrifice. They never pretended to be Semites until in the modern last century and a half when it could be used as a tool against Gentiles. There is no recognized "in-between"; there are, according to the self-styled, self-named "Jews", **ONLY JEWS AND GENTILES**.

You see, readers, I can't help it if you know **NO HISTORY**--for it is all available for your investigation.

If we deal with this confusion, also realize that **CONFUSION** is the number one tool of this group of nomadic peoples.

SEMITE: 1. A member of any of the peoples supposedly descended from Shem, the eldest son of Noah. (So the "Jews" of today **ARE NOT SEMITES**, nor are the Judeans or Hebrews.) 2. a Jew (but note this is only a **MODERN** classification in the Encyclopedia). 3. **a member of ANY OF THE VARIOUS ANCIENT AND MODERN** peoples originating in SW Asia, including the Sumerians, Akkadians, Canaanites, Phoenicians, and ARABS.

SEMITIC: 1. An important **SUBfamily** of **AFRO-ASIATIC** languages, including Akkadian,

Arabic, Aramaic and Hebrew.

SEMITICS: The study of the Semitic languages, literature, etc.

[H: So, perhaps this is where they get bent out of shape for, in studying the languages, history and literature, we find that the "Jew" does not fit into these categories--as Semites.]

SEMITISM: A term coined to refer to the "modern" Jew. It is a word or idiom peculiar to, derived from, or characteristic of a Semitic language. **[H: But YIDDISH is a separate language MADE to fit the Talmudic people and laws.]**

So, the controlled meaning set forth by the so-called Jews: A disparaging or antagonistic attitude or hostile act toward a Jewish person, Jewish organization or the religion of Judaism. **[H: This, further, only refers to the "Yiddish" "Jew" and not the Middle East Judeans or Semites. Remember that Semites come from the Tribe of Shem—and these people in point DO NOT.]**

COVERT INTENT: Used to disarm, intimidate and confuse Christians (GENTILES OF ALL RACES, CREEDS, COLOR) into submission to Jews at the expense and eventual destruction of Christianity.

ACTUAL MEANING: OPPOSITION TOWARD PEOPLE OF SEMITIC (SHEMITIC) ORIGIN. Most people calling themselves Jews are NOT Semitic in origin. **"SEMITISM" HAS NOTHING TO DO WITH JEWS, JEWISH ORGANIZATIONS OR JUDAISM.**

JEW: The word "Jew" did not appear in actual use until over 1000 years after the resurrection of "Jesus". It means someone who adheres to the religion of Judaism (modern PHARISAISM). The modern "Jew" of "Jewish Culture" has NO RACIAL SIGNIFICANCE. "Jews" are some of the most racially MIXED people on Earth due to their multi-national history, their practice of interracial marriage, as well as their contemporary international bias. Over 90% of "Jews" today are descended from the ancient Khazars--a racially NON-SEMITIC people from East Europe.

WE DID NOT MAKE THE RULES OR THE DEFINITIONS; WE ARE JUST REPRINTING SOME WORK OF A VERY FAMOUS MAN OF YOUR OWN AMERICAN HISTORY--HENRY FORD, AND OTHER ASTUTE HISTORIANS OF PRIOR DAYS.

We need one more definition:

GENTILE: The modern CONTROLLED MEANING is *anyone who is not a Jew of the above classification.*

TRUE MEANING: From the LATIN word "gentilis", meaning "of the same gens, clan or race." In the *Bible* the more modern world Gentile is a mistranslation of the actual *Old Testament* Hebrew word "goy", and the Greek *New Testament* word "ethnos"--both meaning "NATION OR PEOPLE" (ANY nation or people).

CAHILLA: The ones from the Cosmos without recognition of God Creator or the Christ concept. They never went beyond pretense to be anything else. They were from the Serpent Races and called themselves Serpent People when they were placed on this planet. They now call themselves Jews, even usurping the very heritage of some HUMANS already on your planet. They serve god Lucifer-Satan and facts are facts.

YIDDISH: NOT Hebrew. Yiddish is a language created for the self-styled parties who came to call themselves Jews and to suit the needs of the *TALMUD AND BE UTILIZED IN THE PROTOCOLS*. It is much like using a code as in World War II when Native language was used and could not be deciphered. How much to you think, as a Russian, you might

understand of Lakota Sioux? By using the *Talmud* and Yiddish--everyone, including the Hebrew-speaking Jews, could be fooled until it was too late to change horses.

3/24/98 #1 HATONN

Keep the following definition handy for continual reference please:

ANTICHRIST: 1. a particular personage or power, variously identified or explained, who is conceived of as appearing in the world as the principal antagonist of Christ. 2. An opponent of Christ, a person or power antagonistic to Christ and/or Christ's teaching. **3. A person or power who discounts or denies or ignores the presence or teachings of Christ in God's instructions and which or who practices that which is considered to be not "christian" in attitude or function.** **4. Satanists and those of any "order" who discount goodly and socially acceptable, as "christian", attitudes and set themselves up as authority to present interpretations of behaviors and teachings other than those of Christ as accepted as the Spiritual attitude of goodness.**

ALSO A POWER OR PERSON WHO RECOGNIZES A, OR MULTIPLES OF, GOD, BUT NOT THE GOD OF CHRIST TEACHINGS.

ONE WHO INTERPRETS THE ACCEPTED LAWS OF GOD IN A PERSONAL OR LEGAL DEVIATION OF SAME WHICH THEN PRESENTS AS A NEGATIVE ASPECT THRUST UPON HIMSELF OR ANOTHER.

THESE LAWS OF GOD IN EACH "GOOD" OR "GODLY" RELIGION OR SPIRITUAL ACCEPTANCE ARE BASED ON FUNDAMENTAL VALUES OF GOOD MORALITY, EQUAL JUSTICE, RESPECT, REVERENCE AND FUNCTION IN THE WAY OF THE "GOLDEN RULE": "DO UNTO OTHERS AS YOU WOULD HAVE OTHERS DO UNTO YOU."

"**CHRIST**": A Spiritual "state of being" in goodness.

"**ANTICHRIST**": That which is humanistically related to non-Spiritual thought and actions.

Teachers of the Christ "way" in the human physical form are classified as "christians" but the beings most prominently offered as "Christs" are NOT. They are teachers assuming the laws of God/Christ. This includes Jesus, Buddha, Mohammed, etc. Most of these laws as written in the accepted "Holy Books" are grossly tampered and misrepresent the actual instructions of God, in order to more closely fit the wishes and desires of the human individual or social "order" of any group or groups.

An organization or body of people has NO ACTUAL SPIRITUAL IDENTITY OTHER THAN "DOCTRINE". CHRISTIAN, FOR EXAMPLE, IS A STATE OF BEING OF ONLY AN INDIVIDUAL THOUGHT OR ACTION AS THOUGHT OR EXPRESSED BY AN INDIVIDUAL, INDEPENDENT PERSON.

AN ANTICHRISTIAN PERSON IS ANYONE WHO WOULD USURP OR INFLICT THROUGH PERSUASION OR FORCE HIS OPINION OR ACTION UPON THE WILL OR WISHES OF ANOTHER.

Antichrist has no selective ethnic, racial, national or color identification. Creed is the deciding factor and that is recognized in intent and/or action expressed.

Antichrist is usually defined as Atheistic, Agnostic, Unchristian, Immoral and Unlawful, a Usurper, and several other directly identifiable attributes within or expressed by an individual in a negative consideration.

Antichrist is basically that which is in opposition to the accepted teachings of Christ/God within the laws as accepted as guidelines expressed as the Ten Commandments of the Christian following

of the New Testament or the Hebrew teachings of the Old Testament.

Any CHURCH or person who deviates from these accepted laws as presented and accepted as Christ principles is, by definition, Antichrist. A person may proclaim Christ as an entity, but Christ is only an individual "state of being in Spiritual awareness".

CHRISTED: One who is SPIRITUALLY in alignment and intent within God Creator and deviates not from the moral, ethical, and lawful aspects of Christ-like teachings.

This could go on and on for pages into the hundreds--but suffice it to say that you have two working "parties" in human expression: those who are Spiritually accepting of soul as relative to God, and those who deny that relationship and are basically limited to Humanistic intent and thoughts.

Bad and good, good and evil are accepted terms defining intent and actions of individuals and often erroneously applied to groups. A group is made up of individuals who usually adopt a singular or very similar ideology. In every instance a group is a gathering or clump of individuals--perhaps bearing no similarity.

JUDGMENT: Only ACTIONS of individuals can be judged. A person is simply a person from which actions take place through intent: good, bad, or otherwise. To judge another is but to judge SELF for SELF is the only basis upon which JUDGMENT can be made--utilizing the laws as set forth by man in legislative forum or as accepted societally as being goodly laws of Deity or Spiritual Acceptance. In a court of law a PERSON should not be JUDGED, but rather, the actions of that INDIVIDUAL or MULTIPLES ACTING IN ONE EXPRESSION AS A WHOLE, are the factors for JUDGMENT. INTENT to ACT, until action is verified, is not a judged offense unless that intent is EXPRESSED IN SOME MANNER. MAN WORKS ON PHYSICAL EXPRESSION ONLY AND GOD/CHRIST WORKS ONLY ON THE MERITS OR DEMERITS OF "INTENT" IN CONNECTION WITH EXPRESSED THOUGHT OF/TO ACTION.

Now, I am asked for some examples. Fine, there are so many examples of every little illicit and unlawful action taking place in high places as to be a mass of confusion. The actions are all you have with which to consider INTENT of any individual. So, let us consider President Bill Clinton and his seemingly unique approach to sexual relationships. He goes to Church and it seems ANY church is fine with him. He clutches his "Holy Bible" in one hand and his "pretend" loving wife on his other arm. But he goes forth and breaks EVERY ONE OF THE LAWS OF GOD, even as laid forth by man as acceptable behavior.

Perhaps you need refreshing as to those Ten Commandments. I can do that but you will see that some of them are simply tossed in for the CONVENIENCE AND POWER CONTROL by MAN over others desired to be under control.

- * You shall have no other gods before Me.
- * You shall not misuse the name of the Lord, your God, for the Lord will not hold anyone guiltless who misuses His name.
- * Remember the Sabbath day by keeping it holy.
- * Honor your father and your mother, so that you may live long in the land the Lord your God is giving you.
- * You shall not **kill**.
- * You shall not commit adultery.
- * You shall not steal.
- * You shall not give false testimony against your neighbor.
- * You shall not covet that which is another's. You shall not covet another's spouse or any property of another.

I have chosen to briefly outline those given in Exodus of your Old Testament for those are the ones which should be identified as being Hebrew oriented. I use the term "Hebrew" for I know no people calling themselves "Jews" who adhere to these laws today.

I, further, note most Christians not adhering to these Commandments TODAY.

Please note that even in the *Old Testament* the commands are not ended with "EXCEPT IF, WHEN, BUT, OR..."

Now, readers, IF THESE ACTUALLY BE THE INSTRUCTIONS OF "THE LORD", WHAT HAVE WE GOING HERE TODAY? AND if these be the accepted teachings of JESUS CHRIST, what can you make of the deviations FROM THESE LAWS? And how do you equate your opinions or interpretations against, or within, any OTHER religion than your own who assembled your opinions FOR YOU?

AND NO, I DO NOT CONSIDER THESE TO BE THE LAWS OF GOD. YOU ARE BIRTHED KNOWING, WITHIN, THE LAWS OF RIGHT AND THE INTENT OF WRONG. AND THEN, IN EACH LEVEL OF LEARNING OR GROWING INTO TRUTH, YOU CAN BEGIN TO SEPARATE THAT WHICH IS "MORAL" FROM THAT WHICH IS SOCIETAL, CULTURAL OR TRADITIONAL "MORES".

All written material is MAN-MADE. THOUGHT is of God and one can proclaim that his thoughts or the written word comes from God—but language and the activity of writing is human physical action. The actual expression in writing is that which must be JUDGED, not even the writer or printer or seer can be judged--ONLY THE WORD.

Now, let us consider and use some simple deductions in REASONING and LOGIC. We are now talking about two groups of individuals forming identifiable groupings OF RELIGION AND RELIGIOUS ASPECTS: Jews and Christians. This is to keep our writings from being confusing, if at all possible, for we are not going to discuss, here, OTHER RELIGIONS.

If the *TEN COMMANDMENTS* are the basis upon which the Israelites AND THE Christians foundation their RELIGION, what went wrong? If, as currently acceptable in modern RELIGIOUS PRACTICE, exceptions are made of the ONLY LAWS HANDED DOWN, AS THESE RELIGIONS PRESUME, ASSUME, AND PROJECT UPON OTHERS AS TEACHINGS—WHAT HAPPENED TO THE PRACTICE OF ABIDING BY THESE LAWS WHICH MAKE YOU TO BE CONSIDERED A JUDEAN OR A CHRISTIAN?

Now, also consider this: the Hebrew Israelites did not and do not accept EMMANUEL ESU OF THE HOUSE OF JOSEPH AS THE MESSIAH. Saul of Tarsus then labeled the man, who was thought to be Christed, Jesus. This happened AFTER, long after, the absence of the actual Emmanuel Esu of the House of Joseph. So, we can call him "Jesus" if that pleases you--or you can call that individual human energy form ANYTHING YOU PLEASE. But HOW you call him is the point of the writing here.

It is then made clear that the *NEW TESTAMENT* was written some 300 years AFTER the moving on, whatever, of this person, even if you call him Jesus. The Gospels were compiled, as was the New Testament, into Arabic, Aramaic and some Hebrew languages, then into other languages such as Greek, etc. The final translations were into German and the German scholars chose and assembled the New Testament. Then the books were further tampered with and translated, as to please the wondrous King James, into ENGLISH. Now, there are hundreds of versions of re-translated material to suit every sect and cult that comes along.

The point here, however, is that the Israelite Hebrews believed in the *Old Testament* and honored a book or scrolls they called the *Torah*. The Christians honored the book called the *New Testament*. So, from these opposite and estranged ideas of one denying this Christ messiah and the other accepting this Christ messiah AS THE GOD--how do you come to a merging of these opposing ideas? Well, THE WAY YOU DO IT IS TO DENY AND ACCEPT BOTH AS ADJUSTED TO THE NEED OF THE PRESENTER AND PRACTITIONER. And, in that tradition, the Christian accepts everything good or bad in the *Old Testament* which supposedly was

no longer valid with the birth of Jesus. But Jesus wasn't the "MAN'S" name. Then later you find that this after-named "Jesus" is the expected MESSIAH of the Illuminati and the Freemasonic cornerstone of their temple. WHOSE TEMPLE? The TALMUDISTS! They call themselves Jews-- but they are NOT. They call themselves anything and everything they choose to make their humanistic practice of Luciferian behavior the LAW OF THE LAND.

In this evolvment BOTH Hebrew and Christian ideals have been totally usurped and LOST. It does not matter WHAT you call the opposing entities--the facts remain the same, don't they?

Just as a little rule of thumb on these topics as to religion, spiritual, or whatever you are doing: they are THREE DIFFERENT THINGS, OF WHICH, USUALLY, NONE ARE GODLY, BUT RATHER, STRUCTURED AND GUIDELINED BY SOME HUMAN PERSON.

HUMAN is conceived and birthed (created) knowing right from wrong as part of his very being. So what happens? Indeed, what does happen to that perfect soul and mind?

Salu, Hatonn.

[The list of definitions will be added to in future Journals as they are revealed to us.]
